### ***The Glendale Heights Police Department urges motorists to "Slow Down"***

***Law enforcement to step up efforts targeting speeding drivers***

**Glendale Heights, IL** – With the goal of slowing motorists down, the **Glendale Heights Police Department** is partnering with the Illinois Department of Transportation, the Illinois State Police and more than 200 local law enforcement agencies to step up enforcement efforts across the state. Motorists can expect to see increased patrols and traffic safety enforcement zones.

"Fast driving is one of the leading causes of motor vehicle crashes on our roads today," said **Deputy Chief Kelley Darre**.

In Illinois, driving too fast is not only dangerous, it's illegal. Slow down and drive.

The Illinois speed campaign is funded with federal traffic safety funds administered by IDOT.
