The Illinois Poison Center (IPC) handles over 80,000 calls annually via its toll-free, confidential helpline (1-800-222-1222). Of those calls, almost half involve children 5 years of age and under but the most serious cause involved an adult. Calls range from people exposed to a variety of substances that can be potentially harmful causing minimal to fatal reactions (medications, vitamins/supplements, plants, chemicals household/automotive products, insect/animal bites and stings, lead, carbon monoxide, etc.).

For children ages 18-36 months, poisoning is the #1 cause of injury-related hospitalization and death. In Illinois, there are more people hospitalized for poisonings than for injuries from firearms and motor vehicle collisions combined. 9 out of 10 poisoning deaths are caused by drugs/medications.

The Village and Police Department remain committed to eradicating graffiti. If you see graffiti taking place, call 911 immediately. If you have information about who is doing it, please call our Hotline at 630-260-6025 or Crimestoppers at 1-800-222-TIPS.

With the increasing concern over the spread of the Coronavirus or COVID-19, the Village of Glendale Heights would like to assure residents and Village staff that all Village and emergency services (police, fire, EMS, public works) will continue to operate as usual with no disruptions. The Village has met with and will continue to meet with the Glendale Heights Police Department, AMITA Health Adventist Medical Center GlenOaks, the Glenside and Bloomingdale Fire Protection Districts, School Districts 15 and 16, the Glenside Public Library District and other key community organizations. We assure you that we are working together on a cohesive plan during this pandemic. We will continue to inform the community of new information as it arises along with updates on program and event cancellations, facility closures and more.

The following is a complete list of programs, events and facilities that may or may not be affected by the Coronavirus or COVID-19. For any and all updates, please visit our website for real time updates on events and programming at www.glendaleheights.org.

Center for Senior Citizens
• All programming at the Center for Senior Citizens is cancelled until further notice with the exception of one-on-one tax aid, the senior fitness center, Benefit Access Applications, Senior Health Insurance Program, home delivered meals and the Golden Shears Salon (Note: Manicures will not be available) until further notice per the Illinois Department on Aging.
• Community Dining meals will be available for pickup on Mondays with meals available for up to five days
All Community Room rentals will continue as planned

Sports Hub
• All programming at the Glendale Heights Sports Hub will continue as planned

Street Sweeping Parking Restrictions
Street sweeping is an important part of the work done by the Streets Division. Clean streets and gutters not only give the Village an overall clean appearance, but aids in helping reduce traffic accidents and lowers pollution in our byways and waterways.

To enable an effective street sweeping program, the Village is divided into four zones. Parking is prohibited between 8:00 am & 4:00 pm, one specific day each week by zone. Please help us in our efforts by removing vehicles from the street on the day your zone is to be swept.

Monday— Red
Tuesday— Blue
Wednesday— Green
Friday— Brown

The Police Department will be strictly enforcing this ordinance.
