Discussion Regarding – Camera Park Update

An update was given by Director Knautz on the Camera Park project. He is hoping to get the project finalized and on the agenda for Village Board approval in the next month.

Discussion Regarding - Preschool

Director Knautz discussed Preschool still not being in session due to being in-line with SD 16 and their remote status. He is hopeful that we will get the kids back into school in the near future.

Discussion Regarding – Sexual Harassment and Discrimination Policy Committee Training

Director Knautz mentioned that the members of the Committee were required to take a training class that all committees and commission members in the Village would be taking. Director Knautz mentioned he would be sending out a link to the training and asked that the Committee watch the video and take the required test by February 15, 2021.

Upcoming Events and Program Updates

Director Knautz highlighted those things that had taken place over the last few months as well as the special events that had taken place. One of the highlighted events was the Tree Lighting Ceremony at Camera Park where residents could tune into a radio station to hear the Mayor and Santa light the Christmas trees in the park followed by a short Fireworks display. Many compliments were received
