NEW BUSINESS

The Commission reviewed the written test scores and compared them to the test ID numbers. The preliminary list was compiled based solely on score. The Commission broke all tie scores and created a Preliminary Candidate List to be sent to each of the candidates. It should be noted in the cover letter that all requests for service points should be received within 10 calendar days. It should also be noted that if the test ID number does not appear on the list, it is because the candidate did not achieve a possible passing score.

The Commission determined that if any ties exist once service points are added, that Recording Secretary Hartigan shall break the ties using the same random number generator used to break the ties during the meeting. Recording Secretary Hartigan shall print the finalized list and bring it to the Commissioners for their approval rather than calling for a special meeting.

Commissioner Wilk moved to approve the Preliminary Candidate List as presented. Commissioner Macias seconded this motion. Upon voice vote, the motion carried. All of the Commissioners signed the list and it was forwarded to Administrative Secretary Dziedzic to be sent to the candidates and posted at the Police Department.

Chairperson Schwerdtner asked Deputy Chief Pappas to send the top 4 candidates application packets to the Investigations Division to begin the Background Investigation process.
