VILLAGE DEPARTMENT DIRECTORS

**Douglas Flint** Acting Village Administrator

**George Pappas** Chief of Police

**Peter Cahill** Human Resources Manager William Poling Finance Director/Treasurer

A PROUD & PROUD & Keith Knautz Leisure Services Director

## READER'S GUIDE TO UNDERSTANDING THE BUDGET

This reader's guide is to assist in understanding the various sections of a complex budget document. The budget is divided into various sections, which are detailed with explanations below.

#### **BUDGET MESSAGE**

This is a message from the Village Administrator and the Finance Director about the challenges, opportunities and uncertainties the Village faces in preparing the annual operating budget. The message highlights the Village's budget priorities and the principles adhered to in developing the budget.

#### STRATEGIC PLAN

Strategic planning is an effective way to identify and confirm an organization's vision for the future and set organizational purpose and direction by incorporating clear priorities and measurable goals. In October 2022, the Village of Glendale Heights ("the Village") engaged the Northern Illinois University Center for Governmental Studies ("NIU-CGS") to guide and facilitate the development of a strategic plan. The 2022 process involved broad stakeholder input including community focus groups, interviews, demographic analysis, and a community survey. These inputs were shared and considered prior to, and during, the Village's strategic planning workshop in the fall of 2022.

#### **VILLAGE OVERVIEW**

The Village Overview section gives general information about the Village of Glendale Heights including an organization chart, its mission statement, government profile, location, history, demographics and community economics.

#### **BUDGET OVERVIEW**

The Budget Overview details the overall budget process and gives a basic understanding of how the Village creates and presents a budget. It also summarizes the Village's fund structure and provides detailed explanations of the major revenue sources of the Village.

#### **BUDGET SUMMARIES**

The Budget Summaries present the Village's Operating Budget in table and chart form. The Village presents this financial information in several different ways and compares current year information to prior years in order to gain a better understanding of the flow of funds and to note significant changes year after year. Also in this section is information on staffing levels and changes in fund balances for each of the Village's funds.

## READER'S GUIDE TO UNDERSTANDING THE BUDGET

#### **BUDGET NARRATIVES**

The Budget Narratives are divided by fund, then department, then division, if applicable. Each fund, as well as each department/division within each fund, will have a budget narrative. These narratives start with a description of the department/division and detail the prior year accomplishments and goals and objectives for each division. In addition, this section will also include an explanation of budget highlights for the 2024/25 fiscal year.

#### CAPITAL IMPROVEMENT PROGRAM

The Capital Improvements Program is a comprehensive 5-year plan for the development of the Village's capital facilities, infrastructure and equipment. A summary of the capital projects will be listed by fund. The budget for the Capital Improvements Program is developed and incorporated into the Annual Budget that is presented to the Village Board for approval on an annual basis.

#### APPENDIX

The Appendix of this document includes a brief narrative of the Village's financial policies as well as a glossary and a list of common acronyms used in this document.

A PROUD & PROGRESSIVE VILLAGE FOR ALL PEOPLE

December 31, 2024

The Honorable Mayor and Board of Trustees Residents of the Village of Glendale Heights

The Fiscal Year 2024/2025 (FY2025) Budget is hereby presented for the fiscal year May 1, 2024 to April 30, 2025. The annual budget is the policy document that sets the financial course for the Village and defines the services we provide to the community. State law requires the Board of Trustees to annually adopt an appropriations ordinance prior to July 31 each year and restricts the spending authority for all Village departments to the adopted appropriations. The following principles guide the planning and spending decisions when compiling the annual budget:

- Provide quality municipal services while improving efficiency and effectiveness with available resources.
- Provide safety and security for the Village's residents.
- Provide for development and redevelopment in the Village.
- Provide funding for the maintenance of the Village's roads, water and sewer infrastructure and municipal facilities.
- Provide financial sustainability by being able to manage the Village's finances, through various economic cycles, without having to significantly impact the services provided to the Village's residents.

Responsibility for both the accuracy of the data and completeness and fairness of the presentation, including all disclosures, rests with the Village and its management. To the best of our knowledge and belief, the enclosed data are accurate, complete and reliable in all material respects. All disclosures necessary to enable the reader to gain an understanding of the Village's budget activities have been included.

The budget document is an important tool for sound fiscal management. As provided for in the appropriation adoption ordinance, the legal level of control is by department or division. A budgetary system of monitoring and control has been established to ensure accountability and budgetary compliance.

A primary mission of the annual budget is to emphasize delivering essential Village services in the most efficient manner possible. The Village has taken a number of steps over the past several years to improve upon its fiscal condition. Since its adoption in 2013, the Village has been able to exceed the Fund Balance Reserve Policy, which established a minimum reserve level of four months. Independent auditors reported to the Village Board in November that the fiscal year 2024 ending reserve balance was at a level of 9.3 months, which is more than the level set by

policy, and more than double the level recommended by the Government Finance Officers Association (GFOA).

| Fiscal | General Fund | Equivalent |
|--------|--------------|------------|
| Year   | Balance*     | Months     |
| 2016   | \$11,242,615 | 6.7        |
| 2017   | \$12,388,501 | 7.1        |
| 2018   | \$13,345,430 | 7.4        |
| 2019   | \$12,280,957 | 6.3        |
| 2020   | \$10,975,133 | 5.6        |
| 2021   | \$16,054,846 | 7.8        |
| 2022   | \$22,736,563 | 10.5       |
| 2023   | \$22,652,823 | 10.5       |
| 2024   | \$25,652,823 | 9.3        |

\*Source: Village Annual Comprehensive Financial Report.

Revenue growth and the diligent management of Village expenditures will continue to be the focus in future years in order to maintain service levels and necessary infrastructure maintenance and improvements throughout the Village.

The total 2024/25 budget for all funds of the Village is included in this document. The total operating and capital budget is \$85,067,744, a decrease of 13.5% from the final budget of \$98,390,682 in 2023/24. The primary reason for this decrease in expenditures relates to major projects being undertaken at the Wastewater Treatment Plant (WWTP). All budgeted funds are balanced, utilizing current revenue sources or accumulated fund equity.

#### LONG-TERM FINANCIAL PLANNING

The Village Board is regularly updated on the financial status of the Village, both through monthly staff reports, and in other discussions. The Village has a history of sound planning and financial practices, as evidenced and re-affirmed by an excellent Aa3 credit rating from Moody's Investors Service.

The Capital Improvements Program (CIP) is the Village's comprehensive multi-year plan for the development of the Village's capital facilities, infrastructure and improvements. Capital projects include all vehicles, in addition to projects that cost more than \$10,000 over the life of the project. The plan outlines the capital projects that are expected to take place over the next three to five years and is designed to draw attention to capital improvements that will be made when and where they are needed. Each year, projects are reviewed for need and cost, and are incorporated in the annual budget to the extent that funds are available.

## **ANNUAL BUDGET**

The Village's first Comprehensive Plan was prepared by outside consultants and was adopted in 1972. The Comprehensive Plan is intended to guide the long-range development of the Village. A broad range of development related issues are discussed in the plan, including transportation, land use, and economic development. The general guidance provided by the plan is considered when new developments are proposed and when specific programs are considered for implementation by the Village. During 2019, the Village Board approved changes to the Future Land Use Map to recognize the impact of large Business Parks up and down the North Avenue corridor. Over time, it is expected that the policies in the plan may need to be adapted to meet changing conditions. Many of the policies of the plan are proposed with this need for flexibility in mind.

The Village of Glendale Heights has a strong focus on economic development, which continues to be one of the Village President and Village Board's highest priorities. Increased economic development improves property values, increases the tax base through property tax and sales tax, and lessens the tax burden on all property owners, as well as gives area residents more opportunities for employment and to shop and dine locally.

The Village has two main commercial corridors, Army Trail Road and North Avenue, as well as two additional corridors of Glen Ellyn Road and Bloomingdale Road. There has been significant development and redevelopment along these corridors and the Village is focused on continuing these efforts and improvements.

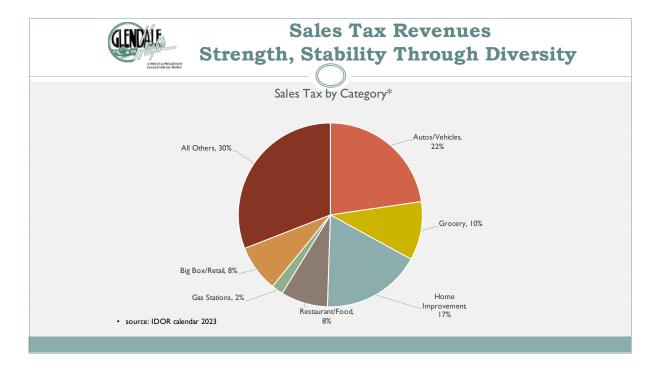

Annually, the Village revisits its strategic plan related to the Community Development Block Grant (CDBG) program. This plan guides the programs that the Village will undertake each year. In addition, the Village must prepare an Annual Action Plan that describes the actions to be taken in a specific program year. To ensure public participation, the Village issues public notices, holds a public hearing, and accepts public comment. The Village has been extremely successful in recent years in obtaining CDBG funding.

The Village also has in place several financial policy documents, covering areas such as, capital replacement, technology, debt issuance, cash management and investments, and budget development and adjustment. More information regarding these policies can be found in the Appendix of this document.

#### **REVIEW OF BUDGET YEAR 2023/24**

In the 2023/24 approved budget, the Village experienced a 19.9% increase in General Fund revenues along with a 32.7% increase in expenditures. These revenue and expenditure increases are the direct result of 3 funds (Recreation, Golf and Founders' Day) which were closed out and included as part of the General Fund. The Village's revenues have continued to remain stable, in spite of the effects of the Coronavirus pandemic, thanks to a diverse sales tax base.

#### 2023/24 ACTUAL RESULTS

General Fund revenues, which were budgeted at \$39,337,476, ended the fiscal year at \$39,803,592, or approximately \$466 thousand over budget, which is 1.2%. This excess was due almost all in part to investment income, as interest rates remained higher and for much longer than expected. Spending, as always, is monitored closely and because of this, actual General Fund expenditures came in at \$1.6 million under budget, as a few capital/maintenance projects were deferred, and from position vacancies in a few Village Departments.

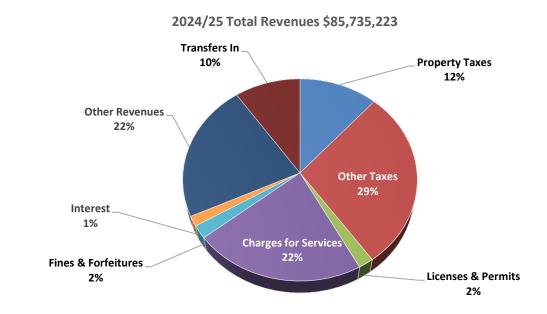

#### 2024/25 OPERATING BUDGET OVERVIEW

In the 2024/25 budget, the Village is anticipating a decrease of \$366,208 or 0.9% in net General Fund revenues from the 2023/24 budget and a \$1,850,063 decrease or 4.3% in net expenditures. The decline in revenues comes mostly from pessimistic outlook regarding interest rates. The expenditure decreases are due to a reduction in transfers to the Capital Projects Fund.

As is the case every year, departments are strongly encouraged to be vigilant in their use of the resources available, and are challenged to be innovative with methods of service delivery and cost savings/cost containment options.

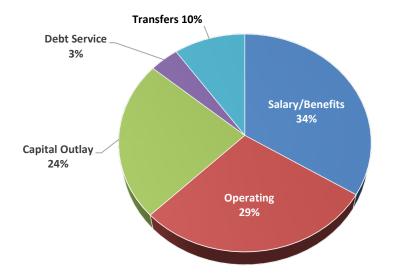

The chart below summarizes 2024/25 proposed budgeted revenues by source for all funds:

The expenditure budget, which includes inter-fund transfers and capital projects, for 2024/25 totals \$85,067,744. This represents a 13.5% decrease from the 2023/24 operating budget. The 2024/25 operating budget for all funds, including transfers and capital projects, shows revenues exceeding expenditures/expenses by \$667,479. The main reason for this is attributable to fewer capital project expenditures. The following chart summarizes the 2024/25 budgeted expenditures/expenses by object for all funds:

#### 2024/25 Total Operating Expenditures \$85,067,744

#### PROPERTY TAXES

After enduring eight consecutive years of decline in equalized assessed valuation (EAV), the Village in 2023 realized its eighth straight year of increase. The table below reflects EAV data from 2009 to 2023.

| EAV  | Bloomingdale  | Milton       | Total EAV     | Total Tax   |
|------|---------------|--------------|---------------|-------------|
| Year | Township      | Township     |               | Levy        |
| 2009 | \$777,264,498 | \$87,788,830 | \$865,053,328 | \$7,392,775 |
| 2010 | \$719,855,091 | \$84,612,200 | \$804,467,291 | \$7,124,848 |
| 2011 | \$628,692,838 | \$79,746,218 | \$708,439,056 | \$6,953,015 |
| 2012 | \$552,920,588 | \$71,111,172 | \$624,031,760 | \$7,019,803 |
| 2013 | \$503,062,830 | \$67,036,524 | \$570,099,354 | \$7,150,874 |
| 2014 | \$491,677,596 | \$58,715,660 | \$550,393,256 | \$7,570,245 |
| 2015 | \$489,182,429 | \$57,117,636 | \$546,300,065 | \$7,566,545 |
| 2016 | \$524,940,939 | \$59,301,202 | \$584,242,141 | \$7,566,000 |
| 2017 | \$561,198,861 | \$61,527,636 | \$622,726,497 | \$7,944,224 |
| 2018 | \$604,964,040 | \$66,427,785 | \$671,391,825 | \$7,944,224 |
| 2019 | \$678,698,446 | \$72,708,186 | \$751,406,632 | \$7,944,224 |
| 2020 | \$696,232,137 | \$74,653,687 | \$770,885,824 | \$7,944,224 |
| 2021 | \$712,560,494 | \$83,795,549 | \$796,356,043 | \$8,354,907 |
| 2022 | \$762,916,351 | \$87,356,310 | \$850,272,661 | \$8,354,907 |
| 2023 | \$844,325,188 | \$93,561,572 | \$937,886,760 | \$8,410,968 |

## **ANNUAL BUDGET**

For 2023, increases in the EAV were 10.7% and 7.1% for Bloomingdale and Milton Townships, respectively. Up until 2014, the Village's tax levy had remained at, or less than the levy in 2008. In 2018, the State of Illinois reduced the Local Government Distributive Fund (LGDF) by 5%. LGDF monies come from personal and corporate income taxes paid to the State, and are shared back with local governments based on population. A five percent reduction in the LGDF amounts to a \$283,655 negative impact on Village revenues expressed in current dollars. Additionally, the State continues to withhold 1.5% of monies from Home Rule Sales Tax and Excise Tax (otherwise known as Telecommunications Tax) and keeping those funds; calling it an Administrative Collection Fee. The impact of this fee takes away approximately \$120,000 from the Village.

For 2024, the Village did not impose an increase in the Property Tax levy, despite the potential threat of expenditure pressures.

A substantial portion of the property tax levy (22.0%) is for outstanding debt service. These amounts are all determined based on the amount of principal and interest payments that will be paid during the budget year. When bonds are issued, other revenue sources are sometimes dedicated to pay off the bonds. For example, bond issues for water and sewer infrastructure improvements are funded with water and sewer receipts. When there are other revenue sources dedicated to the bond issues, these amounts are abated from the property tax levy and the overall levy is then reduced. A total of 29.1% (\$752,550) of the total 2023 tax levy allocated to debt service (\$2,580,850) is being abated.

#### PERSONNEL

As part of a long-term strategic plan, the Village Board continues to support staffing levels throughout all Departments that match tasks and responsibilities with available funding resources. Some departments have undergone restructuring in the last few years; a more recent case of restructuring occurred at the beginning of the 2022 fiscal year, when the Recreation, Golf Course, Senior Center operations combined to form a new Leisure Services Department. Since 2007, the Village has decreased the full-time employment of the Village to 180 from 224, mainly through natural attrition. The trend in employee counts is shown in the table on the next page.

## **ANNUAL BUDGET**

\*source – Human Resources monthly staff reports.

Total personnel expenditures/expenses, which includes benefits, represents 54.0% of the total operating costs (excluding capital outlay, debt service and operating transfers) for all funds.

#### CAPITAL IMPROVEMENTS PROJECTS

Having completed in 2014 an aggressive bond and build program, which began in 2007, the Village has pivoted its attention towards utility infrastructure (water and sewer), and the Wastewater Treatment Facility, resulting in part from State imposed mandates involving Phosphorus reduction. In July 2022, the Village completed improvements at Camera Park, which is a 64-acre community park, and the largest in the Villages' park system. The Village also completed an addition/renovation project at the Linda Jackson Center for Senior Citizens. Funding for these projects came from State grants, along with matching funds from the Village.

#### SUMMARY

Over the last few years, the Village has enjoyed sustained growth, especially with respect to major revenues such as Sales and Home Rule Sales taxes, Real Estate Transfer Taxes, and Building Permits.

Several potential significant events will take place in the upcoming year that will put pressures on the financial resources of the Village. Among these are:

- Elimination of the Grocery Sales Tax
- Persistent Inflation
- Potential settlements resulting from ongoing litigation
- Increases in Medical Insurance premiums
- Union Negotiations
- Pension Obligations
- State imposed mandates regarding the reduction of phosphorous levels at the Waste Water Treatment Plant
- Continued Supply Chain Issues

Providing predictable, stable and high quality services to our residents and businesses continues to be our main focus. We believe this budget establishes a financial foundation for the Village Board to accomplish their goals. Our ongoing, combined efforts will ensure the Village of Glendale Heights can continue to provide the traditional high level of service to the residents and businesses of Glendale Heights.

#### PUBLIC HEARING AND NOTICE OF AVAILABILITY OF BUDGET

Copies of the tentative Appropriations Ordinance were made available for public inspection at least ten (10) days prior to the passage of the annual Appropriations Ordinance, and notice of this availability was published in a newspaper having general circulation within the Village. Not less than one week after publication the Appropriations Ordinance is available for public inspection and prior to final action on the budget, one public hearing was held on the tentative Appropriations Ordinance by the Board of Trustees. Notice of the public hearing was given at least one week prior to the time of the public hearing date.

#### AWARD

The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to the Village of Glendale Heights, Illinois for its annual budget for the fiscal year beginning May 1, 2023. In order to receive this award, a government unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communication device. This award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

#### ACKNOWLEDGMENTS

The Village's budget is the culmination of the time and hard work of many people. We would like to extend our sincere appreciation to the Village President and entire Board of Trustees, as well as all members of the Executive and Managerial Staff for their tireless dedication and assistance during the budget process.

Critically reviewing, assessing and adjusting policies and practices can be challenging. Nevertheless, if the community is to continue to progress and to remain financially stable, this process is necessary in order to achieve the goals as set forth by the Village Board.

Respectfully submitted,

Douglas R. Flint

Douglas R. Flint Acting Village Administrator

William A. Poling

William Poling Finance Director

PRESENTED TO

## Village of Glendale Heights Illinois

For the Fiscal Year Beginning

May 01, 2023

Christophen P. Morrill

**Executive Director** 

#### Strategic Planning

The Village of Glendale Heights commissioned the Center for Governmental Studies (CGS) at Northern Illinois University to conduct a multi-mode survey (online, mail, and telephone reminder calls) of residents. The purpose of the survey was to determine residents' opinions of living in the Village, Village provided services, and the areas the Village should focus their attention on in the next three years. The survey was conducted from April 18, 2022 to July 22, 2022. A total of 502 completed surveys was received.

#### Findings

#### Quality of Life in the Village of Glendale Heights

• More than two-thirds (67.0%) of residents rate the Village of Glendale Heights excellent (20.2%) or good (46.8%) as a place to live.

• The majority (69.7%) of respondents rate the ease of walking in the Village excellent (22.2%) or good (47.5%). More than one-half (56.7%) of respondents rate the ease of bicycling in the Village excellent (22.0%) or good (34.7%).

• More than one-half (56.0%) of respondents rate the overall appearance of the Village excellent (18.0%) or good (38.0%).

• Six out of ten (60.0%) respondents rate the variety of special events in the Village excellent (11.1%) or good (48.9%).

• The residents believe the three most important issues the Village of Glendale Heights faces are high taxes (37.8%), crime/safety (27.3%), and street maintenance/repair (17.3%).

#### Village of Glendale Heights Provided Services

An importance-satisfaction analysis was conducted. The ratings of importance and the ratings of satisfaction of the services provided by the Village were looked at together. The analysis provides information on how much emphasis the Village should place on each service. The seven services below are rated by respondents as high importance and low satisfaction and are identified as "improvement opportunity" areas.

- Neighborhood Street Maintenance and Repair
- Business Attraction and Retention
- Stormwater Management
- Property Maintenance Regulation
- Senior Citizens Programming and Services
- Recreation Programming
- Initiatives to Maintain the Environment

The four services below are rated by respondents as high importance and high satisfaction and are identified as areas to "keep up the good work".

- Sanitary Sewer Maintenance and Repair
- Water System Maintenance and Repair
- Police Services
- Garbage, Recycling and Yard Waste Pickup

|            | Rating the  | Excellent | Good  | Fair  | Poor  |
|------------|---|-----------|-------|-------|-------|
|            | Village as a Place<br>to Live                         | 20.2%     | 46.8% | 27.8% | 5.2%  |
|            | Rating the Ease<br>of Walking in the<br>Village       | 22.2%     | 47.5% | 20.0% | 10.3% |
| Quality of | Rating the Ease<br>of Bicycling in<br>the Village     | 22.0%     | 34.7% | 29.9% | 13.4% |
| Life       | Rating Overall<br>Appearance of<br>the Village        | 18.0%     | 38.0% | 38.4% | 5.6%  |
|            | Rating Variety of<br>Special Events in<br>the Village | 11.1%     | 48.9% | 28.3% | 11.7% |

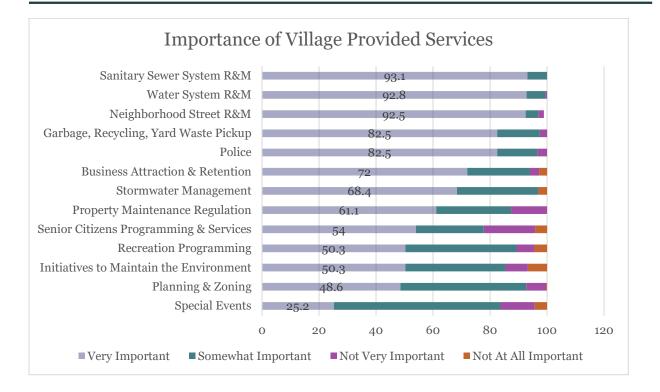

The respondents were then asked what the three most important issues the Village of Glendale Heights faces and what should be done to solve each issue.

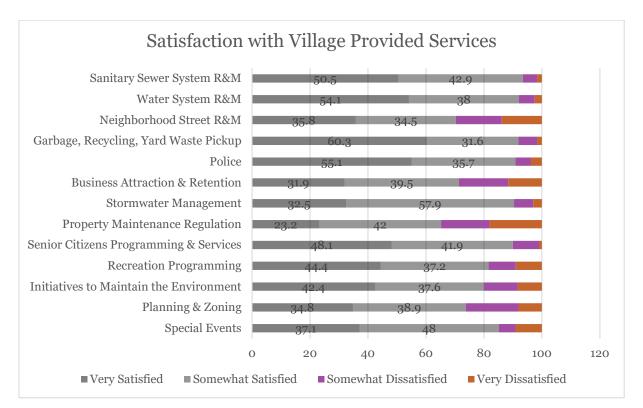

The respondents believe the three most important issues the Village of Glendale Heights faces are high taxes (37.8%), crime/safety (27.3%), and street maintenance/repair (17.3%)

| Issue              | Solutions                          |  |  |  |
|--------------------|------------------------------------|--|--|--|
| High Taxes         | Control Spending                   |  |  |  |
|                    | Attract more businesses            |  |  |  |
|                    | Find alternative revenue sources   |  |  |  |
|                    | (e.g., cannabis dispensary)        |  |  |  |
| Crime/Safety       | Hire more police                   |  |  |  |
|                    | Increase police presence           |  |  |  |
|                    | Add more security cameras          |  |  |  |
| Street             | Periodically inspect roads         |  |  |  |
| Maintenance/Repair | Repair roads as soon as they start |  |  |  |
|                    | to deteriorate                     |  |  |  |
|                    | Spend funds/money                  |  |  |  |

## ANNUAL BUDGET

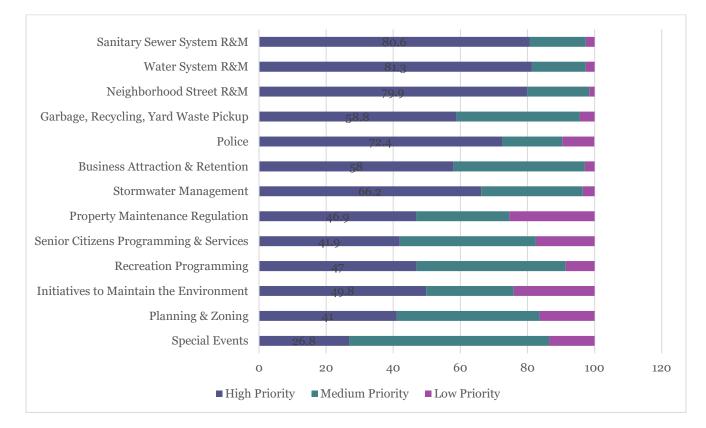

In the next three years, how much of a priority should the Village place on each of the following areas.

#### **Conclusions and Recommendations**

Most residents are satisfied with the Village of Glendale Heights as a place to live. The residents comment the Village services are good, it is it is safe, it is quiet/peaceful, and it is convenient.

The respondents believe the Village is doing a good job of providing the following services: sanitary sewer maintenance and repair, water system maintenance and repair, police, and garbage, recycling, yard waste pickup. However, according to the respondents, neighborhood street maintenance and repair, business attraction and retention, stormwater management, property maintenance regulation, senior citizens programming and services, recreation programming, and initiatives to maintain the environment need improvement. The Village government should focus on improving these areas.

The respondents think that the Village should place more effort on police services, street maintenance and repair and water system maintenance and repair in the next three years. The Village should focus on improving nuisance enforcement since this was rated low by residents.

The Village should focus on improving the following three aspects of street maintenance and repair since they are rated low by respondents: the surface conditions of neighborhood streets, conditions of street pavement and curbs in their neighborhoods, and conditions of sidewalks.

The majority of respondents think it is important to attract new businesses to the Village. The type of business respondents would most like to see the Village of Glendale Heights work to attract is a restaurant. The Village government should consider attracting this type of restaurant.

Most respondents who contacted the Village in the past 24 months were satisfied with the customer service they received. They believe the staff were knowledgeable and courteous, and that the staff responded in a timely manner. The Village government should continue to provide the current level of customer service.

The majority of respondents feel welcomed, included, and safe in the Village and are satisfied with the job the Village of Glendale Heights is doing in addressing diversity, equity, and inclusion. However, Hispanics are less likely than non-Hispanics to feel they belong. The Village should further study why Hispanics feel this way.

Most respondents are satisfied with the job the Village of Glendale Heights is doing in communicating to residents. The Village should continue to provide information using a variety of communication methods.

#### **Executive Summary**

Strategic planning is an effective way to identify and confirm an organization's vision for the future and set organizational purpose and direction by incorporating clear priorities and measurable goals. In October 2022, the Village of Glendale Heights ("the Village") engaged the Northern Illinois University Center for Governmental Studies ("NIU-CGS") to guide and facilitate the development of a strategic plan. The 2022 process involved broad stakeholder input including community focus groups, interviews, demographic analysis, and a community survey. These inputs were shared and considered prior to, and during, the Village's strategic planning workshop in the fall of 2022.

This report provides a summary of the process and presents the consensus strategic directions and goals for the Village. From April 2022 through October 2022, the NIU-CGS team collected stakeholder input that was shared with the Village Board at its strategic planning workshop in October 2022. These findings were used during the workshop to assist Village leadership in making informed decisions related to the Village's strategic vision, future services, and policies for the community. Ultimately, workshop participants created strategic goals focusing on where the Village wants to go as an organization and community in both the short and long term. As

was discussed and reviewed during the workshop, executive-level strategic planning sessions are a good staple for progressive organizations and are recommended to be done regularly.

#### Strategic Goals/Initiatives

After a series of environmental scanning discussions regarding the Village's visions for the future and an evaluation of the Village's current strengths, weaknesses, opportunities, and challenges, participants were asked to identify short- and long-term goals. After a list of goals was developed, participants were then asked to classify each goal according to a matrix model of time and complexity. Agreed upon criteria were used to classify a goal as short or long term and as complex or routine (please see full report for defined criteria).

After the strategic planning workshop, the Village's Board members were asked to identify, via an online ranking exercise, which goals should be given the highest priority. In total, the group developed six short term routine goals, eight short term complex goals, two long term routine goals, and nine long term complex goals. The top goals from each of these four categories are highlighted as a process "snapshot," representing the most important strategic goals or priority areas for the Board and staff to address in the months and years ahead.

Representative High-ranking Goals: 2022-23 Glendale Heights

Short Term Complex

- Expand and enhance economic development activities and strategies to attract sales tax generating businesses.
- Fully fund training for new staff and meet proper staffing levels.
- Develop 10-year road program to address needed maintenance and infrastructure requirements.

Short Term Routine

- Create and support a harmonious work environment that builds camaraderie.
- Create an organizational development program/identify training and staff development opportunities.
- Monitor, strengthen, and maintain the Village's financial stability; ensure stable finances by identifying new funding opportunities and diversifying revenue.

Long Term Routine\*

- Develop a community engagement and involvement program to invite/entice people of different generations to become leaders of the Village.
- Develop unique, different, diverse recreation activities and special events.

Long Term Complex

• Continue to work on plans and actions to develop a central business district.

- Continue investments in infrastructure improvements; follow-through/implement our long-term road repair/maintenance program.
- Advocate for the placement/construction of a dedicated high school campus within Village borders.

\*Only two long term routine goals were created.

#### Strategic Priority Areas

Ultimately, five key strategic priority areas were identified as an outcome of the entirety of the strategic planning process, and they highlight activities and initiatives that the Village should focus on in both the short and long term. The strategic priority areas identified as a result of the strategic planning process are illustrated below and defined in the full report. They include:

Fiscal Stewardship Organizational Development and Performance Communication, Engagement, and Governance Economic Growth and Community Development Infrastructure and Core Services

Data source: NIU Center for Governmental Studies

#### VILLAGE PROFILE

The Village of Glendale Heights is a home rule municipality under the Constitution of the State of Illinois (the "State"). On July 13, 1959, the court declared the Village of Glendale Heights organized, and the first election was held on August 2. Harold Reskin was the founding father and the first developer of the Village of Glendale Heights.

The Village is governed by a Village President and Board of Trustees. The Village President and Village Clerk are elected at large for four-year terms. Six trustees are elected by district and serve staggered four-year terms. Serving under the Village President is the appointed Village Administrator who directs the management of the Village and six appointed department directors, including the Assistant Village Administrator, Chief of Police, Public Works Director, Community Development Director, Leisure Services Director, and Finance Director. The Village

President also appoints consulting firms that serve as Village Attorney and Village Engineer. The Village provides a full range of services including police protection, public works, building permits, inspection and community development, recreation and social events, health, human

and senior services, water, sewer, and wastewater treatment, and other general government services.

Village employees are represented by five separate bargaining unit contracts. Patrol Officers and Sergeants of the Village's Police Department are represented by the Fraternal Order of Police ("FOP") in two separate bargaining units. The Village's public works, parks and facilities employees are represented by Teamsters Local 700 in two separate bargaining units. These contracts were all recently renewed through April 30, 2027. Clerical staff and certain other employees are represented by the American Federation of State, County and Municipal Employees, Local 3768 ("AFSCME") in one bargaining unit. This contract is current through April 30, 2025.

An annual budget is prepared by fund/department and is adopted by the Village Board thus providing the planning and operating tool that guides management's use of resources. The Village's FY 2025 budget anticipates total expenses of \$73,079,533, excluding the Police Pension fund and other financing uses. Anticipated revenues, excluding the Police Pension Fund and other financing sources total \$73,001,746. Fund balance unrestricted reserves of \$77,787 are expected to be used to meet the remaining portion of budgeted expenses.

The legal authority and limits for spending are derived from a separately adopted annual appropriations ordinance. The ordinance is predicated from the annual budget and is approved prior to the end of the first quarter of the fiscal year as provided in State Statute.

#### INFORMATION USEFUL IN ASSESSING THE VILLAGE'S ECONOMIC CONDITION

The information presented in the financial statements is perhaps best understood when it is considered from the broader perspective of the specific environment within which the Village operates.

#### Local Economy

The Village is in the Chicago metropolitan area and benefits from the regions' diverse economy which is the foundation of a community's fiscal health. Understanding the broader economy in which the Village operates is critical in assessing the financial condition and interpreting the financial position.

#### Major Initiatives and Accomplishments

• For the fiscal year that ended April 30, 2024, total assets grew by more than \$24 million from \$221 million to a total \$245 million, while total revenues increased to

\$66 million compared to the prior fiscal year, at \$58 million. The Villages' primary fund, which is the General Fund, reported a reserve balance of \$25 million. Reserves are a level of 9 month's equivalent expenditures, exceeding the Village's policy of 4 months and the level recommended by the Government Finance Officers Association (GFOA) of 2 months.

- A total of \$4.57 million in Federal American Rescue Plan Act (ARPA) funds have been provided to the Village. The Village Board has pledged 100% of this money for water, sewer and wastewater Treatment infrastructure needs, which is one of the eligible uses for these funds.
- Residents will be pleased to know that for the second consecutive year, the 2023 Village Tax Levy contains no increase from the prior year. Overall, the Village's share of property taxes amounts to slightly more than 10% of the overall property tax burden.
- Looking ahead to 2024, the Finance Department expects to roll out a suite of totally new financial management software applications. Among the upgrades will be a new utility billing module which will greatly improve the customer experience, enabling residents to see their water consumption, set usage alerts, and introduce more present-day payment acceptance options. We are quite excited about these enhancements, which will likely launch in the 1st quarter of 2025.
- The Glendale Heights Police Department continues to maintain the Commission on Accreditation of Law Enforcement Agencies (CALEA) Accreditation, having earned their first accreditation in 2008 and was most recently re-accredited for the sixth time in 2022. CALEA Accreditation serves as the Gold Standard for Public Safety Agencies. The police department is one of about 800 law enforcement agencies in the country who earned CALEA Accreditation status. CALEA standards are rigorous, and ensure the

department is following best practices in law enforcement. Part of the CALEA standards require the police department to review each incident in which force is used ensuring that officers are using the appropriate response for the situation and within legal parameters. CALEA standards also ensure citizen complaints are investigated thoroughly and timely. In October 2022, CALEA assessors performed a remote compliance review of the police department standards. The police department met all CALEA mandated standards and was found to be in full compliance with all the CALEA requirements.

- Officers have doubled the amount of foot patrols this year as compared to last year. With over 2,000-foot patrols, officers enhanced community relationships and interactions, strengthening community policing efforts. This year the police department deployed an additional 17 Flock license plate reader camera systems throughout the community to detect and capture evidence, input hot alerts for investigative leads, and receive real time alerts on vehicles related to criminal actions. The police department now has 27 Flock cameras deployed throughout the community.
- The police department also introduced a Bloodhound unit to better serve the community, thanks to local Cannabis Dispensary Ivy Hall. This Bloodhound unit will be utilized to track criminal suspects, persons with dementia, along with locating missing and runaway children.
- Major change in the Community Development Department took place in 2023, impacting all of the functions of the Department, through the implementation of new Enterprise Resource Planning software called Cloudpermit. Cloudpermit will allow the department to bring all departmental activities in a fully-online and digitized environment. This will allow staff to retrieve information faster, resulting in improved workflow times and reduced expenditures for operational resources. Cloudpermit is expected to be fully operational late 2024.
- The Village has committed to increasing sidewalk improvements by nearly doubling budget funding. With the increased funding, six streets were improved through the contracted Sidewalk Removal and Replacement Program with over 20,000 square feet of damaged or hazardous sidewalks being replaced.
- In 2023 the Recreation Division added Movies and Concerts in the Park to the special event offerings. The Summer Concert Series was a huge success with a variety of music offered all summer long. The Department looks forward to bringing back the Concert in the Park series in 2024.
- The gym floor at the Sports Hub was refinished in the fall of 2023. Included with the refinishing were the addition of lines for both basketball and pickleball. The Hub offers pickleball on weekdays.
- In the fall of 2023, the turf field project began at Camera Park. This field change will convert the Camera lighted soccer field to artificial turf. This field will assure that

recreation participants and public members can have a field that is playable in all weather conditions with minimal wear. This project is expected to be completed in late fall of 2024.

• In addition to the turf soccer field, infield work was completed at both the Nazos Park baseball diamonds. Regrading, replacing material and improving the fence areas of each of these ball diamonds should offer players at Nazos Park quality baseball diamonds for many years to come.

The Village's industrial and commercial districts are the foundation of its fiscal health because State shared sales tax revenue is one of the Village's largest sources of revenue. Businesses located throughout the community include a wide variety of food stores, restaurants, merchandise, and professional services for residents, as well as neighbors in nearby towns. There is over one million square feet of retail space located primarily in twenty-one shopping centers in the Village, plus some large standalone retailers such as Target, Home Depot, Menards, and four large automobile dealerships.

#### **COMMUNITY RESOURCES**

Elementary education is primarily provided by Marquardt School District 15 and Queen Bee School District 16. Secondary education is provided by Glenbard High School District 87.

The Village is served by the Glenside Public Library District. The Library operates a central facility that serves a population of over 34,000 residents in Glendale Heights and Glen Ellyn Countryside.

Fire protection and ambulance services are provided by the Glenside Fire Protection District, Bloomingdale Fire Protection District, and Carol Stream Fire Protection District, all of which are separate units of government.

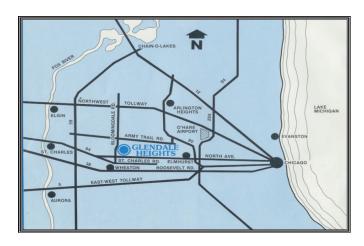

#### LOCATION

One of Glendale Heights' key assets is its location on the regional highway network. The Village is easily accessible via Interstate 290 (Eisenhower Expressway), located less than two miles to the north and east of the Village, and Interstate 355 (North-South Toll Way), located less than one mile to the east of the Village. State Route 64 (North Avenue) crosses the southern section of the Village and State Route 20 (Lake Street) is located just to the north of the Village. O'Hare International Airport is approximately 15 miles northeast of the Village. The Village has nine business parks totaling 465 acres predominately located along the Chicago Central and Pacific Railroad corridor.

## ANNUAL BUDGET

The Village of Glendale Heights is located approximately 40 miles northwest of the City of Chicago, in DuPage County. One of Glendale Heights' key assets is its location on the regional highway network. The Village is easily accessible via Interstate 290 (Eisenhower Expressway), located less than two miles to the north and east of the Village, and Interstate 355 (North-South Toll Way), located less than one mile to the east of the Village. State Route 64 (North Avenue) crosses the southern section of the Village and State Route 20 (Lake Street) is located just to the north of the Village. O'Hare International Airport is approximately 15 miles northeast of the Village. The Village has nine business parks totaling 465 acres predominately located along the Chicago Central and Pacific Railroad corridor. The total incorporated land area is approximately six (6) square miles, with a total of twenty-two (22) parks that make up the total of three hundred and two (302) acres of zoned parks or forest preserves.

### HISTORY

Until 1958 the area that is now Glendale Heights was largely rural with the exception of small pockets of subdivisions, on the east side of Bloomingdale Road, north of North Avenue, Glen Ellyn Countryside had been subdivided in 1951. During 1958, Midland Enterprises, operated by Charles and Harold Reskin, bought two farms on Glen Ellyn Road, north of North Avenue. The first houses were built that year on Glen Ellyn Road and Larry Lane near Fullerton Avenue.

By early summer of 1959 with a population of 104, a petition to incorporate was circulated and filed on June 16, 1959. On July 13, 1959 the court declared the Village organized and the first election was held on August 2, 1959. The first meeting of the Village board was September 1, 1959 at the home of the newly elected Village President Anthony Larry. Though incorporated as Glendale, the name was changed to Glendale Heights in March 1960 because of a conflict with another Glendale in southern Illinois. The name chosen as "Glendale" is appropriate, as it reflects a close geographic identity with two neighbors, Glen Ellyn to the south and Bloomingdale to the north. "Heights" describes the unique topography of the Village as it rests on two distinct elevations with a 100-foot variation.

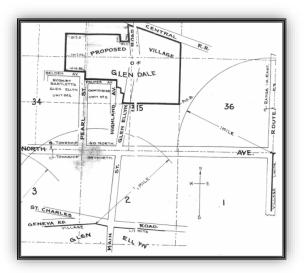

Today, Glendale Heights is a mature residential suburban community. Over the years, the Village has experienced welcomed and significant growth, both in population and within the business community. Its landscape is dotted with ranch

homes, split levels, apartments, condominiums, shopping centers, churches, industrial business parks, beautiful community and neighborhood parks, modern service facilities and two excellent elementary school systems.

The Village has seen continuous investment and reinvestment in the community with many areas being upgraded and repurposed, including the addition of DuPage Dodge, Popeye's, Burger King, Army Trail Road Shell, Panda Express, Starbucks, Dunkin Donuts, Crumbl Cookies and

the development of several outlots in front of existing shopping centers to maximize retail potential. The modern business and industrial parks offer opportunities for a variety of business tenants and the Village is proud of its ongoing partnership with UChicago Medicine Advent Health GlenOaks, which has continued to upgrade its facilities to provide cutting edge care to its patients. The Village has an aggressive road repair program and makes ongoing improvements to the Village owned park system and Glendale Lakes Golf Club. With the consistent public and private investment over the years, the Village of Glendale Heights remains an attractive and vibrant community.

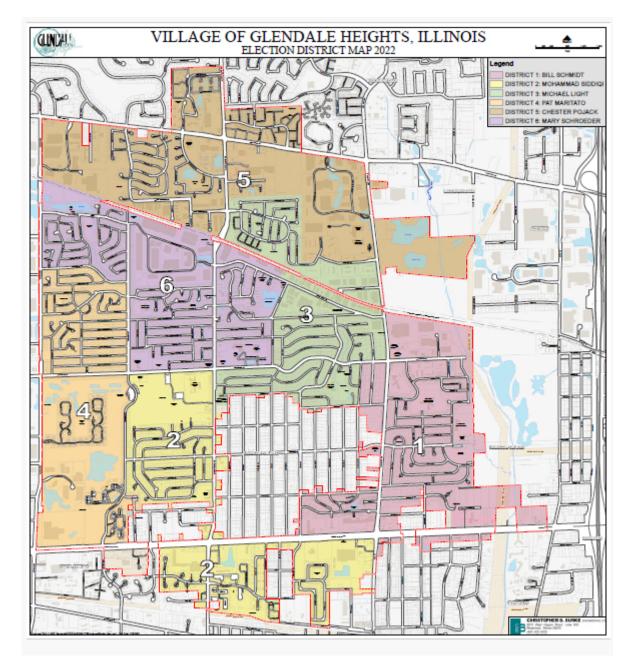

The current official population of the Village is 33,176 as of the 2020 census. The Village of Glendale Heights is dedicated to maintaining its progressive atmosphere, while offering its residents superior community amenities and services that respect the concerns of residents, while striving to provide a safe, viable community in which to live.

COMMUNITY ECONOMIC PROFILE

Over 18,341 people are employed by the more than 484 businesses operating in Glendale Heights. The employees are drawn from a pool of 2.8 million workers who reside within a 60-minute commute of the Village. As the nation now sees the benefit of low unemployment rates, the State of Illinois and Village mimic similar trends due to a healthier economy.

| Construction, Extraction and Maintenance       | 1,409       | 8.22%  | 7.70%    | 8.85%  |
| Farming, Fishing and Forestry                  | 9           | 0.05%  | 0.20%    | 0.51%  |

In addition to promoting economic development activity, the Community Development Department also monitors existing property in the Village to help protect and improve property values, as well as the safety of its residents. Staff identifies property maintenance violations; licenses and inspects rental property; conducts real estate transfer inspections; responds to resident complaints; acts as the liaison to the Plan Commission and Property Enhancement

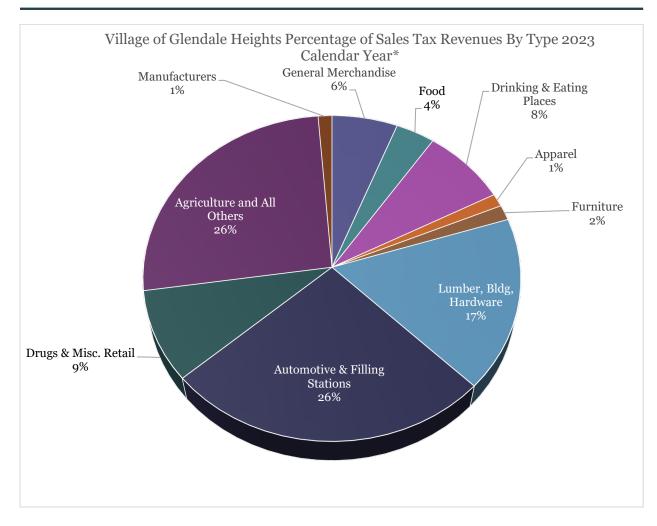

Committee; processes business licenses, video gaming licenses and entertainment permits; ensures compliance with stormwater management requirements, and conducts a variety of other duties.

It is essential for the Village to be interactive with local businesses, both existing and potential, in order to remain an exceptional place to live for residents. It is also important because a large portion of the Village's revenue stream is derived from taxes. These taxes are crucial to the Village's operating budget in order to provide exceptional services to residents. The following chart reflects the current tax rates of those doing business within the Village.

| Retail, Sales Tax             | State                   | 6.25%           |
|-------------------------------|-------------------------|-----------------|

#### THE BUDGET PROCESS

The Village operates under an annual budget spanning one fiscal year, May 1<sup>st</sup> through April 30<sup>th</sup>. This document contains the Annual Operating and Capital Budget for the fiscal year 2024/25. The budget is a policy document that requires action and adoption by the Village Board.

The budget process for the Village of Glendale Heights involves its citizens, the Village President, Trustees, Village Administrator, members of the Executive Staff, supervisors and many others throughout the organization. Each person plays a critical role in the development of the budget for the upcoming year. Although much of the time and effort in preparing the budget takes place during the months of January through March, the development, implementation, monitoring and review of the Village's budget is part of a comprehensive process that occurs throughout the entire year.

The goal each year of the Executive/Managerial Staff is to present a balanced budget to the Village Board for review and adoption. A balanced budget is a budget in which revenues meet or exceed expenditures and cash reserves or fund balance is not considered a revenue source. The Village made strategic drawdowns of cash reserves or fund balance for fulfilling level debt service commitments made in conjunction with bonded debt incurred in 2009 and 2010, and also for selective capital/infrastructure projects. As of FY2024, this was no longer necessary, as portions of debt service were paid off.

The Village's annual budget is prepared on a May 1 through April 30 fiscal year basis. During the first 5-6 months of the fiscal year, the Finance Department initiates a process of monitoring the Village's revenues and expenditures and discussing and identifying any significant variances with each Department. The Village's current budgetary control is established at the Department/Division level and a budget is adopted for every fund. Total expenditures may not exceed the total amount appropriated for each fund unless a budget amendment is approved by the Village Board.

#### **BUDGET PREPARATION**

Preparation of the annual budget typically begins in January. The Finance Director provides each department with budget worksheets, an economic outlook, preliminary budget estimates and specific directives for developing their budgets. Each department then prepares a budget for each segment under that department's scope of responsibility. Budgets are required to be completed and entered into the Village's budget system by the mid to late February.

The preliminary request budget is prepared by the Finance Department for review by Village Administration and all members of the Executive Staff. Included in the request budget are revenue projections for each Fund which are used for controlling requested expenditures. It is the goal of the Village Administrator and Executive Staff to present a balanced recommended budget to the Village Board. Any new programs or modification requests (expenditures not

previously included in the current fiscal year budget) submitted by each department are discussed with the Village Administrator and Executive Staff. If approved, those modification requests are added to the requested budget. In addition, the Village Administrator holds individual meetings with Department Heads and additional changes may be made to the requested budget based on available financial resources. A recommended budget is then prepared, incorporating all of the above changes, and sent to all members of the Village Board, Executive Staff, and other key persons. A Special Village Board meeting is then conducted to review and discuss the recommended budget and discuss any budgetary issues. This meeting is open to the Public. A formal Public Hearing on the Appropriations Ordinance is held once the recommended budget has been accepted by the Village Board.

#### AMENDING THE BUDGET

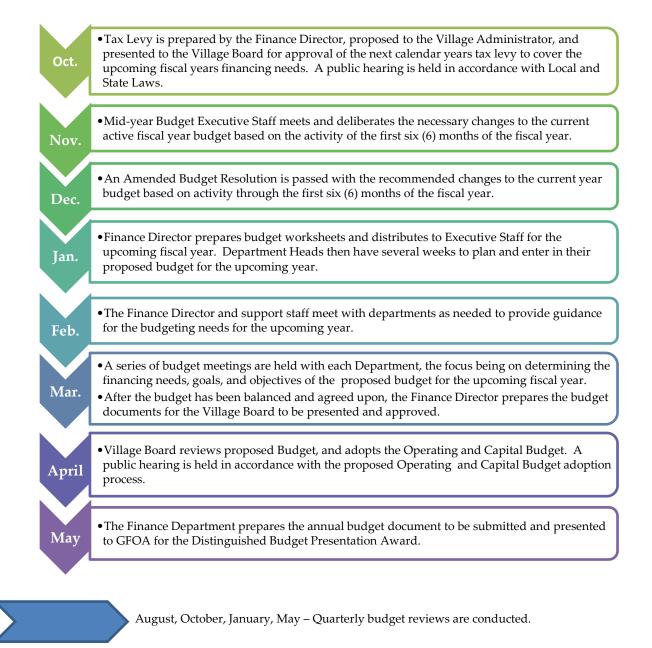

From the onset of the pandemic in the first quarter of 2020, Village Administration and the entire Board of Trustees believed it both necessary and prudent to review and modify as needed, budget estimates on a quarterly basis. This allows the Village to stay ahead of and be more responsive to significant swings in either revenues or expenditures. If necessary, the annual budget may be amended by Department Heads during the year through the use of Budget Transfer Requests, which allow for funds to be re-directed within certain parameters. Budget transfers within a Department/Division are authorized by the Village Administrator.

Additionally, the annual budget may be amended formally by the Village Board during the year; usually after six months. Revenues or expenditures may be increased or decreased for a particular fund. These budget amendments are usually necessary if anticipated expenditures are predicted to exceed the total amount budgeted at the fund level due to changing priorities or unexpected occurrences.

#### THE BUDGET PROCESS

#### CALENDAR OF EVENTS

## FUND STRUCTURE

The Village uses funds to report its current financial position and the results of its operations. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain governmental functions of activities. A *fund* is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Village, like other state and local Governments, uses fund accounting to demonstrate compliance with finance-related legal requirements. All of the funds of the Village can be divided into three categories: governmental funds, proprietary funds and fiduciary funds. All fund types with the exception of fiduciary funds are included in annual appropriations.

#### GOVERNMENTAL FUNDS

Governmental funds are used to account for all or most of a government's general activities, including the collection and disbursement of earmarked monies (special revenue funds), the acquisition or construction of general capital assets (capital projects funds), and the servicing of general long-term debt (debt service funds). The General Fund is used to account for all activities of the general government not accounted for in another fund. Governmental funds focus on near-term inflows and outflows of spendable resources, as well as balances of spendable resources available at the end of the fiscal year. The Village maintains 33 individual governmental funds.

#### PROPRIETARY FUNDS

Proprietary funds are used to account for activities similar to those found in the private sector, where determination of net income is necessary or useful for sound financial administration. Goods or services from such activities can be provided either to outside parties (enterprise funds) or to other departments or agencies primarily within the government (internal service funds). The Village uses enterprise funds to account for its water and sewer system fiscal operations. The internal service funds are used to account for the costs of property and casualty insurance, and workers' compensation insurance.

#### FIDUCIARY FUNDS

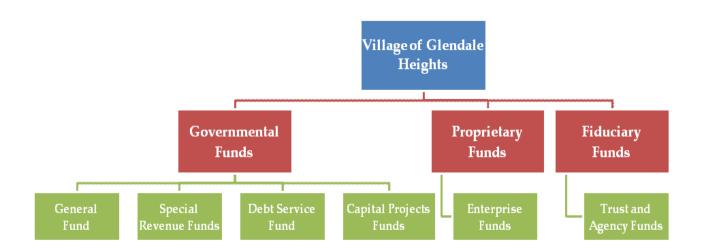

Fiduciary funds are used to account for assets held on behalf of outside parties, including other governments, or on behalf of other funds within the government. The Village maintains one fiduciary fund, that being the police pension trust fund. Agency funds are generally used to account for assets that the Village holds in a fiduciary capacity or on behalf of others as their agent. The Village maintains one agency fund, that being the DUMEG Fund. Since agency funds do not include any revenue or expense accounts, although reported within the Village's annual financial report, they are not included within this document.

#### **BUDGETING BASIS**

The Village budgets for governmental funds based on the modified accrual basis of accounting. The basis of budgeting is identical to the basis of accounting. Under this method, revenues (income) are recognized in the period they become measureable and available to finance expenditures of the period and expenditures (expenses) are recorded when incurred with the exception of principal and interest on long term debt, which are recorded when due. The budgets for all proprietary funds, which include Enterprise Funds and Internal Service Funds, are prepared using the accrual basis of accounting, with exceptions listed below. Under this method, revenues are recorded when earned and expenses are recorded at the time liabilities are incurred.

#### PRIMARY GOVERNMENT

## **GOVERNMENTAL FUNDS**

#### **GENERAL FUND**

The General Fund accounts for resources traditionally associated with the Village's operations which are not required legally or by sound financial management to be accounted for in another Fund. The Village's General Fund is divided into the following functional areas:

LEGISLATIVE

BOARD, CLERK, ADVISORY Village Board Village Clerk Committees & Commissions

ADMINISTRATION Village Administration Human Resources Public Relations Central Services Information Systems

POLICE DEPARTMENT Police Administration Patrol Investigations Support Services Community Oriented Police FINANCE DEPARTMENT Administration Purchasing Utility Billing

COMMUNITY DEVELOPMENT Administration Inspection Services

PUBLIC WORKS Administration Engineering Streets Fleet Maintenance Utilities

LEISURE SERVICES Parks, Grounds & Facilities Recreation Human and Senior Services Golf Course

#### SPECIAL REVENUE FUNDS

Special Revenue Funds are used to account for specific revenues that are legally restricted to expenditure for particular purposes.

#### LEISURE SERVICES FUND

The Leisure Services fund was formed in FY 2023 and includes Special Events, Recreation, Golf, Senior Center and Parks, Grounds and Facilities functions.

#### EMERGENCY SERVICES AND DISASTER AGENCY (ESDA) FUND

This program's responsibilities are associated with emergency procedures including planning for emergencies that surpass the normal capabilities of operating departments and coordination of local and outside resources in an emergency such as tornadoes, flooding, power outages and other natural or man-made disasters. Funding is provided by a property tax levy. The unit is comprised of a paid part-time coordinator and volunteer members.

#### HANDICAP RECREATION FUND

The fund is used to pay the Village's proportional share in the Northeast DuPage Special Recreational Association (NEDSRA). NEDSRA provides recreational programs for those children and adults not able to participate in conventional recreation programs and activities due to physical reasons. Funding is provided by a property tax levy.

#### MOTOR FUEL TAX FUND

This fund is established to account for the maintenance, improvement and replacement of the Village's streets and roadways. Financing is provided by the Village's share of state gasoline taxes and other shared taxes. The state law requires these gasoline taxes be used for the maintenance of streets and roadways. The Village of Glendale Heights has established a policy which limits the use of these funds to the purchase of commodities and contractual services to facilitate the annual Road Improvement Program.

#### INFRASTRUCTURE FUND

This fund is established to account for the maintenance, improvement and replacement of the Village's streets, infrastructure and roadways. Financing is provided by a portion of the Village's share of Home Rule and Road and Bridge taxes, and from a local Gas Tax. The Village of Glendale Heights has established a policy which limits the use of these funds to the purchase of commodities and contractual services to facilitate the annual Road Improvement Program, and Stormwater Management type projects.

#### FOUNDERS' DAY FUND

This fund is established to account for revenues and expenditures for the Village's annual summer festival activities. It is coordinated by the Founders' Day Committee. The summer festival activities include four days of celebration to correspond with the Village's anniversary.

#### PARK DEVELOPMENT FUND

This fund is used to account for Developers' contributions and other revenues pledged for future Parks and Recreation Improvement Programs and facilities.

#### ARTICLE - 36 SEIZURE FUND

The State of Illinois Laws under Article-36 authorizes and directs the Police Department to seize vehicles and properties determined to be improperly used, in such cases as Driving While Intoxicated, Illegal Drug Use or Distribution or other illegal activities. This Fund is established to record and control activities related to such seizures.

#### ILLINOIS MUNICIPAL RETIREMENT (I.M.R.F.) FUND

The IMRF Fund is established to maintain segregated accounts for the recording of transactions related to levied and IMRF funds.

#### TAX INCREMENTAL FINANCING (TIF) DISTRICT FUNDS

The Village currently has six (6) active T.I.F. districts. Special tax regulations permit the designation of tax receipts to be utilized for the benefit of improvement and rejuvenation of the district, utilizing among other things, incentives to investors.

#### SPECIAL SERVICE AREA (SSA) FUNDS

Special Service Areas are for the purpose of segregating record keeping and tax levies for industrial areas one (1) thru eight (8). The levies and expenses are associated with the road maintenance cost in the area.

#### **DEBT SERVICE FUND**

The Debt Service Fund is established to account for the accumulation of resources for the payment of general long term debts, principal, interest and related costs. Financing is provided by an annual Property Tax Levy and operating transfers from other funds.

#### CAPITAL PROJECT FUNDS

Capital Projects Funds are used to account for the acquisition and construction of major capital facilities other than those financed by proprietary funds and trust funds.

#### COMPUTER REPLACEMENT FUND

The Computer Replacement Fund is a Capital Reserve Fund and as such is designed to build a reserve of funds for the future purchase of hardware and related software by all Village departments. Revenues in this fund come from transfers from all departments with computers. Expenses in this fund are the actual purchase of hardware and software by the Village.

#### CAPITAL PROJECTS FUND

The Capital Projects Fund was created to account for the cost associated with various capital improvements throughout the Village. It is funded by Grants, operating transfers from other funds, and bond proceeds.

## **PROPRIETARY FUNDS**

#### ENTERPRISE FUNDS

Enterprise Funds are used to account for operations that are financed in a manner similar to private business enterprises. The intent of the Village Board is that the cost of providing these services is to be financed or recovered through user charges.

#### ENVIRONMENTAL SERVICES

The Village of Glendale Heights Environmental Services fund was established to account for the provision of Water, Sewer, and Wastewater Treatment Services to the residents and businesses of the Village of Glendale Heights. All activities necessary to provide such services are accounted for in this fund including, but not limited to, Administration, Operations, and Maintenance, Financing and related Debt Service, Billing and Collection.

The Enterprise Services Fund supports the following Departments and Divisions:

Public Works Administration Water Division Sewer Division Waste Water Treatment Plant Water Billing Division Fleets

## FIDUCIARY FUNDS

#### TRUST AND AGENCY FUNDS

Trust funds are used to account for assets held by the Village in a trustee capacity.

#### POLICE PENSION FUND

The Police Pension Fund accounts for the accumulation of resources to be used for retirement annuity payments for the participants. Resources are contributed by police employees at a rate fixed by law and by the Village based on an actuarial analysis.

Custodial Funds provide both opportunity and money. Custodial funds are used to record and report funds collected at an individual level.

DUMEG FUND

### **MAJOR FUNDS**

Major funds are defined by the Village as those that are greater than or equal to 10% of the total funding for the fiscal year. For the 2024/25 budget year, the major funds are the General Fund and the Environmental Services Fund.

#### **GENERAL FUND**

The General Fund is the general operating fund of the Village. It accounts for all services that are not specifically accounted for in other funds, including police, public works, parks, community development services and general administration activities. The General Fund includes total revenues (excluding transfers in) of \$36,505,725, which makes up 47.2% of the Village's total revenue (excluding transfers in). Compared to the 2023/24 budget, the General Fund revenue shows a 5.4% increase.

The General Fund expenditure budget, excluding transfers, is \$30,200,232, which is an increase of 4.4% compared to the 2023/24 budget. If all transfers to debt service and capital project funds are included, the budget reflects a 1.7% decrease of expenditures compared to 2023/24.

#### **ENVIRONMENTAL SERVICES FUND**

The Village's Environmental Services Fund is an enterprise fund used to account for revenues and expenses of the Village's water and sanitary sewer system. Total revenue for this fund for FY 2024/25 is \$26,485,225, which makes up 30.9% of the Village's total revenue. If all costs are included, such as transfers and other non-operating expenses, the fund will experience a net increase in net position earnings of \$87,885. This increase is attributed to the timing of planned capital improvements to be completed in FY 2023/24, including a Phosphorus Removal Upgrade project and Water Supply Facilities Rehabilitation project.

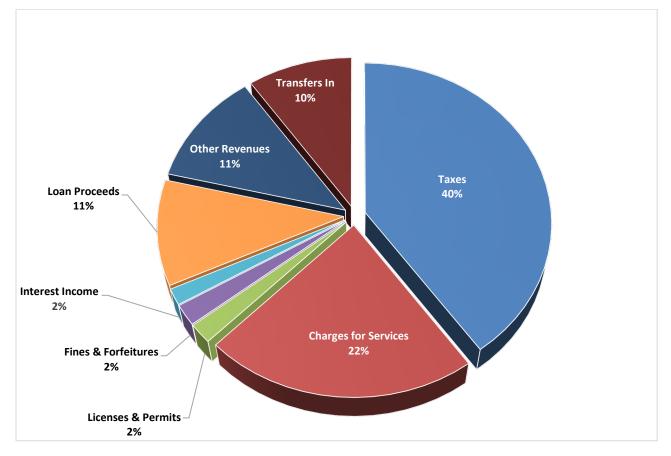

In an effort to provide further information on the function or division relationship to each Fund, the table below has been developed.

| Function/Division           | Fund Type |                    |         |                 |                     |            |
|-----------------------------|-----------|--------------------|---------|-----------------|---------------------|------------|
|                             | General   | Special<br>Revenue | Capital | Debt<br>Service | Internal<br>Service | Enterprise |
| Legislative                 | X         |                    |         |                 |                     |            |
| Administration              | Х         |                    |         |                 | x                   | x          |
| Human Resources             | Х         |                    |         |                 |                     |            |
| Public Affairs              | Х         |                    |         |                 |                     |            |
| Senior Services             | X         |                    |         |                 |                     |            |
| Central Services            | X         | X                  |         |                 |                     | X          |
| Law Enforcement             | X         | X                  |         |                 |                     |            |
| Finance                     | X         |                    |         |                 |                     |            |
| Community Development       | X         |                    |         |                 |                     |            |

| Public Works                | Х         |                    |         |                 |                     | X          |
| Engineering                 | Х         |                    |         |                 |                     |            |
| Streets                     | Х         |                    |         |                 |                     |            |
| Fleets                      | Х         |                    |         |                 |                     | X          |
| Parks and Grounds           | X         |                    |         |                 |                     |            |
| Facilities                  | X         | X                  |         |                 |                     |            |
| Information Services        | X         |                    | X       |                 |                     |            |
| Recreation                  |           | X                  | X       |                 |                     |            |
| Programming                 |           | X                  |         |                 |                     |            |
| Preschool/Aquatics/Day Camp |           | X                  |         |                 |                     |            |
| Water/Sewer/WWTP            |           |                    |         |                 |                     | x          |
| Water Billing               |           |                    |         |                 |                     | x          |
| Golf                        |           | X                  |         |                 |                     |            |
| Restaurant/Banquets         |           | x                  |         |                 |                     |            |

## MAJOR REVENUE SOURCES

Major revenue sources comprise more than 62% of the total revenue as adopted in the fiscal year 2024/25 Operating Budget. Although the Village has a diverse revenue stream, the Coronavirus Pandemic impacted overall revenues started in the first calendar quarter of 2020. The Village began to see some signs of improvement beginning in the third quarter of 2020, which continued through FY 2023. It is estimated that Fiscal Year 2024 will end on a strong note financially.

The Village's largest class of revenue for the 2024/25 fiscal year is tax revenue followed by charges for services revenue. It is important to note that major revenues are not always consistent year after year and the graph below reflects all classes of revenue in fiscal year 2024/25.

## Total Revenues FY 2024/2025 \$85,735,223

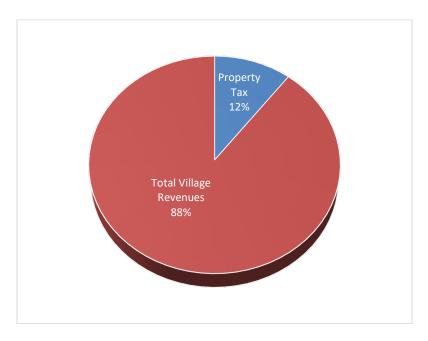

# MAJOR REVENUE SOURCES TAXES - PROPERTY TAX\*

| Levy | Taxes       | Amount      |
|------|-------------|-------------|
| Year | Levied      | Collected   |
| 2012 | \$7,093,993 | \$6,844,513 |
| 2013 | \$7,226,009 | \$7,178,401 |
| 2014 | \$7,649,916 | \$7,598,241 |
| 2015 | \$7,645,469 | \$7,618,620 |
| 2016 | \$7,645,393 | \$7,626,296 |
| 2017 | \$8,027,567 | \$8,016,021 |
| 2018 | \$8,027,161 | \$8,003,367 |
| 2019 | \$8,025,774 | \$8,013,433 |
| 2020 | \$8,025,692 | \$8,017,653 |
| 2021 | \$8,376,869 | \$8,370,115 |
| 2022 | \$8,385,389 | \$8,362,279 |
| 2023 | \$8,410,968 |             |

# Property Tax to Total Village Revenue 2024/25 Budget

Property tax is the Village's second largest revenue source and comprises 11.6% of the total budgeted revenue for 2024/25. Property tax is a value-based tax imposed on real estate property, where the township assessor's offices value residential, commercial and industrial properties.

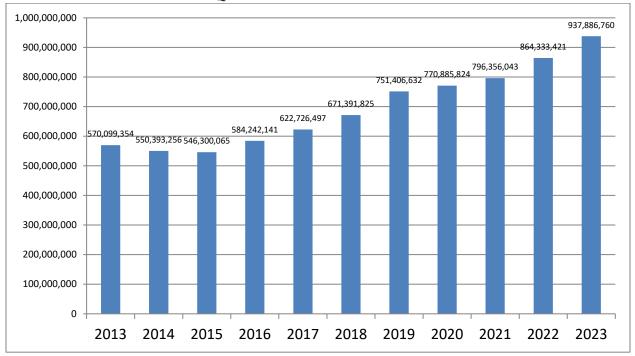

property tax for the General Fund, Leisure Services Fund, Emergency Services and Disaster Agency (ESDA) Fund, Handicap Recreation Fund, Illinois Municipal Retirement Fund (IMRF), Special Service Area (SSA) Funds, Tax Incremental Financing (TIF) Funds, Police Pension Fund, Insurance Fund and Debt Service Fund. Property taxes for 2023, which will be paid in 2024, attach as an enforceable lien on January 1, 2024 on properties assessed as of the same date. Taxes are levied on a calendar year basis by the last Tuesday of December. Tax bills are prepared and mailed by DuPage County on or around the end of April every year. Counties are responsible for collecting property taxes and remitting them periodically to the Village. The Village will receive 2023 property taxes in FY 2025.

The General Fund levy is determined by first taking into account the expected change in equalized assessed valuation (EAV) of Village property. If the EAV is expected to increase, an increase in the levy can occur without increasing the resulting property tax rate. There are many

unknown factors when this process occurs, such as DuPage County's equalization factor and the actual EAV, so projecting an exact property tax rate cannot occur. However, the Village strives for a close estimate. With the economic impact of the housing market crash in the beginning of 2007, the EAV declined for eight straight years, resulting in a gradual increase in the property tax rate. Since 2009, the Village has taken measures to reduce its tax levy, as a way to partially mitigate the increasing tax rate. In 2016, the tax levy was increased primarily to restore self-insurance fund reserves, while in 2017, the levy was increased by about 5%, to make up state-shared revenues which were being reduced. The most recent increase to the tax levy occurred in 2021. Overall however, the tax levy is only 11% higher than it was in 2008.

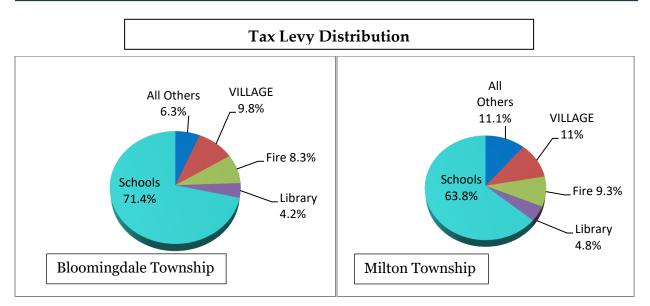

#### EQUALIZED ASSESSED VALUES

The Police Pension fund levy is actuarially determined. Other revenues that go toward funding the pension funds then reduce these amounts.

Another part of the property tax levy is for the Village's outstanding debt service. These amounts are all determined based on the amount of principal and interest payments that will be paid during the budget year. When bonds are issued, other revenue sources are sometimes dedicated to pay off the bonds. For example, bond issues for the water and sewer improvements are funded in part with revenues from the Environmental Fund. When there are other revenue sources dedicated to the bond issues, these amounts are abated from the property tax levy and the levy is reduced.

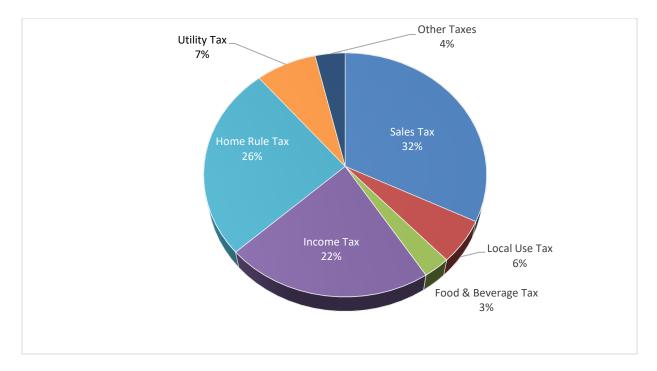

On average, 10.1% of a resident's property tax bill comes to the Village, while the remaining percentage goes to other taxing districts with schools getting the highest percentage. Also, an important distinction of the Village is that there is not a separate park district taxing body; instead the Village operates a recreation department. What this means to residents is that the 10.1% of the property tax bill that comes to the Village includes the levy for recreation. A major advantage to having a recreation department as opposed to a separate park district are the benefits of unified administration, finance, information systems and other support services.

# MAJOR REVENUE SOURCES TAXES - OTHER TAXES \$24,175,560 2024/25 Budget

The class of other taxes consists of a variety of revenue sources such as sales tax, home rule sales tax, income tax, local use tax, electric utility tax, telecommunications tax, natural gas tax, food and beverage tax, real estate transfer tax, personal property tax, video gaming tax, and the amusement tax. Other taxes represent 30% of the total major revenues budgeted for fiscal year 2024/25.

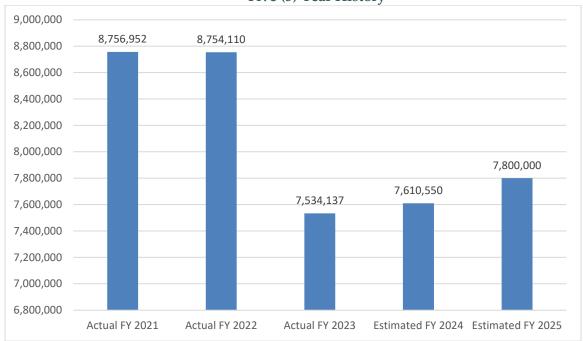

When projecting future revenue, the same approach is taken for this class as with intergovernmental revenue. Significant changes in the economy, such as major growths or downturns, will be reflected in budgeted revenues.

#### **State Sales Tax:**

For titled or registered items, Municipalities receive the equivalent of 16 percent of the 6.25 percent use tax on out-of-state purchases of titled or registered general merchandise for which the title or registration address of record is within their boundaries.

For other general merchandise and qualifying food, drugs, and medical appliances, monthly distributions from local governments' 20 percent share of the 6.25 percent use tax rate on other general merchandise (i.e., not including titled and registered items, above) and 100 percent of the 1 percent use tax rate from sales of qualifying food, drugs, and medical appliances.

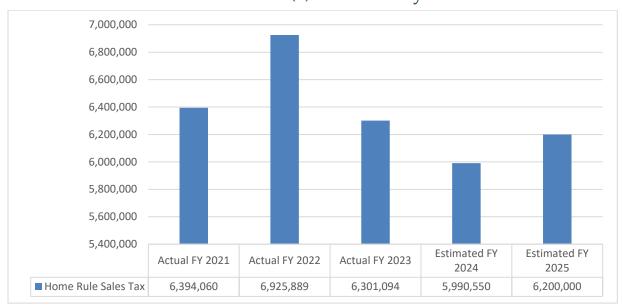

#### **Sales Tax** Five (5) Year History

#### Home Rule Sales Tax:

Another large revenue source within this class is Home Rule Sales Tax, which represents 26.1% of other tax revenue. Since the Village is classified as a home rule municipality, it has the right to impose a sales tax within its jurisdiction, with no maximum rate limit as defined by the State of Illinois. Home rule sales tax is a sales tax imposed on retailers in the Village for the privilege of selling tangible personal property at the rate of 1.25%.

For the 2024/25 budget, the Home Rule Sales Tax revenue is allocated only for the General Fund. Transfers will be made to the Infrastructure Fund to finance capital improvements related to streets and other infrastructure uses.

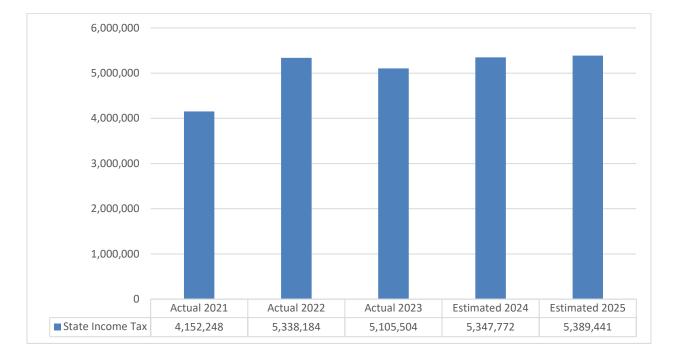

Home Rule Sales Tax Five (5) Year History

#### **Income Tax:**

The State of Illinois remits to municipalities on a per-capita basis a portion of its personal and corporate income tax receipts. Prior to January 1, 2011, the State remitted 10% of the total tax collections from its 3% income tax. Beginning in 2015, the State changed its income tax rate to 3.75% for individuals, and 5.25% for corporations. The State now distributes to local governments an amount equal to 6.47% of the individual tax receipts and 6.845% of the corporate tax receipts.

State income tax receipts are estimated at \$5,389,441 for 2024/25, a slight increase from 2023/24. For FY 2017/18, the State increased the personal income tax rate from 3.75% to 4.95%, effective July 1, 2017. Simultaneously, the State decreased the distributions of Income Tax monies (known as the Local Government Distributive Fund) by 10% for 2017/18, and 5% in 2018/19. This continues to negatively impact the Village's FY 2024/2025 budget by \$283,655. State income tax revenue is deposited into the General Fund. The chart below depicts income tax revenue for FY 2024/25 and the preceding four years.

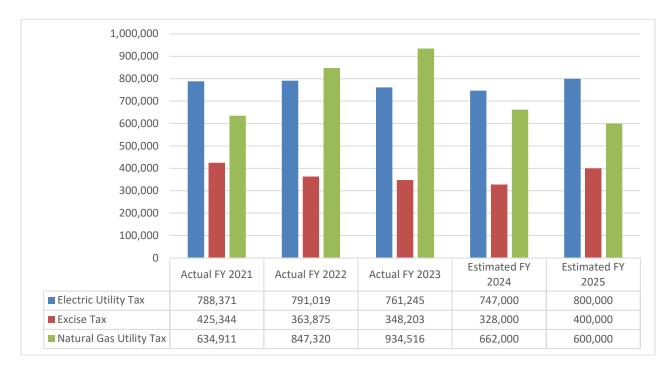

## State Income Tax Five (5) Year History

#### **Utility Taxes:**

Utility taxes include the excise tax (formerly known as telecommunications, tax), natural gas and electric use tax. During Fiscal Year 1999/2000, the Village instituted the utility/use tax on telecommunications, natural gas and electric to reduce the Village's reliance on property tax revenue. The tax rate on electric and natural gas approximates 4-5% respectively. In Fiscal Year 2002/03, the 1% infrastructure Maintenance Fees Tax on telecommunications was combined with the 4.0% telecommunications tax via the new State Simplified Telecommunication Tax for a total of 5.0%. Simplified Telecommunication Tax revenues increased in Fiscal Year 2003/04 due to an approved increase in the Simplified Telecommunications Tax rate. The rate was raised from 5.0% to 6.0% effective January 1, 2003.

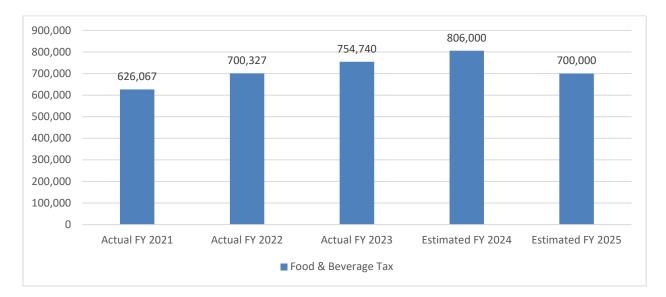

## Utility Tax Five (5) Year History

#### Food & Beverage Tax:

The Village's 1% tax on the purchase of prepared foods and beverages is expected to generate a total of \$700,000 in 2024/25. The Food & Beverage Tax was introduced in July of 2010 to bring in additional revenue to supplement the decline in sales and home rule sales tax revenue.

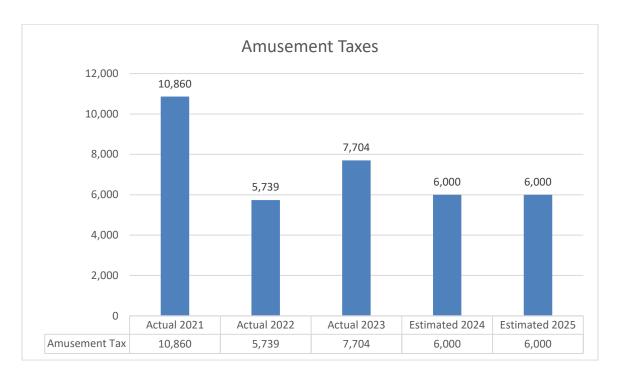

## Food & Beverage Tax Five (5) Year History

#### **Amusement Tax:**

Up until April 2020, amusement tax revenues included the off-track betting facility that opened in April of 2012. When the Statewide stay at home order was put in place, the business closed its doors. The current taxing structure is 10% of total reported revenue if a cover fee is charged, and 1% of total reported revenue if no cover is charged. The tax is only applicable when the business has a valid Liquor License.

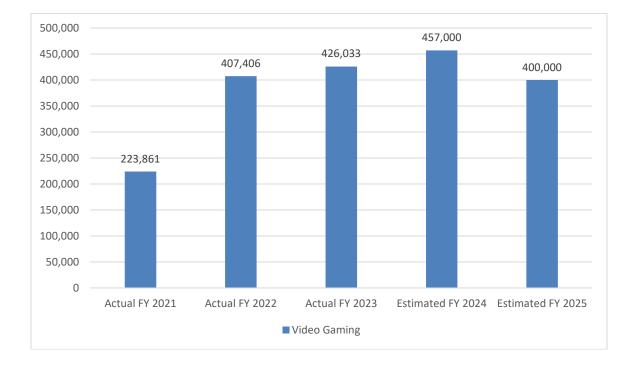

## Amusement Tax Five (5) Year History

#### **Video Gaming Tax:**

Since being established in 2013, there has been steady revenue growth in Video Gaming Taxes. At present, there are 17 businesses operating video gaming with expectations of additional establishments opening in the current fiscal year.

## Video Gaming Tax Five (5) Year History

| MAJOR REVENUE SOURCES       |
|-----------------------------|
| <b>CHARGES FOR SERVICES</b> |

| Fiscal  | Total        | Total Revenue | %            |
|---------|--------------|---------------|--------------|
| Year    | Budget       | Received      | Collected    |
| 2014/15 | \$13,389,208 | \$13,487,337  | 100.7%       |
| 2015/16 | \$13,871,320 | \$13,936,570  | 100.5%       |
| 2016/17 | \$14,439,713 | \$14,539,134  | <b>99.7%</b> |
| 2017/18 | \$14,780,991 | \$14,502,221  | 98.1%        |
| 2018/19 | \$14,748,428 | \$14,573,994  | 98.8%        |
| 2019/20 | \$14,715,598 | \$14,840,306  | 100.8%       |
| 2020/21 | \$13,902,037 | \$13,823,793  | 99.4%        |
| 2021/22 | \$14,965,794 | \$13,607,989  | 90.9%        |
| 2022/23 | \$15,202,716 | \$14,568,916  | 95.8%        |
| 2023/24 | \$15,652,915 |               |              |
| 2024/25 | \$19,148,152 |               |              |

Revenue from charges for services, or user fees, is estimated at \$19.15 million for 2024/25, an increase of 22.3% over 2023/24. The more significant user fees are water and sewer charges, golf course revenues, park and recreation services, cable television franchise fees, satellite courtroom rental and water tower rental fees.

#### Water and Sewer Charges:

A total of \$15.0 million is expected to be generated from water and sewer consumption charges in 2024/25, an increase of 8.0% compared to the previous year.

# Water & Sewer Revenue vs. Cost of Lake Michigan Water

Each year the Village purchases over 900 million gallons of water from the DuPage Water Commission (DPWC) to distribute to the entire Village. The Village passes the water rate it pays DPWC for the water directly onto its community customers. Since 2012, the water rates have more than doubled as shown below:

#### DuPage Water Commission Rates are per 1,000 Gallons of Water

2012 Rates \$2.73 2013 Rates \$3.32 2014 Rates \$3.97 2015 Rates \$4.68 2016 Rates \$4.85 2017 Rates \$4.80 2018 Rates \$4.84 2019 Rates \$4.94 2020 Rates \$4.97 2021 Rates \$4.97 2022 Rates \$4.97 2023 Rates \$5.18 2024 Rates \$5.39

The DuPage Water Commission purchases water from the City of Chicago, so there is little that can be done about the large increase.

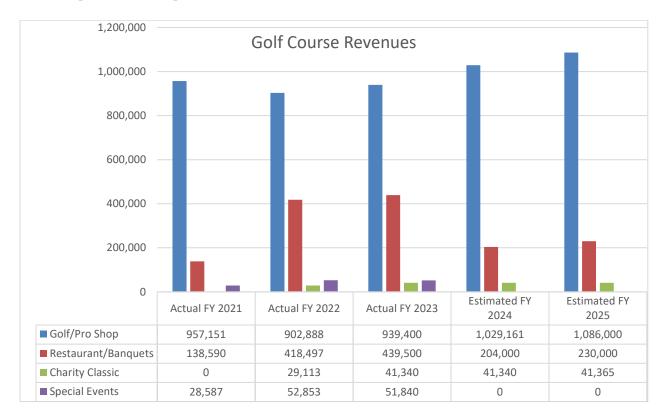

From fiscal year 2001/02 to 2009/10 and again in fiscal year 2013/14 and 2014/15 the Environmental Fund operated a deficit in Net Asset's available for capital improvements. Starting in Fiscal Year 2016/17, the Village instituted a Capital Infrastructure Fee and also pledged a portion of Home Rule Sales Taxes in the Environmental Fund as a means of building up a capital projects fund. In conjunction with the rise in water costs, the Village augmented water rates to build the funds' financial stability in order to fund future capital costs related to an aging water and sewer system infrastructure, as well have the resources available to maintain current capital and operational needs. The Village's water and sewer revenue is predicted based on current rates and previous usage history. With the rise of DuPage Water Commission water rates, the Village has seen some decrease in usage, which inversely affects the ability to keep rates at a level that is able to fund its current operations and future capital needs of the fund.

In 2023, Village Administration, Public Works, Finance and outside Engineering staff held several meetings focusing on the task of developing a utility rate structure that will allow the Village to move forward with several important (mandated) projects rehabilitation of the aerobic digester system, and phosphorous mitigation, while also generating new funds that will be specifically earmarked for capital infrastructure. The rate information was then presented to a focus group comprised of 3 Village residents representing a cross-section of the community. From there, the Village held two community-wide meetings, in an effort to reach a larger audience. All of this was done in advance of the Village Board ultimately adopting a rate structure that will be in effect through 2027.

#### **Golf Course Fees:**

Glendale Lakes Golf Club has been owned and operated by the Village since 1987 and is open year-round for all resident and non-resident golf lovers. The Golf Course revenues are broken down into three (3) segments; Golf & Pro Shop, Restaurants & Banquets, and the annual Charity Classic Event. As you would imagine, the Golf Course revenue is very sensitive to the weather patterns, and experience a decline in rounds played up through 2020. One mixed blessing from the Pandemic was a revival of sorts for golf, as people sought outdoor recreation activities. Starting in April 2023, all Banquet operations were turned over to a professional catering firm, which explains the sharp decline in FY 2024 estimated revenues.

| Rounds Played |        |        |        |        |          |  |
|---------------|--------|--------|--------|--------|----------|--|
| Actual        | Actual | Actual | Actual | Actual | Estimate |  |
| 2020          | 2021   | 2022   | 2023   | 2024   | 2025     |  |
| 25,511        | 21,047 | 20,027 | 22,289 | 21,921 | 25,000   |  |

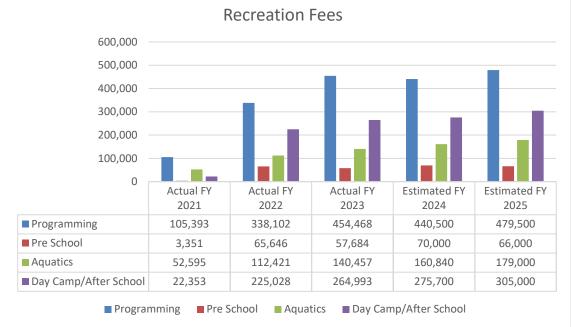

#### Parks and Recreation:

The Village of Glendale Heights operates its own Parks, Facilities & Recreation Department that offers a swimming pool, preschool facility, after school care, day camps, recreation & fitness center, 22 parks, over three and a half (3.5) miles of walking and biking trails, and several programs to its community each year.

## ANNUAL BUDGET

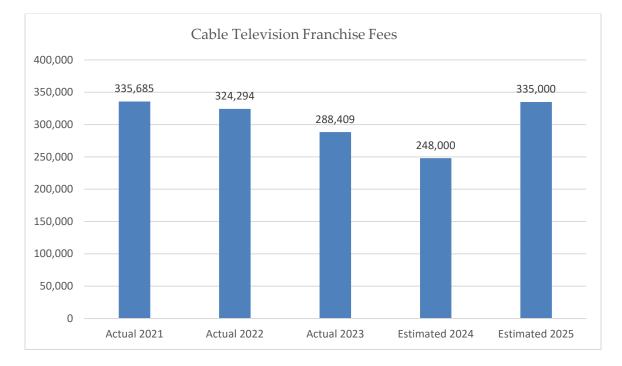

#### **Cable Television Franchise Fees:**

Revenue from cable television franchise fees is estimated at \$335,000 for 2024/25. Revenues remain mostly stagnant due to the availability of streaming video services.

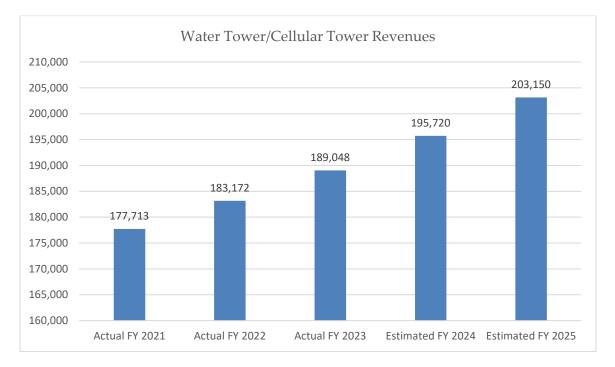

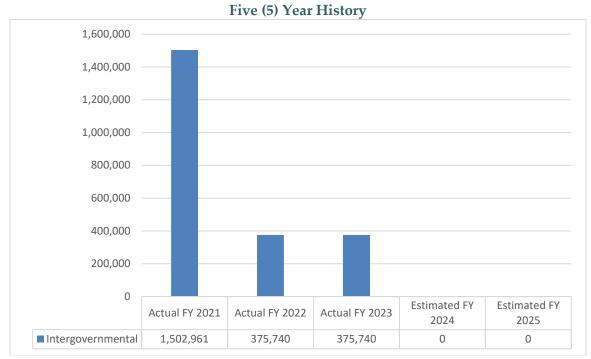

#### Water Tower/Cellular Tower Rental:

The Village owns and operates four (4) water towers, 2 of which have space which is rented out to two companies and will generate roughly \$117,556 for the Village in Fiscal Year 2024/25. Each contract is set up individually and increases annually between 3.5 and 4.5 percent. The funds are used to support general operational costs of the Village and are found in the Environmental Services Fund. Additionally, the Village leases land space on the Village campus to various cellular providers. A Communication Easement Agreement was signed in late July 2019 for a 55 year term. Generally Accepted Governmental Accounting Principles dictate the lump sum payment be recognized as revenue over the term of the agreement; or 55 years. The actual annual revenue then will be just under \$25,000.

There is also a cellular tower that is in Camera Park. The Village receives a lease payment, and the funds are earmarked for the Parks & Recreation Development Fund. The Village anticipates receiving \$61,094 in Fiscal Year 2024/25 from this cellular tower.

## Intergovernmental Revenues

The intergovernmental revenue class includes a special and limited distribution of State Build Illinois Bond Proceeds, which was initiated in FY 2021, concluding in FY 2023.

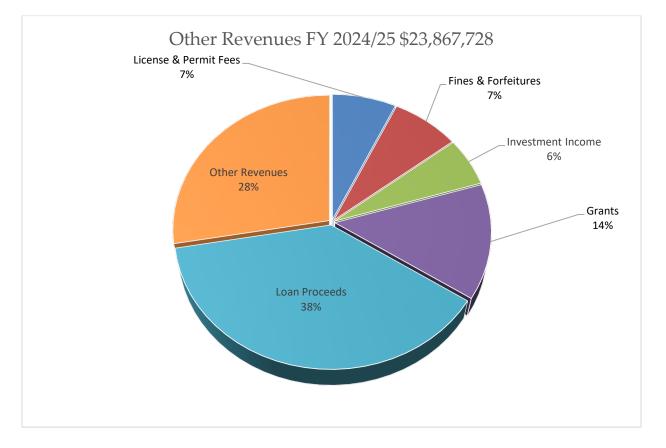

#### Federal/State/Local Grants

| FY 2025 Budgeted Grants   | Amount      |
|---|-------------|
| US DOJ BVP  | \$3,800     |
| DUMEG Fair Share  | \$22,500    |
| ILEAS Training WMD  | \$5,500     |
| IDOT Traffic  | \$14,995    |
| NEDFYS  | \$120,000   |
| MFT   | \$1,446,473 |
| IEPA Stormwater   | \$619,384   |
| DuPage Stormwater   | \$100,000   |
| IEPA-Phosphorous  | \$7,200,000 |
| IEPA-Water Supply Facilities                                      | \$1,900,000 |
| ARPA-Water and Sewer Infrastructure                               | \$2,690,000 |
| Illinois Law Enforcement Training & Standards Board-Recruitment & |             |
| Retention   | \$105,910   |
| Illinois Law Enforcement Training & Standards Board-Body Camera   | \$128,325   |

#### MAJOR REVENUE SOURCES-OTHER REVENUE SOURCES

| Fiscal  | Total        | Total Revenue | %         |
|---------|--------------|---------------|-----------|
| Year    | Budget       | Received      | Collected |
| 2014/15 | \$6,167,333  | \$8,112,987   | 131.5%    |
| 2015/16 | \$6,306,483  | \$7,083,447   | 112.3%    |
| 2016/17 | \$9,587,727  | \$9,160,700   | 95.5%     |
| 2017/18 | \$9,391,085  | \$9,286,812   | 98.9%     |
| 2018/19 | \$8,609,347  | \$11,080,026  | 128.7%    |
| 2019/20 | \$10,281,036 | \$12,240,905  | 119.1%    |
| 2020/21 | \$13,310,370 | \$16,220,346  | 121.9%    |
| 2021/22 | \$16,242,591 | \$11,088,780  | 68.3%     |
| 2022/23 | \$22,308,678 | \$16,415,930  | 73.6%     |
| 2023/24 | \$22,805,057 |               |           |
| 2024/25 | \$23,867,728 |               |           |

#### LICENSES AND PERMITS

License and permit revenue projected for FY 2024/25 is \$1,682,340, a 1.93% decrease from the 2023/24 budget. There is no significant change in the amount of estimated rental licenses that Village expects to issue. The Village still anticipates receiving a steady amount of permit revenue due to the new developments and property renovations being completed during FY 2024/25, and continued collection enforcement of single and multi-family rental licenses. A comprehensive permit fee analysis is being undertaken by Community Development staff, the results and recommendations of which are expected in 2025.

#### FINES AND FORFEITURES

Total revenue from fines is estimated at \$1,788,500 for FY 2024/25, representing an increase of 5.3% from the 2023/24 budget. The Village implemented a red light camera enforcement program starting in January, 2018, and changed service providers later that same year, and then changed again in 2020. The Village also deployed a second overweight truck enforcement unit in 2023.

#### **INVESTMENT INCOME**

The Village of Glendale Heights receives income from investing idle cash in its operating funds and from investing Police Pension Fund reserves. Until fiscal year 2010, interest revenues had been an important source of funding for Village services. Interest revenues also include the Net Change in Fair Value of investments. This category of revenue is dependent upon invested balances, as well as current trends in interest rates nationally and the stock market. As interest rates, equity markets and the invested balances rise, revenues will rise; as they fall, the opposite will occur. Investment results in the Village's pension fund are included in the gain on investments category. The State Legislature has enabled the Village's pension fund opportunities for investment in mutual funds, stocks, and corporate bonds. In October 2022, all Police Pension Funds were transferred to the Illinois Police Officers Pension Investment Fund.

Starting in FY 2007/08, revenues declined due to lower interest rates and a decline in stock market performance. In 2008/09, interest rates continued to decline and the stock market dropped by almost 50%. This resulted in negative earnings in the police pension fund. Fiscal Year 2009/10 revenues increased due almost entirely to a rebound in the stock market and the recovery in value in the pension fund and interest on fixed income investments. In 2011/12 and 2013/14, revenues decreased as the markets stabilized. In 2019/20, revenues experienced modest growth, and similar expectations are estimated for 2023/24 and 2024/25 as interest rates have climbed as a result of Federal Reserve actions.

#### **OTHER REVENUES**

Other revenue consists of a multitude of sources not classified elsewhere. Some of the more significant miscellaneous revenue sources include employee and employer contributions into the Police Pension Fund, reimbursement of School Resource Officers, Donations, various grants, and other miscellaneous revenue. Miscellaneous revenue are estimated at \$6,618,201 in fiscal year 2024/25. Primary drivers explaining the significant changes from last year are the result of IEPA loan proceeds for projects at the Waste Water Treatment Plant, and American Rescue Plan Act (ARPA) funds.

#### **Operating Transfers:**

Revenues classified as operating transfers from other funds total \$8,330,312 in the fiscal year 2024/25 budget, which is an increase of 0.5% from the prior year's budget. Following is a summary of the proposed operating transfers.

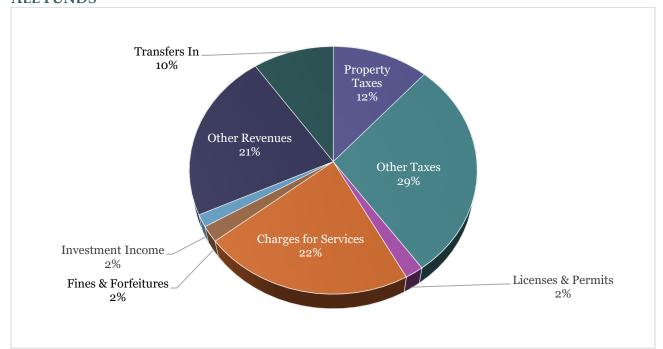

|                             | Transfers | Transfers | Net        |
|-----------------------------|-----------|-----------|------------|
| Fund Type/Fund              | In        | (out)     | Transfers  |
| General Fund                | 150,000   | 6,455,493 | -6,305,493 |

\*Unrestricted

#### MAJOR DECREASES IN FUND BALANCE

#### SPECIAL REVENUE FUNDS

#### Infrastructure Fund

The Infrastructure Fund provides a significant portion of the necessary funding for the Village's annual Road Program. A net decrease of (\$829,000) in fund balance at the end of FY 2024/25 is needed in order to carry out the 2024 Road Program.

#### T.I.F. #1 Fund

The TIF #1 Fund was closed out effective December 31, 2021. The Fund has a few remaining obligations that will result in a decrease of (\$23,000) in fund balance at the end of FY 2024/25.

#### T.I.F. #3 Fund

The TIF #3 Fund was utilizing its accumulated reserves through the end of FY 2023/24, however those reserves have been exhausted. An operating subsidy from the General Fund representing sales tax revenues attributable to the TIF will need to be made in FY 2024/25.

#### T.I.F. #5 Fund

The TIF #5 Fund has just started generating property tax revenues in excess of what was mostly initial start-up costs. Going forward, it should be in a position to begin repaying the General Fund for these costs.

#### T.I.F. #7 Fund

The TIF #7 Fund has just started generating property tax revenues in excess of what was mostly initial start-up costs. Going forward, it should be in a position to begin repaying the General Fund for these costs.

services and programs through the cooperative efforts of its residents, businesses, employees and elected officials.

## LEGISLATIVE

### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Legislative Department is divided into seven divisions; Village Board, Village Clerk, Police Commission, Plan Commission, Youth Commission, Community Diversity Fund, and the Historical Building. Special Events, once a part of the Legislative branch, has been moved within the Leisure Services Fund budget.

| ANNUAL EXPENSES BY DIVISION |                |                |                |  |  |  |  |  |  |

### TOTAL OPERATING BUDGET \$214,841

### THAT EXPENSES BY DIVISION

### **RECENT SIGNIFICANT ACCOMPLISHMENTS**

### **Fund Balance Reserve Policy:**

A strong reserve fund is essential to the financial health of a community to ensure favorable credit ratings and to be prepared for emergencies, unanticipated expenses and revenue shortfalls. In 2013, the Village Board of Trustees, in a confirming act of fiscal responsibility, adopted a fund balance reserve policy. This policy acknowledges and embraces the need to ensure the financial security and solvency of the Village. The Village continues to carry a strong fund balance reserve since enacting this policy.

### **Property Taxes:**

On average, 10.6% of a resident's property tax bill comes to the Village, while the remaining percentage goes to other taxing districts, with schools getting the highest percentage. One important distinction of the Village is that there is not a separate park district taxing body; instead, the Village operates a Recreation Department. What this means to residents is that the 10.6% of the property tax bill that comes to the Village includes the levy for recreation.

### **Interagency Collaboration and Cooperation:**

The Village continued to strengthen its relationships with local organizations, civic groups, institutions, and individuals to create dialogue about community needs, as well as to assist the mobilization of positive action and change. The Village accomplishes their interagency goals through President Jackson's monthly partnership meetings among government leaders (G.A.P. meetings), and participation in the local Chamber of Commerce meetings and events.

Goals short and long term, prioritized by Village Board of Trustees.

| Short-Term Routine Goal (& Related<br>Key Tasks)   | Priority<br>Level |
|--|-------------------|
| Create and support a harmonious work environment that builds camaraderie   | Higher            |
| Create an organizational development<br>program/identify training and staff development<br>opportunities   | Higher            |
| Monitor, strengthen and maintain the Village's<br>financial stability; ensure stable finances by<br>identifying new funding opportunities and<br>diversifying revenue  | Higher            |
| Enhance communications/develop an all-inclusive engagement and communication plan for the Village  | Medium            |
| Explore/research new trends in special events offerings for community gatherings and to promote the community.   | Medium            |
| Explore establishing advisory and coordinating<br>committees. Possibilities could include groups on:<br>Volunteers for events, Recreation<br>programs/activities, Ethics/practices, Special event<br>planning. | Lower             |

| Short-Term Complex Goals  | Priority Level |
|---|----------------|
| Expand and enhance economic development activities and strategies to attract sales tax generating businesses  | Higher         |
| Fully fund training for new staff and meet proper staffing levels   | Higher         |
| Develop 10-year road improvement program to address<br>needed maintenance and infrastructure requirements   | Higher         |
| Undertake review of Village zoning and building codes<br>(internal or external review)/ complete the zoning and code<br>updates to 2021 ICE code to bring up to date. | Higher         |
| Identify funding for the Glendale Heights Police Department garage  | Medium         |
| Develop a Village marketing, branding and partnership/sponsorship plan  | Lower          |
| Update the Village's leisure services master plan   | Lower          |
| Implementation of financial management base software<br>system; work to interface modules universally within the<br>Village organization                              | Lower          |

| Long-Term Routine Goal (&<br>Related Key Tasks)  | Priority<br>Level |
|--|-------------------|
| Develop a community engagement and<br>involvement program to invite/entice<br>generational involvement to become leaders<br>of the Village | Higher            |
| Implementation of the short-term goal to<br>develop unique, different, diverse recreation<br>activities and special events                 | Medium            |

| Long-Term Complex Goal (&<br>Related Key Tasks)  | Priority<br>Level |
|--|-------------------|
| Continue to work on plans and actions to develop a central business district   | Higher            |
| Continue investments in infrastructure<br>improvements; follow-through/implement<br>our long-term road repair/maintenance<br>program | Higher            |
| Advocate for the placement/construction of a dedicated high school campus within Village borders                                     | Higher            |
| Evaluate/consider strategic acquisitions of<br>desirable properties to enhance economic<br>development in the Village                | Medium            |
| Develop a comprehensive capital<br>improvement plan (CIP) for the Village that<br>identifies and programs long-term needs            | Medium            |
| Complete our zoning code update and implement new codes  | Medium            |

| Design/develop measurable outcome measures for goals and program   | Medium |
|--|--------|
| Complete design and construct a new Police<br>Department garage  | Lower  |
| Implement the developed branding and<br>marketing plan to achieve a cohesive<br>branding program for the Village | Lower  |

## LEGISLATIVE: VILLAGE BOARD

### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Village of Glendale Heights operates under the Mayor-Trustee form of government wherein the Village President and six Village Trustees comprise the governing and policymaking body of the Village. The Village Board of Trustees are responsible for the approval of the annual budget, all disbursements and establishing the annual Tax Levy. The Board is also responsible for the adoption of ordinances and resolutions that are intended to enhance the peace, health, safety and general welfare of the community, its residents and visitors.

Left to right: seated Marie Schmidt, Village Clerk, Chodri Ma Khokhar, Village President, Mary Schroeder, District 6 Trustee. Left to right standing: Michael Light, District 3 Trustee, William Schmidt, District 1 Trustee, Chester Pojack District 5 Trustee, Mohammad Siddiqi District 2 Trustee, Pat Maritato District 4 Trustee

## LEGISLATIVE: VILLAGE CLERK

### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The office and duties of the Village Clerk are established by state statute and local ordinance and cover a host of municipal responsibilities. Primary among these are the maintenance of official records and documents, custody of the Village seal, licensing, attendance at and recording of Village Council proceedings, administration of oaths, attestation and certification of documents, publication of ordinances, compliance with the Freedom of Information and Open Meetings Acts, and oversight of the Administrative Hearing Officer Program. Although the Illinois Legislature has established the County as the primary election authority, the Village Clerk continues to serve as the Local Election Official and is responsible for voter registration and municipal election duties pertaining to nomination petitions, ballots, and election results.

## LEGISLATIVE: PLAN COMMISSION

### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Plan Commission serves as a recommending body to the Village Board on all matters related to community development. This commission recommends changes in the official comprehensive plan of the Village, and conducts public hearings in matters brought before the commission concerning annexation of property, planned unit developments, subdivisions, and zoning ordinance amendments, and conditional uses.

The Plan Commission consists of seven members who are appointed by the Village President with the advice and consent of the Village Board. The Commission members are residents of the Village.

The Plan Commission is vested with the power to conduct hearings and make recommendations to the Village Board on: all amendments to the Zoning Ordinance; all Conditional Uses; and, Planned Unit Developments. The Plan Commission also reviews and makes recommendations to the Village Board on: subdivision developments; changes in the official Comprehensive Plan; and any other matters that may be referred to the Commission by the Village Board.

## LEGISLATIVE: POLICE COMMISSION

### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Board of Police Commissioners for the Village of Glendale Heights, Illinois derives its power and authority from an Act of the General Assembly entitled, "Division 2.1 Board of Fire and Police Commissioners", of Chapter 65 of the Illinois Compiled Statutes and through the home-rule authority of the Village of Glendale Heights Board of Trustees. The Police Commission is responsible for the testing, selection, hiring of new Police Officers, and the promotion of Police Officers to the rank of Sergeant in accordance to the guidelines set forth by the Illinois State Statute.

## LEGISLATIVE: HISTORICAL BUILDING

### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

This division is established for the purpose of accounting for costs associated with the preservation, repairs, remodel and maintenance of the Village Founders Farmhouse. This house is the historical museum for the Village of Glendale Heights, and is used for displays, public access and viewing.

The Historical Committee was formed to oversee the restoration of the Glendale Heights Historic House to preserve an important piece of history. The plans for the house include restoring and furnishing the home to the early 1900's to become a place that reflects the "way thing were" 100 years ago.

The Glendale Heights Historic House was donated to the Village in memory of Harold A. Reskin, the founding father and the first developer of the Village. Space in the Historic House is devoted to exhibit artifacts and pictures of the rich history of the Village, its growth and development. The Village hopes to create a place that educates and entertains residents about the Village's "proud and progressive" past and future.

The Village hosts periodic fundraisers furthering the restoration of the Historic House. The Historical Commission members are charged with the responsibility to review exterior design features and materials for any proposed addition to, construction, reconstruction, rehabilitation, or alteration of all residential, commercial, and industrial structures, including principal buildings and accessory structures.

### FISCAL YEAR 2024/25

### ADMINISTRATION

### VILLAGE ADMINISTRATION

### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Administration Department is divided into five divisions; Village Administration, Human Resources, Public Affairs, Central Services, and Information Systems. The Administration Department is responsible for providing support services to all other operating departments within the organization. These services include general supervision of all departments by the Village Administrator and the Assistant Village Administrator, publication, cable TV productions, web page assistance, human/senior services and village-wide employee services, including recruitment, testing, benefit administration, insurance claims coordination, payroll maintenance, and employee records.

### TOTAL OPERATING BUDGET \$3,606,616

| DIVISION               | ACTUAL FY 2023 | BUDGET FY 2024 | BUDGET FY 2025 |
|------------------------|----------------|----------------|----------------|
| Village Administration | \$285,347      | \$433,923      | \$673,994      |
| Human Resources        | \$245,252      | \$346,518      | \$273,586      |
| Public Relations       | \$157,410      | \$278,736      | \$303,576      |
| Central Services       | \$7,501,409    | \$1,247,175    | \$1,589,491    |
| Information Systems    | \$554,383      | \$695,569      | \$765,969      |
| TOTAL DIVISION         | \$8,743,801    | \$3,001,921    | \$3,606,616    |

#### ANNUAL EXPENSES BY DIVISION

#### ADMINISTRATION

### 2023/2024 ACCOMPLISHMENTS ADMINISTRATION DEPARTMENT & HUMAN RESOURCES DIVISION

### New 457 Provider

The Village worked with a Financial Advisor from Wells Fargo to identify other investing opportunities related to the 457 plan(s) offered to Village Employees. It was discovered during this partnership that the Village and its employees would be better serviced by Voya over our current providers, therefore causing the Village to transition to be serviced by Voya in partnership with the Financial Advisor from Wells Fargo.

### Strategic Plan Process

The Village Board of Trustees, Executive Staff members, residents, community partners, business owners and Village Staff have worked with the Northern Illinois University Center for

Government Studies to participate in a community survey, focus-groups and strategy sessions during the process to update the Villages Strategic Plan. An updated Village Strategic Plan was released in the Fall of 2023.

### Assisted Community Development Department

Assisted the Community Development Department with the rollout of CloudPermit ERP system

### 10-41 Inc. Trainings

Village Administration has contracted with 10-41, Inc., to assist in identifying personal, professional and organizational skills and competencies to assist the Village in reaching and maintaining organizational stability and growth. 10-41, Inc. has already offered some one-on-one trainings with staff, and group workshops with Executive Staff, to begin this process to organizational stability and growth.

Health Insurance Renewal The Village successfully negotiated health insurance renewal rates with a minimal increase.

Recruitment and Selection

Assisted in the recruitment and selection process for Village Departments.

## FY 2024/2025 GOALS AND OBJECTIVES VILLAGE ADMINISTRATION DEPARTMENT & HUMAN RESOURCES DIVISION

### Goal #1: Assist departments with community and economic development

- Work with Community Development Department to market Village-owned and vacant properties; promote new commercial development and redevelopment within select locations
- Maintain strong public and private partnerships to capitalize and coordinate all resources and assets in the community; work with the Chamber of Commerce to strengthen our coordination with Community Development efforts

### Goal #2: Maintain/enhance the Village of Glendale Heights operational efficiencies

 Work with departments to develop goals and objectives that relate to their divisional budget items for review and approval of Village President and Board of Trustees

## Goal #3: Maintain a highly qualified workforce that supports the Village's mission, vision and values

 Provide a work environment where employees are engaged, teamwork is paramount, ideas are rewarded, and successes are celebrated

- Promote professional growth and development opportunities through an improved employee recruitment, selection, retention and training process
- Develop comprehensive career management tools, job enrichment strategies, and mentoring programs to help employees prepare for new opportunities
- Provide basic training and education to develop and maintain employee's knowledge

## Goal #4: Promote a safe and healthy work environment for employees to experience job satisfaction in their achievements and contributions

- Provide Employee Assistance Program training throughout the year
- Reduce costs associated with accidents by maintaining a safety program that promotes a safe and healthy work environment
- Update worker's compensation and accident policies and procedures
- Maintain an employee recognition and appreciation program
- Maintain the Employee Health & Wellness Committee and programming

## Goal #5: Continue to review and update the Village's Personnel Policy, Administrative Policies and Village Policies

- Review all policies every one to three years
- ◆ Request assistance and feedback from XPC as the implementers of the policies
- Maintain all local, state and federal regulations and policies
- Research a Code of Professional Conduct for employees

### Goal #6: Improve the onboarding of new employees

- Streamline employee's interaction with Human Resources
- ✤ Identify how long the onboarding process needs to be
- Identify a current fellow employee who will train the new employee on the job duties/tasks and for how long
- ◆ Identify what an employee needs to know about the culture and work environment.
- Set goals for the employee  $\varpi$  Identify how this process can be measured and improved
- Provide benefits sheet

### Goal #7: Conduct an internal Strengths, Weaknesses, Opportunities and Threats (S.W.O.T.) Analysis

- Work with departments to identify their strengths, weaknesses, opportunities and threats
- Conduct analysis of comparable communities
- Conduct Job Task Analysis of Village staff

### **Goal #8: Develop Succession Plans**

- Create a timeline for your succession plan dependent on the position needing to be replaced and timeframe of when the current employee in the position needing to be replaced will be leaving the organization/position
- Pinpoint employees (candidates) within the organization that have the knowledge, skills and abilities (or that have the capacity to be taught/trained) to be successful in the succession position
- Engage the potential employee (candidate) and provide training/professional development to them for the succession position
- Allow the candidate to shadow the employee in the current roll and test the succession plan

## Goal #9: Develop Supervisory and Leadership Training for Current Supervisors and Potential Supervisors

 Identifying and encouraging Department Heads to utilize training specific to supervisory level positions

### **Goal #10: Update the Villages Comprehensive Plan**

✤ Apply to the Chicago Metropolitan Agency for Planning (CMAP) for grants and assistance in developing the plan

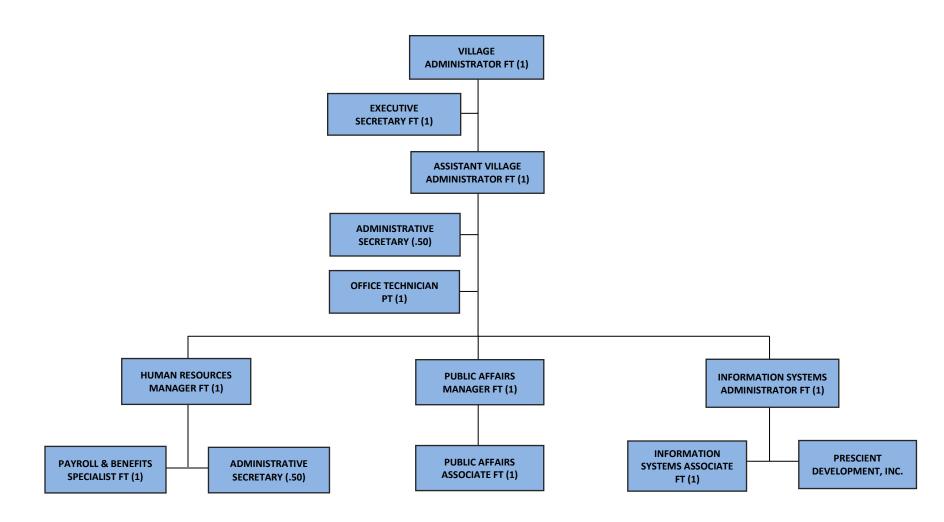

### Goal #11: Develop a cohesive Capital Improvement Plan

- Focuses attention on community objectives and fiscal capacity
- Coordinate between capital needs and operating budgets
- Identify the most economical means to finance capital projects
- Increase opportunities for obtaining federal and state aid
- Relate public facilities to public and private development plans
- Reduce costs by identifying and consolidating duplicative expenditures across municipal departments
- Encourage careful project planning and design to avoid costly mistakes

### Goal #12: Implementation of AFSCME bargaining unit contract

- Review current policies and procedures for updates to reflect any changes in federal and state laws.
- Successfully negotiate Collective Bargaining Agreements that expire on April 30, 2025.

## FY 2024 / 2025 VILLAGE OF GLENDALE HEIGHTS ORGANIZATIONAL STRUCTURE ADMINISTRATION

The Administration Department is responsible for providing support services to all other operating departments in the organization. These services include general supervision of all departments by the Village Administrator and the Assistant Village Administrator, publication, cable TV productions, web page assistance, and village-wide employee services, including recruitment, testing, benefit administrator, insurance claims coordination, payroll maintenance, and employee records. The Information Systems division is responsible for all equipment and function related to the Village computer system and associated electronic operation. Total number of employees authorized: 10 Full-Time and 1 Part-Time.

### ADMINISTRATION: VILLAGE ADMINISTRATION

### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Village Administration's Office is the center point for communication between the Village President and Board of Trustees, various Village departments and Glendale Heights' citizenry. To this end, the Village Administration's Office is responsible for coordinating communication among each of the partners that comprise local government. The General Administration Division provides leadership for the Village government organization by translating and carrying out policy as established by the Village Board into operating programs. Administration ensures that the Village's mission statement remains the catalyst behind all operational endeavors.

Additionally, the Executive Division, with assistance from the Department of Finance, oversees the careful allocation of financial resources to ensure that cost-efficient service delivery remains an operational standard.

## ADMINISTRATION: PUBLIC AFFAIRS

### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Public Affairs Division of the Administration Department is responsible for planning, directing and implementing all public relations strategies and initiatives for the Village. The Public Affairs Division is also responsible for coordinating outreach to the community through the Village's many print publications, the Village website, social media, and other specialized forms of media. This division also oversees the daily activities of the Village cable access channel.

### ADOPTED BUDGET BY CLASS WITH ACTUAL HISTORY

FISCAL YEAR 2024/25

# Administration/Public Relations Strategic Goals and Strategies

### **Citizen Survey**

- Poor Village website design
- Lack of communication from the Village on topics

### Village Response

- Created a Public Affairs Associate to assist Public Affairs Manager with:
  - Web design
  - Able to communicate across various social media platforms

## ADMINISTRATION: INFORMATION SYSTEMS

### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Information Systems (I.S.) Division of Administration consists of two personnel and a contracted specialized technology firm providing support to over 260 computers and nearly 200 users. They currently manage and maintain both primary servers and virtual servers running across 3 host physical servers, and coordinates our Central Square Technologies® cloud based solution which hosts the financial package and municipal software.

The role of the I.S. Division continually expands with technological advancements and needs of our internal departments. Advancements include support to the primary telephone systems of a Voice Over IP data driven communication, expansion of smart phones, mobile computers, and iPads which are a few examples of changing technology that are also supported under this division.

## ADMINISTRATION: CENTRAL SERVICES

### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Central Services Division is a centralized grouping for major costs shared by multiple Village departments such as; Medical Insurance, Unemployment Insurance, Legal Services, Engineering Fees, GIS Services, Adjudication Services, General Office Supplies, Office Equipment Rentals, Utilities, Village-wide committees, State Administrative Collection Fees, and Banking Services. Starting in FY 2024, health insurance costs were allocated to individual departments. Similarly, Police Pension costs were re-directed to Police Divisions.

## POLICE DEPARTMENT

### MISSION STATEMENT

To Serve and Protect our Community while enhancing trust through Professional Police Services.

### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Police Department is organized into six budget divisions: Administration, Patrol, Support Services, Investigations, Community Oriented Policing, and State and Federal Grants.

The Police Department has an authorized strength of 57 budgeted full time sworn officers. The Support Division responsibilities include policy and procedure review, accreditation preparation, Community Outreach, budgeting and grant funding, records management, juvenile and adult investigations, School Resource Officers, crime prevention, E911, Emergency Management, evidence management and Safety Town. The Operations Division responsibilities include Community Oriented Policing, police training, firearms range, accident investigation, animal control, patrol activities, and service calls. The Department is charged with the duty of protecting the lives and property of the Village's 33,176 residents by providing 24-hour emergency and non-emergency service.

### TOTAL OPERATING BUDGET \$15,380,358

| DIVISION                 | FY 2023 ACTUAL | FY 2024 BUDGET | FY 2025 BUDGET |
|--------------------------|----------------|----------------|----------------|
| Administration           | \$1,052,694    | \$1,588,469    | \$1,447,271    |
| Patrol                   | \$5,580,717    | \$8,774,285    | \$9,658,565    |

### ANNUAL EXPENSES BY DIVISION

### POLICE DEPARTMENT

The Glendale Heights Police Department has a combined staff of 110 personnel, including 57 sworn police officers, five part-time officers, four community service officers, records clerks, crossing guards and an Evidence Officer. The department has a strong volunteer pool of 18

members of the Emergency Services and Disaster Agency (ESDA). In October 2023, the Glendale Heights Police Department lost our K-9 Lobo due to complications from an emergency surgery. The seven-year-old Lobo worked with Officer Jim Cahill for the past six years. The service and dedication Lobo provided the community was beyond reproach. Lobo will be missed by the members of our community, the law enforcement community, and members of the Glendale Heights Police Department.

The Village is proud of the Glendale Heights Police Department for maintaining the Commission on Accreditation of Law Enforcement Agencies (CALEA) Accreditation. The police department earned their first accreditation in 2008 and was most recently re-accredited for the sixth time in 2022.CALEA Accreditation serves as the Gold Standard for Public Safety Agencies. The police department is one of about 800 law enforcement agencies in the country who earned CALEA Accreditation status. CALEA standards are rigorous, and ensure the department is following best practices in law enforcement. Part of the CALEA standards require the police department to review each incident in which force is used ensuring that officers are using the appropriate response for the situation and within legal parameters. CALEA standards also ensure citizen complaints are investigated thoroughly and timely. In October 2022, CALEA assessors performed a remote compliance review of the police department standards. The police department met all CALEA mandated standards and was found to be in full compliance with all the CALEA requirements.

In 2023, Officers have doubled the amount of foot patrols this year as compared to last year. With over 2,000-foot patrols, officers enhanced community relationships and interactions, strengthening our community policing efforts. This year the police department deployed an additional 17 Flock license plate reader camera systems throughout the community to detect and capture evidence, input hot alerts for investigative leads, and receive real time alerts on vehicles related to criminal actions. The police department now has 27 Flock cameras deployed throughout the community.

The police department continues to enhance employee opportunities through training and specialized positions. This included training given to both sworn and non-sworn department members to enhance skills, train other agency members, and further develop specialties. Advancements in technology have provided an opportunity for officers to better serve the community while advancing these skills. Six officers are trained as drone (unmanned aircraft system or UAS) operators. This allows the drone to be accessible during every patrol shift. Other specialties positions have also been implemented. These positions include two officers added to the Problem Oriented Intelligence-led Neighborhood Team (POINT). This newly established unit will concentrate on crime prevention and special investigations due to increased criminal activity. In addition, one more officer was added to the Commercial Motor Vehicle Safety and Enforcement Unit, one officer has been assigned as a general Detective, and one civilian staff member was trained as a Comfort Dog Handler.

The police department also introduced a Bloodhound unit to better serve our community in thanks to local Cannabis Dispensary Ivy Hall. This Bloodhound unit will be utilized to track criminal suspects, persons with dementia, along with locating missing and runaway children.

The police department continues to train our officers to the highest standards. In addition to the monthly online training, officers participated in hands on training with scenario-based role play in subjects such as de-escalation techniques and crisis intervention. Every eligible sworn officer has been trained in the Crisis Intervention Team (CIT). This training provides a community-based approach to improve the outcomes with encounters of those having a mental health crisis. Officers also attend specialty training such as evidence recovery, proper use of force, lead investigator, and mental health awareness.

In June, the police department facilitated an active shooter tabletop exercise. This tabletop exercise included stakeholders from the Glenside Fire Protection District, Northeast DuPage Family and Youth Services (NEDFYS), Queen Bee School District 16, University of Chicago Medicine, the Glenside Public Library, AT&T FirstNet, ETS Security and Intelligence, all departments of the Village of Glendale Heights, and Village of Glendale Heights elected officials. The tabletop exercise promoted a collaboration of all attendees to ensure communication, information, and operation in any large-scale event.

State certified School Resource Officers spent the school year teaching Drug Abuse Resistance Education (D.A.R.E.) to 5th grade students and addressing school-related concerns. There are three School Resource Officers, one for each District Glendale Heights children attend. They work to build student and police relationships, and they investigate police related incidents within the schools.

The police department is dedicated to its mission and working with the community to continue building relationships and trust. In 2023, the police department helped organize and participated in many events for all ages to continue to build relationships throughout the community. For over 25 years, the police department has held week-long classes at Safety Town for children five to seven years of age. The classes are held over the summer and taught by officers from the police department and representatives from other community organizations. For children in 5th through 8th grade, the police department hosted the 15th annual Junior Police Academy. Participants experienced various aspects of police work from the initial testing process to evidence processing, traffic stops and officer safety skills.

The police department also organized a seasonal market in 2023 providing locally sourced food, produce, art, crafts and more. The goal of these events is to bring the community together, both as vendors and as customers, increasing interaction and dialogue with our Village residents.

Many of our officers participated in several fundraising initiatives including Polar Plunge, Cop on Rooftop at our local Dunkin Donuts, Autism Awareness Badges, and No Shave November. All the money raised from these programs was donated to Special Olympics Illinois. Through these efforts, the Glendale Heights Police Department received the coveted Flame of Hope trophy for the commitment to the athletes of Special Olympics Illinois. Officers also participated

in the Brittany's Trees event placing 46 Brittany's Trees throughout Glendale Heights. The money raised from the sales of Brittany's Trees goes towards the Sudden Arrhythmia Death Syndromes foundation. The police department teamed up with the Village and other entities to host the Glendale Heights Charity Golf Classic. The Charity Golf Classic helped raise funds for the police department FOP Lodge #52 Community Enrichment Fund, which helps to support the annual fishing derby, Heroes and Helpers, and other community involved events.

The police department also hosted the Annual National Night Out in August of 2023. The event was held on the Village of Glendale Heights Civic Center campus, and residents were offered free food and games. National Night Out is held to raise crime and drug prevention awareness and strengthen police and community partnerships. We want to thank the many other community groups who help make this event a tremendous success each year! The police department also hosted Movie Night with a Cop, held in July, August, September, and October. The annual Cops and Bobbers Fishing Derby occurred in September in conjunction with Harvest Fest. Kids of all ages gathered at Lake Becerra to eat hot dogs and see who could catch the biggest fish.

In 2023, the police department hosted our own Heroes and Helpers event to assist local youth with purchasing Christmas presents for their families. The police department partnered with the Glendale Heights Target Store to raise enough funds to take twenty kids shopping. Police officers picked up each child at their residence and drove them to Ki's Restaurant where they enjoyed Breakfast with Santa. Officers drove the children to the Glendale Heights Target Store, where upon entering the parking lot, the police emergency lights and sirens were turned on to make the kids feel like celebrities. Target team members greeted the children at the event's end. This annual Heroes and Helpers event is a special day for the children and officers.

The police department also strives to keep our residents informed of important crime prevention tips by hosting Neighborhood Watch meetings and providing a monthly newsletter. These meetings rotate throughout the community every month to provide a more relaxed and intimate setting for residents in each area. The police department continued to provide training to local businesses and places of worship on active violence awareness. This training provides employees and citizens with options if a violent event occurs within their vicinity. In the fall of 2023, the Glendale Heights Police Department hosted our 25th Citizen's Police Academy, which offered our residents an opportunity to get a realistic view of police work through instruction taught by officers from the Glendale Heights Police Department.

The police department increased the proactive initiative for mental health services through collaboration with Northeast DuPage Family and Youth Services (NEDFYS) to provide the highest quality of service for our residents. NEDFYS continues to do the co-responder bi-weekly in person visits with officers along with overseeing over 700 social service referrals. The police department's comfort dog Benjamin continued to provide support for our community members.

Benjamin worked with the Glendale Heights community to bring comfort and calmness to those dealing with crisis, trauma, tragedy, and any other demanding situations.

### 2024/2025 Goals

### Goal 1: Obtain CALEA Re-Accreditation

Objective: Continue to meet all CALEA standards for training and policy, ensure compliance with all mandates, prepare for CALEA web-based assessment October 11-19.

### **Goal 2: Conduct Promotional Exam for Rank of Police Sergeant**

Objective: Working in conjunction with the Glendale Heights Police Commission and the promotional examination organization the Department will conduct a police sergeant examination to establish a police sergeant eligibility list. The police sergeant eligibility list provides a platform for the Department's succession planning. Officers on the eligibility list can be afforded further supervisory training, mentoring, and guidance to strengthen and build the Department's future organizational performance.

Goal 3: Ensure the continuous performance of the Department's essential functions and operations during an emergency or other critical circumstances. With the Department's Continuity of Operations Plan, the Police Administrative Staff will conduct a Tabletop Exercises addressing this type of situation.

Objective: Conduct a tabletop training exercises at Department Staff meetings on scenario-based incidents with the goal of mitigating any disruptions of operations, minimizing damages and losses, and facilitating decision making in this critical incident or emergency.

### **Goal 4: Increase Social Media Presence**

Objective: Develop in-house team of officers, supervisors and command staff to jointly work on increasing our social media presence in cooperation with our Village Public Relations Department.

### **Goal 5: Develop Short Public Service Announcements to Publish on Social Media Pages**

Objective: Investigations and Patrol Divisions to work cooperatively to write, produce, video and publish short Public Service Announcements to be broadcast on our social media pages.

### Goal 6: Increase Community Interaction with Our Senior Citizen Residents, while also Reducing the Victimization of this Elderly Class

Objective: Members of the Department will provide monthly presentations at the Linda Jackson Center for Senior Citizens to inform and educate the seniors on safety and crime prevention

concepts and tactics. This "Get a Clue with the Blue" will coincide with lunch provided by the Senior Center.

## Goal 7: Continue to Foster and Support a Harmonious Work Environment to Build Trust, Engagement, and Camaraderie.

Objective: Sergeants will conduct quarterly ride along with police officers assigned their supervision to encourage transparency, engagement, and input for our Police Department and Community.

### **Goal 8: Personnel Development**

Objective: Enhance employee opportunities, knowledge, and skill building through temporary assignment. Abbreviated assignments working with officers in DuPage Metropolitan Enforcement Group (DUMEG), general detectives, Problem Oriented Intelligence-led Neighborhood Team (POINT), school resource officers (SRO), Commercial Motor Vehicle Safety and Enforcement Officer, and possibly Bloodhound Unit. These opportunities will help develop and mentor officers interested in these specialty assignments.

### Goal 9: Celebrate and Honor the 1959 Incorporation of the Village of Glendale Heights

Objective: Allow the Department personnel to design and select a 65<sup>th</sup> Anniversary Police Badge to celebrate the incorporation of the Village of Glendale Heights. Department members will be able to proudly wear this selected badge upon their uniform for the 2024 calendar year.

### Goal 10: The Peer Support Team is a Vital Part of the Department Wellness Program. Maintaining Annual Training Provides the Peer Support Team with the Best Practices to Assist Fellow Peers when Needed.

Objective: The Peer Support Team provides support and assistance to employees experiencing personal and/or professional stress or crisis. To ensure the Peer Support Team provides the best possible aid for this necessary wellness assistance, the Peer Support Team will institute hands on scenario-based training during this calendar year.

### Goal 11: Increase the Handlers for the Police Department Comfort Dog Benjamin to Ensure the Highest Quality of Interactions with Our Residents

Objective: The comfort dog, Benjamin has proven to be an excellent conductor for community engagement. With the addition of a handler along with the current cadre of handlers, the Department can enhance our positive interactions with the members of our community.

# Goal 12: The Department remains Committed to Positive Community Building Efforts this includes the Increased Community Interaction through Special Events.

Objective: The Department introduced the Police Program Supervisor in 2023. This position provides continued efforts for the Department's community-based interactions. Networking with community businesses, religious organizations, schools, other Village departments, and community groups the Police Program Supervisor will set up and further the Department's community policing efforts through Department Special Events.

# Goal 13: Recruitment of High School Students and Young Adults to Become Police Officers at the Department through the Implementation of a Police Explorer or Cadet Program

Objective: With all the options and opportunities available to the Glendale Heights community members, the Glendale Heights Police Department continues to build on these existing partnerships through the Community Oriented Policing Philosophy. This includes the continued efforts to build our police department from the residents of our town.

This building can be done through mentoring and supporting programs for teens and young adults in the community. The focus will be of building junior policing programs focused on involvement, interaction, and training with sworn police officers. This will include officer shadowing programs, technical training, community-based involvement, skill building initiatives, and hands on training. Cadets will be taught the essentials for a career in law enforcement with a curriculum comprised of state and local laws, policing ethics, cultural awareness, decision making, crime scene control, life-saving techniques, firearms use including the use of force, and report writing. These efforts will continue the positive community interaction while also laying the groundwork for future Glendale Heights Police Officers.

# Police Department Strategic Goals and Strategies

#### **Goals-NIU Workshop**

- Enhance current positive public attitude toward the Department
- Increase community relationships and interactions
- Increase proactive policing efforts to help maintain roadway infrastructure

#### Village Response

- Increase officer initiated foot patrols by 5%
- Increase community engagement through foot patrols at parks by Canine Officer and K-9
- Add an additional Commercial Motor Vehicle Safety and Enforcement Officer

# Police Department Strategic Goals and Strategies

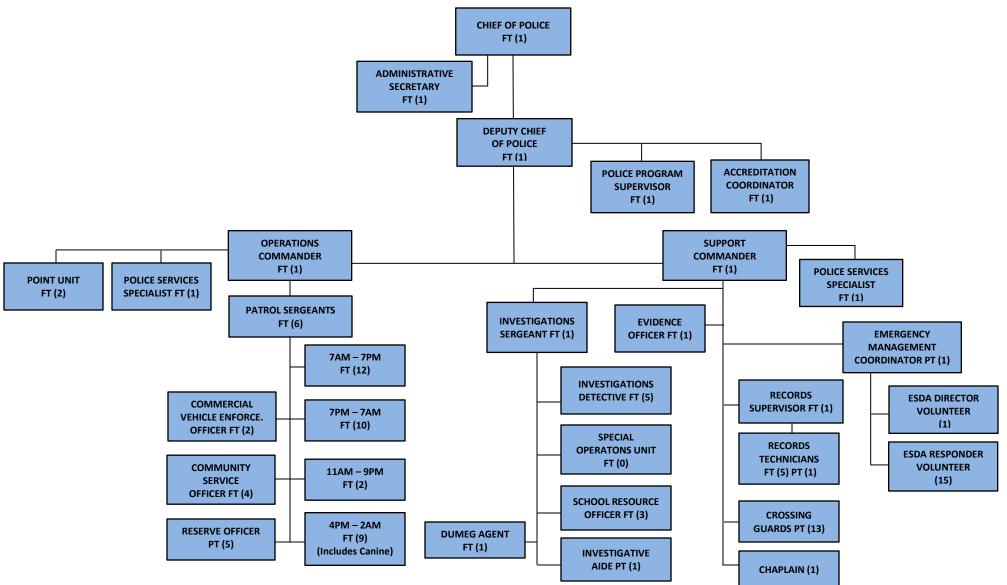

#### Citizen Survey-NIU Workshop

- Residents want to feel safe
- Hire more Police Officers
- Increase Police presence
- Additional security cameras

#### Village Reponse

- Increase manpower by 2, from 55 to 57 sworn officers
- Purchase 10 additional Flock Cameras (License Plate readers)
- Deploy a second truck enforcement unit

## FY 2024 / 2025 VILLAGE OF GLENDALE HEIGHTS ORGANIZATIONAL STRUCTURE POLICE DEPARTMENT

The Police Department is organized into two Divisions, Operations and Support. It has an authorized strength of 57 full-time sworn officers. The Support Division responsibilities include School Resource Officers, Safety Town, CALEA, Community Outreach, budget and grant funding, records management, E911 ESDA and evidence management. The Operations Division responsibilities include Community Oriented Policing, police training, firearms range, accident investigation, animal control, patrol, traffic citations, service calls and crime prevention. The Department is charged with the duty of protecting the lives and property of the Village's 33,176 residents by providing 24-hour emergency and non-emergency service. Total full-time employees 73, part-time 21 for a grant total of 1@@employees: 16 of which are volunteers.

# POLICE DEPARTMENT: ADMINISTRATION

#### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

This division manages all entities of the Police Department, and is responsible for ensuring the department is serving the community in an appropriate manner. The Administration Division consists of the Chief of Police, Deputy Chief of Support, Operations Commander, Support Commander, Administrative Secretary, an Accreditation Coordinator, Police Program Supervisor and two Police Services Specialists. The Administration Division provides the following programs:

#### **Community Outreach Programs**

Community Outreach Programs offer the assistance of the department's specialist, who provides an appropriate referral system for those in need and a variety of social services and programs to

individuals, families, groups and organizations within the community. The Department attempts to bridge the gap between the identification of the need for social services and the enrollment in outside programs.

#### Medical Supply Program

Thanks to the generous contributions of new or gently used medical equipment, the Village's Medical Supply Program has walkers, wheel chairs, canes, quad canes, crutches, commodes and other bathroom

equipment, slings, and more, that may be borrowed FREE of charge to residents.

#### **Digital Cell Phone Program**

The Village of Glendale Heights' digital cell phone program is dedicated to providing the highest quality service to the elderly and disabled in our community with recycled cell phones for 9-1-1 calls.

# POLICE DEPARTMENT: PATROL

#### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Patrol Division is directed by the Deputy Chief of Operations, who has six Sergeants supervising thirty-four Patrol Officers, five Part-Time Officers, and four Community Service Officers. Basic responsibilities include all calls for service and assistance, constant patrols of the community, and traffic enforcement.

Besides basic duties, Patrol personnel are also responsible for the following special programs:

- Traffic Unit
- Crime scene processing for the entire department
- K-9 services utilizing the department's canine handler and the Police K-9
- Truck Enforcement
- Bicycle Patrol

The Police Department has divided the Village into 4 areas called "beats." The formation of these "beats" is based upon the balancing of call loads within certain obvious geographical markers. Each beat has a Sergeant to coordinate officers assigned to assist the residents in their "beat." The

beat officers meet quarterly to discuss the needs and issues concerning their beats, such as methods that can be utilized reduce to crime, identification of problem areas, meeting and talking to the residents, recommendations to physical changes neighborhood, to а (additional lighting, changes in traffic flows, parking changes, etc.).

# POLICE DEPARTMENT: INVESTIGATIONS

#### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

Investigation falls under the direction of the Support Operations Commander. The unit consists of an Investigations Sergeant, Evidence Officer, five Investigative Detectives, three School Resource Officers, Department of Homeland Security Task Force Officer, DuMEG Task Force Officer, and a part time Investigative Aide.

#### **Evidence Officer**

The Evidence Officer is a civilian member of the Department who is responsible for the

safeguarding and maintenance of all items of evidence and found property that are collected by the department. Currently the Department has over 22,500 items of evidence or found property in its possession.

#### School Resource Officers

A School Resource Officer is assigned to the two school districts located within the Village. The Officer is responsible for conducting educational classes in drug,

alcohol, and gang awareness with the children through the DARE program as well as having investigative responsibility over all crimes that both occur at the school with the children or off campus that affect the children. Additionally, the Officer acts as a Community Based Policing problem solver for all problems at the schools such as parking, traffic flow, etc. that would affect them. One officer is the liaison for both District 15 and District 16. As of August 2008, we also have a District 87 high school Liaison Officer who rotates between Glenbard East, Glenbard North and Glenbard West.

#### **Special Operations Officers**

Special Operations Officers are responsible for undercover and tactical responses for gangs, illegal drugs, and gun activity that occur in the Village. These officers are responsible for unmarked and non-uniform patrol in problem areas including special surveillance areas.

The Citizens Police Academy (CPA) provides an opportunity for citizens to take a look behind the "blue curtain" and learn what Police Officers contend with on a daily basis. Citizens learn how to conduct basic investigations and try their hand at evidence work. They also learn first

aid, become CPR certified, visit the County jail and get the opportunity to shoot on the Department gun range.

Safety Town projects provide safety education to young children including stranger danger, fire prevention/safety, and a wide range of other age specific safety issues. The Department also conducts a Halloween trick or treat and Easter egg hunt programs at Safety Town.

#### PROPOSED BUDGET WITH ACTUAL HISTORY

# POLICE DEPARTMENT: SUPPORT SERVICES

#### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

Support Services falls under the direction of the Support Operations Commander. The unit consists of a Record Supervisor, and five full-time & one part-time civilian records technicians.

#### **Records Division:**

The Police Department Records Staff maintains all documents, tickets, reports/records, data entry, statistical research, arrest photos generated by the department and ensures the integrity of those records for future use. Records also answers most non-emergency calls.

#### PROPOSED BUDGET WITH ACTUAL HISTORY

# POLICE DEPARTMENT: STATE AND FEDERAL GRANTS

#### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

This grouping of accounts tracks all of the expenses related to grants received by Federal and State governments, as well as funds and fines dedicated for law enforcement purposes by State law. These accounts are offset by revenue accounts which are funded with special funds that are earmarked for specific purposes by law.

# FINANCE

#### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Finance department is charged with these primary responsibilities:

- Maintaining the financial records of the Village.
- Collecting all revenues due to the Village.
- Assuring all debts are promptly satisfied.
- Providing for the safeguarding of assets.
- Providing financial information and support to all Village departments.
- Submitting monthly financial status reports to the Village Administrator and Village Board of Trustees.
- Providing estimate information for purposes of compiling budgets.
- Responsible for billing of water and sewer services.
- Responsible for the management of the Village's purchasing functions.
- Facilitating and coordinating the annual independent audit.

To carry out these duties, the department is responsible for establishing and maintaining an internal control structure designed to ensure that the assets of the Village are protected from loss, theft or misuse and to ensure that adequate accounting data are compiled to allow for the preparation of financial statements in conformity with generally accepted accounting principles.

The Finance Department will continue to focus on providing responsive and timely information and quality services to the residents, businesses, elected officials, and employees of the Village of Glendale Heights.

#### TOTAL OPERATING BUDGET \$1,550,678

#### 2023/2024 ACCOMPLISHMENTS FINANCE DEPARTMENT

- For the fiscal year that ended April 30, 2024, total assets grew by more than \$24 million from \$221 million to a total \$245 million, while total revenues increased to \$66 million compared to the prior fiscal year, at \$58 million. The Villages' primary fund, which is the General Fund, reported a reserve balance of \$25 million. Reserves are a level of 9 month's equivalent expenditures, exceeding the Village's policy of 4 months and the level recommended by the Government Finance Officers Association (GFOA) of 2 months.
- A total of \$4.57 million in Federal American Rescue Plan Act (ARPA) funds have been provided to the Village. The Village Board has pledged 100% of this money for water,

sewer and wastewater Treatment infrastructure needs, which is one of the eligible uses for these funds.

- Residents will be pleased to know that for the second consecutive year, the 2023 Village Tax Levy contains no increase from the prior year. Overall, the Village's share of property taxes amounts to slightly more than 10% of the overall property tax burden.
- Looking ahead to 2024, the Finance Department expects to roll out a suite of totally new financial management software applications. Among the upgrades will be a new utility billing module which will greatly improve the customer experience, enabling residents to see their water consumption, set usage alerts, and introduce more present-day payment acceptance options. We are quite excited about these enhancements, which will likely launch in the 1st quarter of 2025.
- Turning attention to water billing operations, the Village billed 729,527,000 gallons of water in fiscal year 2023, representing another decrease from the previous year's billing of 752,409,100 gallons. In the past year, around 106,000 individual water bills were generated, totaling \$12,161,342 in billed revenues.
- The primary goal and responsibility of the Purchasing division is to obtain the best value possible for the taxpayer's dollar, within the rules and regulations that govern public purchase of goods and services. In this past year, purchasing managed 51 separate formal bids and contracts. Using the competitive bid process achieves open and healthy competition, transparency, and enables the Village to purchase at the lowest possible cost, consistent with the needs of the user department.

On June 23, 2023, the Government Finance Officers Association (GFOA) awarded the Village with a Certificate of Achievement for Excellence in Financial Reporting, for its 2022 Annual Comprehensive Financial Report (ACFR). This is the 40th year in a row that the Village has received this award. The Certificate of Achievement is the highest form of recognition in the area of governmental accounting and financial reporting.

On March 6, 2023, the Village was also recognized by the GFOA with a Distinguished Budget Presentation Award for its Fiscal Year 2022/2023 budget document. This marks the 10th consecutive year in which the Village has received this recognition.

#### 2024/2025 GOALS & OBJECTIVES FINANCE DEPARTMENT

Goal #1: Continue to maintain high levels of professional accounting, reporting and budgetary standards worthy of the Government Finance Officers Association (GFOA) "Certificate of Achievement for Excellence in Financial Reporting" and the "Distinguished Budget Presentation Award" Programs.

- Submit for, and be awarded a Certificate of Excellence from GFOA for the FY 2024 Annual Comprehensive Financial Report.
- Submit for and be awarded a distinguished budget presentation award for the FY 2025 budget.

# Goal #2: Obtain an unmodified audit opinion in conjunction with the completion of the FY 2024 Annual independent audit.

✤ Obtain an unqualified Single audit opinion.

#### Goal #3: Implement new Tyler/MUNIS Enterprise ERP System.

✤ Target "go live" for May 1, 2025.

#### Goal #4: Improve working conditions for Finance Front Counter staff.

 Budget for and complete phased improvements including noise reduction, counter modifications, additional storage space, and new chairs.

#### Goal #5: Address language barriers for residents seeking to transact Village business.

• Have major forms translated in Spanish.

# Goal #6: Establish a clearer line of authority and opportunities for advancement within the department, specifically within the Utility Billing Division.

 Proceed with a partial restructure of staffing in the Department, creating the position of Revenue Manager.

#### Goal #7: Provide opportunities for employee job enrichment.

 Require that all staff take at least 4 hours of continuing education for their respective primary duties.

#### Goal#8: Update Insurance Requirements in Bid Documents.

 Continue efforts to establish/update boilerplate insurance requirements for vendors that serve the Village in various capacities.

Goal #9: Explore advantages and disadvantages related to transitioning from Village absorbed credit card charges, and passing these costs to cardholders, thereby potentially realizing a \$183k savings to the Village.

# Finance Department Strategic Goals and Strategies

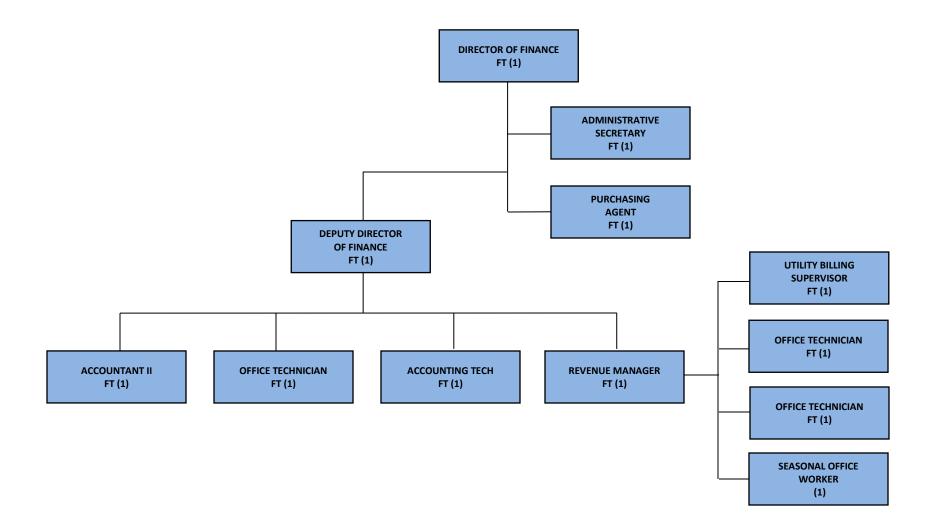

#### Short Term Goal – NIU workshop

- Implementation of financial management based software system; work to interface modules universally within the Village organization
- Monitor, strengthen and maintain the Village's financial stability; ensure stable finances by identifying new funding opportunities and diversifying revenue

#### Village Response

- Funding requested in FY 2024 budget to upgrade from current financial software system 20+ years old
- Explore advantages and disadvantages related to transitioning from Village absorbed credit card charges and passing these costs to cardholders, thereby realizing a \$183 thousand savings to the Village

# FY 2024 / 2025 VILLAGE OF GLENDALE HEIGHTS ORGANIZATIONAL STRUCTURE FINANCE DEPARTMENT

The Finance department is responsible for all fiscal operations of the Village. These responsibilities include budget control, accounting, investments, the procurement of goods and services, payments, billing, receipts, deposits, assets management, inventory, sale of real estate transfer stamps, vehicle stickers, animal licenses, garage sale permits and assisting the Village Administrator with budget preparation. The Utility Billing staff are responsible for water meter readings and the processing of utility bills and other public services. Total number of employees authorized: 11 Full-Time and 1 Seasonal

#### COMMUNITY DEVELOPMENT

#### MISSION STATEMENT

The Glendale Heights Department of Community Development strives to provide professional assistance in planning, development and construction by adopting and enforcing current codes and standards in a uniform and unbiased manner, in order to establish and maintain a safe, healthy and attractive community for all residents and business owners.

#### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Community Development Department is charged with planning for the future growth of the Village, with maintaining the quality of existing development and with assuring that new construction meets acceptable community standards. To carry out these responsibilities, the Department is organized into two divisions; Administration and Inspection Services. Community Development is assisted by and provides technical services to several advisory boards and commissions composed of citizens appointed by the Village for a specified number of years. These advisory boards include the Plan Commission and Property Enhancement Committee.

#### TOTAL OPERATING BUDGET \$2,576,067

| DIVISION            | FY 2023 ACTUAL | FY 2024 BUDGET | FY 2025 BUDGET |
|---------------------|----------------|----------------|----------------|
| Administration      | \$746,865      | \$1,777,498    | \$1,688,939    |
| Inspection Services | \$623,844      | \$828,017      | \$887,128      |
| TOTAL DIVISION      | \$1,370,709    | \$2,605,515    | \$2,576,067    |

#### ANNUAL EXPENSES BY DIVISION

#### COMMUNITY DEVELOPMENT DEPARTMENT FY 2023/24 ACCOMPLISHMENTS

A major change in the Community Development Department in 2023, which will impact all of the following functions of the Department, is the new Enterprise Resource Planning software called Cloudpermit. Cloudpermit will allow the department to bring all departmental activities in a fully-online and digitized environment. This will allow staff to retrieve information faster, resulting in improved workflow times and reduced expenditures for operational resources. Cloudpermit Is expected to be fully operational by mid-2024.

The department reviews building permit applications and inspects construction projects for compliance with adopted building codes and industry best practices. In 2023, the department received 2,459 building permit applications for industrial, commercial and residential

construction projects that had an estimated combined project value of nearly \$57 million reinvested into the community. A vast majority of the building permits applications were for residents who are making improvements to their homes and increasing property values in their neighborhood. Additionally, the Department issued 41 permits for utility work in the public right-of-way.

The department also manages regulatory stormwater management needs for the Village. The Community Development Department works in close coordination with other Village Departments, the DuPage County Stormwater Management Department, the Illinois Environmental Protection Agency (IEPA), the US Army Corps of Engineers (USACE), and the Federal Emergency Management Agency (FEMA) to ensure both public and private development activities meet their regulatory obligations for stormwater management. Activities include, public education and outreach, public participation and involvement on matters pertaining to stormwater impacts and regulations, illicit discharge detection and elimination, stormwater review and permitting, post construction runoff controls and inspections, pollution prevention and good housekeeping programs. In 2023, the Village of Glendale Heights issued 15 stormwater permits/certificates for various projects including, but not limited to, residential home construction, accessory structures such as decks, sheds and patios, driveways and parking lots, and new commercial building additions. The majority of the permits reviewed are for residents making improvements to their homes and increasing property accessory structures such as decks, sheds and patios, driveways and parking lots, and new commercial building additions.

The department reviews and issues several types of operating licenses for business, rental establishments (single family and multi-family), contractors, vending machines, tobacco establishments, video gaming and elevators. In 2023, the Village of Glendale Heights issued just over 2,500 licenses. Just over half of those at 1,317 were for single family rentals, 549 for business licenses, and 286 for contractor licenses.

Code Enforcement personnel perform inspections for rental properties, real estate transfers, property maintenance concerns, and back up the building inspectors to provide overflow inspections. In 2023, Code Enforcement issued 465 Notice of Violations to properties for code non-compliance. They also represent the department in the administrative adjudication of cases and facilitate monthly Property Enhancement Committee meetings as well as quarterly Landlord and Property Manager meetings. These meetings serve to train and educate the public on the rights and obligations of owners and tenants with respect to the department's rental and crime-prevention partnership programs, and in doing so, serve to promote safety and uphold property values within the Village.

Economic Development is critical to community health by promoting structured and orderly growth, improved shopping and dining offerings for Village residents and visitors, and increased tax base through sales and property taxes; all of which contribute to improved property values for Village residents and businesses. The department utilizes all available resources, to include the management of seven Tax Increment Financing (TIF) districts to promote commerce and economic development within the Village.

The department's planning and zoning functions facilitate all of the land use, business enterprise, and private development activities within the Village as defined by the Village Board. The Planning and Zoning Commission is the Village body that hears all use cases not-provided for in the Code of Ordinances, and makes recommendations to the Village Board for consideration. In 2023, the Planning and Zoning Commission conducted 13 public hearings for various amendments to the zoning ordinance, planned unit developments, conditional uses, re-zonings, and subdivision requests needed to support development and new business activity throughout the community. Notable cases include a 44,000 square-foot building expansion for Sumitomo Drive Technologies, a 12,000 square-foot Cannabis Craft Grower/Infusion facility, and the redevelopment of an existing 3,000 square-foot commercial building into a multi-tenant center with a drive-through Jimmy John's restaurant.

The Village also welcomed 67 new businesses in 2023 that occupied a combined building area of approximately 1.2 million square feet of existing commercial, industrial, and office space that was either vacant or previously occupied. A selection of the new businesses include: Clyde's Donuts, Vasa Fitness, Big Blue Swim School, Al-Fatah Meat Shop, Kern Precision, Old Second National Bank, Mitsubishi Turbocharger and Engine America, Umbra Window Tinting, Ivy Hall, Alexander Daniels, Biologos, Tony's Fresh Market, Northern Tool and Equipment, Sudz Car Wash, Convenient Valet (US Spice), Rechelien America, Crescend Technologies, the Lawless Group, the Flooring and Design Center, and Two Men and a Truck.

The Village has a pro-business posture. In 2023, that approach has resulted in the full occupancy of the recently constructed business park developments at 760 E. North Avenue and 1 E. North Avenue with industrial businesses such as OMG Inc, DH Pace, Coda Resources and Delmar International. Additionally, the Community Development Department worked with several property owners along the North Avenue corridor to remove several vacant buildings and structures, in order to establish green fields for future redevelopment.

#### COMMUNITY DEVELOPMENT DEPARTMENT FY 2024/25 GOALS AND OBJECTIVES

#### **Goal 1: Alignment**

- Continue to review and revise the municipal code to better reflect the way the department provides services and conducts business activities. Future activities which may require amendment include:
  - 1. Fee Schedule revisions
  - 2. Hotel and Motel Ordinance revisions
  - 3. Real Estate Transfer Inspection Program revisions
- ✤ Adopt updates to the National Building Codes.
- Continue to work with our regional partners to best serve our mutual needs and interests.

- Identify opportunities to redefine our local economic development environment, strengthen relationships with regional stakeholders, and work towards road-mapping an economic development plan for the future.
- Finish workspace reorganization in order to complete the departmental restructuring.

#### **Goal 2: Digital Transformation**

- Develop the systems to execute the implementation of our Enterprise Resource Planning software Cloudpermit, and fully onboard our non-residential users.
- Modify operational processes and staff assignments, as necessary, to facilitate assimilation into the new digital environment.
- Work with other local agencies who are using the software to develop best practices, identify efficiencies, and maximize the utility of the software.
- Develop performance indicators from the software's reporting features.

#### **Goal 3: Development of Personnel**

- Continue to implement leadership training for senior personnel to broaden their skillset, and strengthen their capacity for management, autonomy, and executing discretion that aligns with the organizational vision.
- Continue to implement technical training for operational personnel to deepen their technical ability, versatility, and establish a qualifications-based approach to departmental succession.

# **Community Development**

#### Short Term Goal-NIU workshop

- Expand and enhance economic development activities and strategies to attract sales tax generating businesses
- Undertake review of Village zoning and building codes (internal or external review)/complete the zoning and code updates to 2021 IC code to bring up to date

#### Village Response

 Identify and revise policies and procedures which are no longer appropriate or do not reflect the needs of the community

# Community Development

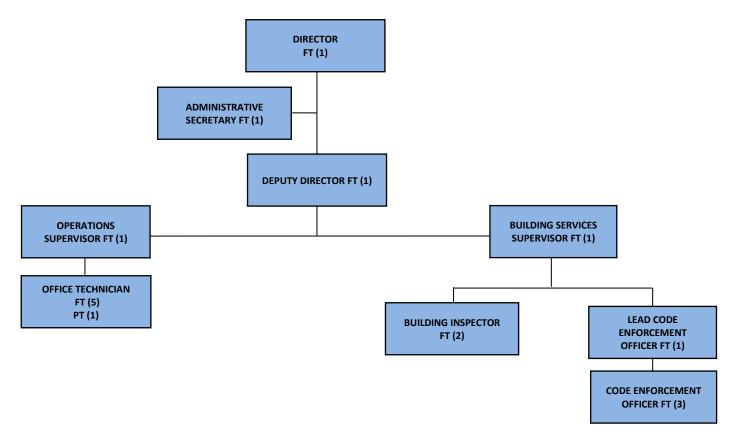

#### Long Term Goals-NIU Workshop

- Continue to work on plans and actions to develop a central business district
- Evaluate/considerstrategic acquisitions of desirable properties to enhance economic development in the Village
- Complete zoning code update and implement new codes

#### Village Repsponse

- Establish a culture prioritizing transparency, collaboration, and customer service
- Implementorganizationalstructure changes to promote accountability, professional development, leadership and succession planning
- Refine and redefine roles and tasks to better utilize staff skills and traits

# FY 2024 / 2025 VILLAGE OF GLENDALE HEIGHTS ORGANIZATIONAL STRUCTURE COMMUNITY DEVELOPMENT

The Department of Community Development is charged with planning for the future growth of the Village, maintaining the quality of existing development, and assuring that new construction meets acceptable development standards. To carry out these responsibilities, Community Development is divided into three divisions; Building Services, Operations, and Administration. The Building Services Division is comprised of staff that perform technical reviews and inspections for a variety of permitted and licensed activities, such as construction permits, rental licenses, business licenses, and real estate transfers. Additionally, Building Services staff perform property maintenance and zoning inspections, upholding real estate maintenance and appearance standards. The Operations Division is comprised of staff who provide the support for departmental activities. They manage the transmission of communications with the general public, the processing of documentation, and facilitate the department's records management. Additionally, the Operations Division is able to support the workflows for our residents in English, Spanish, and Polish languages. The Administration Division is the senior leadership for the department, and is responsible for the planning and economic development functions of the Village, as well as managing statutory requirements such as FOIA, stormwater management, and TIF district administration. Consultants assist the department with engineering and building code services. Community Development is the staff liaison to the Planning and Zoning Compagings, as well as Property Enhancement Committee. Total number of employees: 16 Full-Time and 1 Part-Time.

### COMMUNITY DEVELOPMENT ADMINISTRATION

#### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

#### **Comprehensive Planning**

Forecasts and plans for the physical development of the Village for the next 10 to 15 years.

#### Annexation, Zoning, Land Use

Plays a major role in the development of new subdivisions and the preservation of existing neighborhoods.

#### **Plan Review**

Trained and certified individuals review submitted plans to ensure that buildings adhere to established codes.

#### **Code Enforcement**

Ensures that established standards are observed for the safety and preservation of the community.

#### **Building Permits**

Construction projects are approved if they comply with Building and Zoning Regulations.

#### **Property Maintenance**

Establishes and enforces minimum standards for maintenance of existing buildings, structures, premises, and facilities in order to protect the health, safety, and general welfare of the public.

### **PUBLIC WORKS**

#### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Public Works Department is divided into four divisions; Engineering, Administration, Steets, and Fleet Maintenance. Each division is under the direct supervision of the Director of Public Works who is accountable for the sound management of the department and for the effectiveness of each operational element and for the administrative support of each function within the department.

Some or parts of the divisions in Public Works are funded by the General Fund. The General Fund department funding is categorized into four segments; Engineering, Administration, Streets, and Fleet Maintenance.

### TOTAL OPERATING BUDGET \$3,923,418

| DIVISION          | FY 2023 ACTUAL | FY 2024 BUDGET | FY 2025 BUDGET |
|-------------------|----------------|----------------|----------------|
| Engineering       | \$99,846       | \$298,734      | \$155,161      |
| Administration    | \$136,268      | \$15,949       | \$596,245      |
| Streets           | \$1,724,985    | \$2,497,457    | \$2,602,755    |
| Fleet Maintenance | \$378,202      | \$525,664      | \$569,257      |
| TOTAL DIVISION    | \$2,109,520    | \$3,337,804    | \$3,923,418    |

#### ANNUAL EXPENSES BY DIVISION

#### PUBLIC WORKS DEPARTMENT

#### 2023/2024 ACCOMPLISHMENTS

In 2023, local road infrastructure was improved throughout the Village as part of the In-House Road Program overlaying Paddock Circle, Clifford Street, Van Meter Drive, Newton Avenue, and Polo Club Drive. The project involved the removal and replacement of deteriorated and structurally damaged curbs and sidewalks along with base repairs to the roadway before the new asphalt surface layer was applied. The In-House Road Program repaved over 7,000 square yards of surface roadway, replacement of 200 linear feet of curb and 4,200 square feet of sidewalk.

The Village has committed to increasing sidewalk improvements by nearly doubling budget funding. With the increased funding, six streets were improved through the contracted Sidewalk Removal and Replacement Program with over 20,000 square feet of damaged or hazardous sidewalks being replaced.

The Public Works Department worked on numerous infrastructure projects to improve the Village's Storm Sewer System. The Village's contractor has completed the lining of 1,260 lineal feet of storm sewer under Jacobsen Avenue. This should give the existing storm sewer an extra 50 years of life. Construction of improvements to the storm sewer system in the Pearl Avenue/ James Court area are complete. The Village was awarded a DuPage County American Rescue Plan Storm Water Grant for the sum of \$252,419.

Street Division Staff responded to 14 snow and ice events throughout last year's winter season, plowing and de-icing 76 center lane miles of roadway and 147 courts. The Street Division also responded to 38 separate flood control events including clearing of storm inlets and streams to alleviate standing water on roadways.

The Division provided contract supervision and construction observation for large projects. One such project was the 2023 MFT Road Program that included the reconstruction of thirteen streets, at a total cost of approximately \$4.6 million dollars.

The Village's contractor continues to maintain vegetation in the recent East Branch DuPage River Tributary Project and Klein Creek. Invasive species were removed and native plants were added to create a healthy and sustainable streambank area. Besides offering stabilization to the creek, the vegetation improved the habitat for wildlife and filters pollutants from the water. The overall creek improvements included streambank stabilization, dredging, vegetation management of invasive species, and the planting of new trees and shrubs. These projects are now in the phase of planting and managing native species. The Village previously received \$400k in a Community Development Block Grant and \$650k in Water Quality Grants to build these projects.

Public Works is continuing to pursue future grants to continue to improve the waterways of the Village. The Department has sent in a grant application for the restoration of Armitage Creek located behind the Shell Gas Station at Glen Ellyn Road and adjacent to Nazos Park. The Village is also in the process of creating a grant application for the restoration of Lake Becerra located in Heritage Park. If the Village is awarded these grants, construction is planned to begin in 2025 for these projects.

The Department was awarded substantial funding for a bicycle and pedestrian feasibility study in the Village from the Chicago Metropolitan Agency for Planning (CMAP). CMAP has provided technical consultants to prepare a Bicycle and Pedestrian Plan. This could lead to further projects and grants to create safe bike and pedestrian routes in the Village and potentially connect to regional bike routes.

Public Works has completed the design of the resurfacing of Fullerton Avenue from Bloomingdale to Schmale Road. The Village was awarded a Federal Surface Transportation Program (STP) Grant

for this project. The total cost for this project is \$1.7 million with \$900,000 coming from the federal grant and the Village contributing \$800,000. Construction is expected to start the spring of 2024.

The Fleets Division internally services all Village Departments. Fleets was able to save the Village approximately \$10,000 by completing a fabrication to the K-9 unit vehicle. The oldest Cat Backhoe was repaired in house, saving the Village \$5,000 in labor costs. Public Works has taken delivery of a 2023 Peterbilt Arial Man lift truck which is the 7th Peterbilt truck in the Fleet. The Fleets Division is master certified and is undertaking current training on hybrid vehicles, and provides CDL training for other village staff. Over the last year, Fleets has completed 676 preventative measures and 747 corrective measures. In house repairs and maintenance by highly trained mechanics enable quick turn around and much lower costs.

#### ENGINEERING DIVISION GOALS & OBJECTIVES FY25

# Goal #1: Participate in Conferences and Training Programs to add new skills and to learn of any new fiscal opportunities for the Village.

- Attend Training Sessions to receive and maintain licenses and accreditations
  - o Assistant Village Engineer will attend monthly Municipal Engineer Group meetings.
  - Attend IAFSM Conference to maintain CFM (Certified Floodplain Manager accreditation.
  - Attend the Transportation Technical Committee meetings to learn of new fiscal opportunities for the Village.
  - Attend various training classes to receive continuing education and professional development hours to maintain professional engineering license.
  - o Pursue STP funding by getting additional streets FAU designation.
  - o Pursue ITEP grants for President St. and Jill Court

#### Goal# 2: Improve safety for residents and employees alike, in all Public Works Service Areas.

- Identify and Investigate all reported flooding locations
  - o Ensure all flooding locations are reported on Public Works database at the time they occur.
  - o Investigate, analyze and recommend both short-term and longterm solutions to flooding incidents on publicly owned property.
- Ensure all construction sites are being maintained in a safe manner to the public.
  - Carryout as minimum, weekly inspections of all construction sites and ensure compliance to developed checklist.

#### Goal # 3: Ensure The Village is compliant with the IEPA NPDES Permit

- Ensure that Village Contractors are following the Stormwater Pollution Prevention Plan
  - o Verify the completion of the weekly Stormwater Construction Site Inspection Report
  - o Ensure Public Works staff attend salt reduction training as part of NPDES Permit

#### FLEETS DIVISION

#### Goal #1: Improve safety for residents and employees in all Public Works Service Areas.

- Ensure standard operating procedures and best management practices are implemented and in place for all operations in the Fleets Division by:
  - Ensure monthly/annual safety checks of internal equipment and procedures are undertaken and documented.
  - Divisional safety rep will hold monthly training meetings.
  - Divisional employee shall be on all accident review panels in public works
- Provide an efficient Fleet that is safe and in good operational condition to support other departments and divisions by:
  - Repetitive, returned vehicles shall be investigated and resolved by Lead Mechanic on occurrences of 2 or more within a 14 day period.
  - Assist other Divisions with new purchases including specifications and installation of equipment.
  - Continue to develop staff skills and knowledge with available training and ASE certifications to improve efficiency.

# Goal # 2: Ensure all tools and equipment are in good working order, kept current and up to date, and a program of replacement is developed.

- Continue to utilize the checklist of all equipment with categories of excellent, good, fair or poor.
- Continue to assign one staff member to perform a weekly inspection of Fleets Division owned tools and equipment to include condition.
- Prioritize repairs and replacement of equipment. Replacement Jack and Porto Jack is budgeted for FY24
- Purchase new auto and light truck scan tool and software. This scan tool will be purchased in FY24.

# Goal #3: Develop policies and procedures to improve fiscal responsibility by all Fleets employees.

- Execute the annual budget responsibly by:
  - Secure multiple pricing on parts and inventory to ensure competitive pricing.
  - Perform an annual self-audit of the Divisions inventory in a rotating manner with staff and summit a report to Finance.
- Recycle and lower carbon footprints while controlling costs by:
  - Continue to extend time between oil & fluid changes.
  - Continue to recycle antifreeze, batteries, engine oil, brake fluid, hydro fluid, and steel.

#### STREETS DIVISION GOALS & OBJECTIVES FY-25

# Goal # 1: Improve safety for residents and employees alike, in all Public Works Service Areas.

- Improve Pedestrian Safety throughout the Green Zone
  - Identify remedial sidewalk work and update GIS to track and record conditions. Implement newly created comprehensive sidewalk checklist to have data integrated into the GIS
  - o Convert sidewalk data into GIS.
  - o Convert electrical locating data into the GIS
  - o Review and contract annual sidewalk program.
  - o Sidewalk project from CMAP list adding additional sidewalk in areas where no sidewalk exists is included in FY-25
- Improve Street Lighting in the Village.
  - Update the existing lighting plan and integrate a 5 year outlook applying GIS data with field verification of deficiencies to identify new projects.
  - Install additional street lighting at 364 Loveland Drive, 1862
    Gregory Avenue and 1875 Deere Lane
  - o Continue a nightly lighting survey Every 6 months to identify light outages
- ✤ Improve and Maintain Village Streets.
  - o Utilize the 10-year Pavement Analysis Report developed by

IMS to review and plan MFT and In-House Road Projects for FY-25

- Undertake annual In-House survey of existing pavement conditions for remedial temporary and permanent asphalt repairs, utilizing the Pavement Analysis Report (IMS). Class D patches identified for repairs to be included in the 2024 MFT Road Program and by In House Staff
- o Undertake crack sealing on past MFT/In House Road Programs FY-25
- o Street sweeping to keep curb lines and roadways clean of debris
- Improve Storm Water Quality
  - o Reline 30" and 36" CMP at Glen Hill Drive
  - o Water quality grant project for Armitage Creek Reaches 13 and 14
  - o Televise all storm sewer laterals for MFT/In House Road Programs
  - o DuPage County approved funding for the Lake Becerra Shoreline Stabilization Project

Goal # 2: Improve service delivery across all areas of Public Works operations.

- Provide an initial response within 2 days of receipt, and a substantive response within 7 days of receipt of All Work Orders/Complaints.
  - Streets Division Manager/Foreman to check Public Works database every morning for status of reports.
  - o Hire an Intern for GIS data input and confirm information in the field

Goal #3: Develop policies and procedures to improve financial responsibility in all areas of Public Works.

- Improve efficiency and maximize financial opportunities within the Streets Division
  - o Continue to pursue Grant Opportunities for Village streets.
  - o Review available streets to be part of grants from FAU, STP, CMAP, and American Rescue Plan Act (ARPA) and work with CBBEL with applications.
- Repair Vehicles to prolong the life expectancy.
  - o Replace vehicle #566 6 wheeler snow plow
  - o Replace vehicle #571
  - o Replace vehicle #572
  - o Replace sweeper intake head

- o Staff to inspect and clean all vehicles regularly
- o Purchase a new Pavement Marking Machine for roadway painting/striping

# Public Works Strategic Goals and Strategies

#### Citizen Survey-NIU Workshop

- Improve street maintenance
- Improve sidewalk maintenance

#### Village Response

- Utilize the 10 year payment analysis report developed by IMS to review and plan MFT and in-house road projects
- Increased annual road program funding to \$4.5 million
- Increased annual sidewalk program funding to \$260 thousand

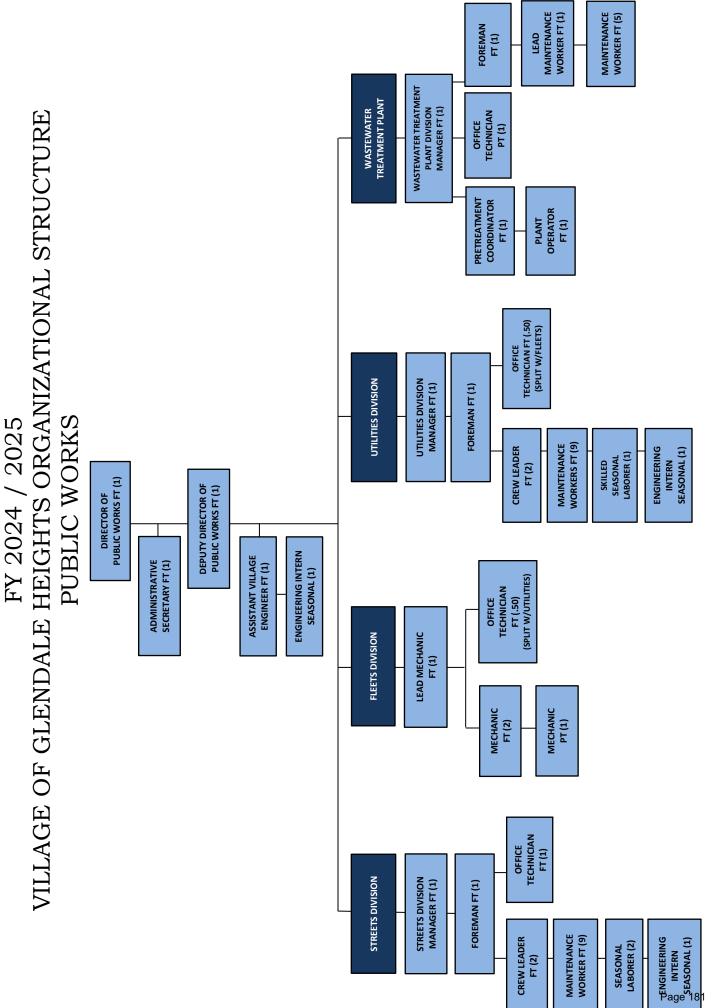

# Public Works Strategic Goals and Strategies

#### Citizen Survey-NIU Workshop

Maintain high quality water and sewer infrastructure

#### Village Response

- Evaluate and pursue projects/recommendations from Energy Efficiency Study
- Undertake Phosphorus Removal Project construction to improve Waste Water Treatment Plant Nutrient removal performance and conform to the NPDES Permit
- Undertake construction of fine screens rehabilitation project
- Construct UV disinfection system
- Design Primary Clarifiers as per Facility Plan

The department of Public Works is organized into six divisions: Administration, Street, Utilities, Fleets, Engineering and Wastewater Treatment Plant. Each division is under the direct supervision of the Director of Public Works who is accountable for the sound management of the department and for the effectiveness of each operational element and for the administrative support of each function within the department. Total number of employees authorized: 45 Full-Time, 2 Part-Time, and 6 Seasonal

### PUBLIC WORKS: ADMINISTRATION

#### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Public Works Department provides services to 33,176 residents, eight industrial parks, and various commercial enterprises in six political districts. Policy leadership is provided by the Village President with the advice and consent of six Village Board Members. The office of the Village Administrator oversees that the Public Works Department is effectively translating the policy into programs and services. The Public Works staff performs service and projects that many times are vital, life sustaining necessities. These services form the foundation for many of the basic needs that improve the quality of life for 100% of the residents.

#### **Essential Functions**

*Administration* - Facilitates leadership, direction, and coordination of services as the executive management partner.

*Engineering* – Provides engineering services to Public Works and support to other departments.

*Street Maintenance* - Right-of-way maintenance and repair, including snow and ice control, storm water maintenance, and pavement management for approximately 76 centerline miles of roadway.

*Fleet Maintenance* - Provides the Village Departments with safe vehicles and equipment; appropriate for their use that are economical, dependable, and environmentally sound to operate.

#### Service Standards

The Public Works team takes pride in its track record of quality first service. Acquiring customer feedback, using self-assessments and other benchmarking tools, the department maintains a clear picture of business advantages, private sector competition, and a comparison of service levels with neighboring communities.

**Vision:** We want our customers to call us because they know we will provide efficient timely service.

**Mission:** Our mission is to enhance our customers' lives by providing them services that often surpass their basic needs.

#### PROPOSED BUDGET WITH ACTUAL HISTORY

### PUBLIC WORKS: ENGINEERING

#### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Engineering Division will provide quality engineering services to both internal departments and external parties, such as contractors, developers, DuPage County, and other engineering bodies. The division is also instrumental in ensuring the Village's Illinois Environmental Protection Agency (IEPA) Storm water National Pollutant Discharge Elimination System (NPDES) MS4 Permit remains in compliance.

#### PROPOSED BUDGET BY CLASS WITH ACTUAL HISTORY

### PUBLIC WORKS: FLEETS

#### MISSION STATEMENT

Mission To provide procurement, maintenance, repair, and salvage services to all Village Departments. To ensure safe, reliable, cost effective resources, while considering environmental effects to the end users and citizens of the community.

#### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Fleets Division is committed to providing municipal fleet repair and maintenance to Village-owned vehicles and equipment to ensure the availability of a long-lasting, reliable, and cost effective fleet, emphasizing on minimizing effects on the environment.

This division provides these services on approximately 314 Village-owned vehicles and equipment. The services provided to our respective divisions include preventive maintenance, repair services, fabrication services, new vehicle specification, purchasing, salvage, product support and training.

Fleet Services employs highly trained technicians that have the experience and expertise to provide all of these services. The fleets garage has 7 working service bays, and 5 lifts.

The Fleet Maintenance division is committed to investigating future options in transportation, alternative fuels and cleaner running vehicles.

### PARKS AND GROUNDS

#### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Parks and Grounds Department is divided into two divisions; Parks and Grounds, and Forestry Operations.

The Department's purpose is to guide, assist, and provide direction to staff in meeting the following mission statement: To enrich the quality of life of the community by 1) identifying community needs, 2) mobilizing resources for community action, 3) facilitating growth and recreational opportunity, and 4) providing necessary services which fills the community's needs.

#### TOTAL OPERATING BUDGET \$1,575,323

#### ANNUAL EXPENSES BY DIVISION

| DIVISION           | FY 2023 ACTUAL | FY 2024 BUDGET | FY 2025 BUDGET |
|--------------------|----------------|----------------|----------------|
| Parks & Grounds    | \$1,189,776    | \$1,548,893    | \$1,466,090    |
| Forestry Operation | \$86,135       | \$182,670      | \$109,233      |
| TOTAL DIVISION     | \$1,275,910    | \$1,731,563    | \$1,575,323    |

#### 2023/2024 ACCOMPLISHMENTS

#### PARKS DEPARTMENT

In the fall of 2023, the turf field project began at Camera Park. This field change will convert the Camera lighted soccer field to artificial turf. This field will assure that recreation participants and public members can have a field that is playable in all weather conditions with minimal wear. This project is expected to be completed in the spring of 2024.

In addition to the turf soccer field, infield work was completed at both the Nazos Park baseball diamonds. Regrading, replacing material and improving the fence areas of each of these ball diamonds should offer players at Nazos Park quality baseball diamonds for many years to come.

#### 2024/2025 GOALS & OBJECTIVES

#### Parks

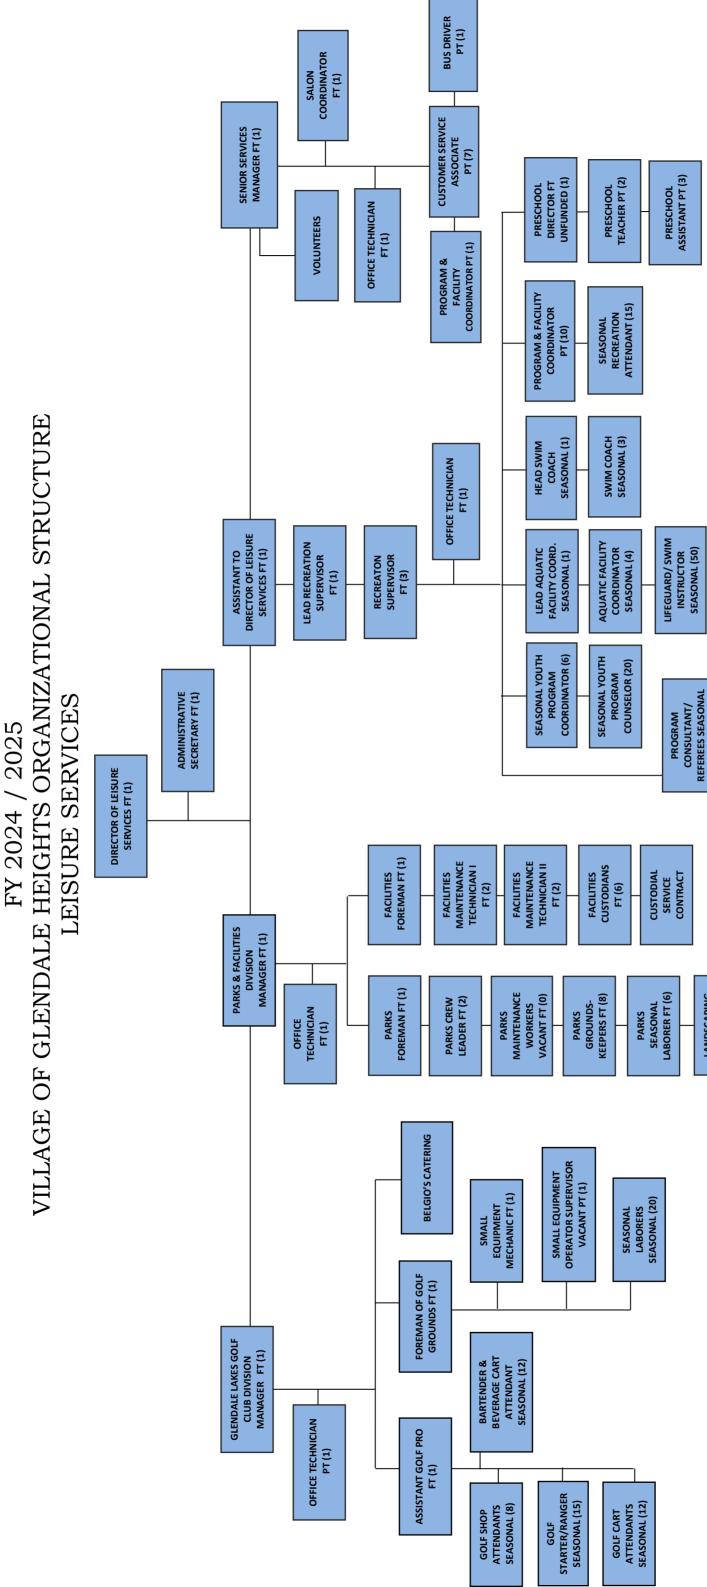

#### Goal #1: Improve efficiency of Parks employees throughout the day

- Implement new and more efficient morning and end of day procedures
- Implement new procedures on equipment use
- Implement new planning with daily, weekly and monthly maintenance work

#### **Goal #2:** Enhance park facilities

- ◆ Use survey results to add park features that residents are looking for
- Work on beautification and detail work in parks to make them more attractive

 $_{n}$ The Leisure Services Department provides quality recreational and leisure services and facilities for the residents of the Village of Glendale Heights. Glendale Lakes Golf Club features an 18-hole championship promote their well-being, support their independence, and overall quality of life. Total number of employees authorized: 39 Full-Time, 1 Full-Time Unfunded, 25 Part-Time, 1 Part-Time Vacant, and 173 banquet facility can accommodate groups up to 250 people. The Center for Senior Citizens provides services and programs for older adults designed to design golf course with a full-service Pro-Shop. The Seasonal.

LANDSCAPING

SERVICE CONTRACT

### PARKS & GROUNDS

#### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Parks & Grounds Division is responsible for maintaining all public properties. Included in the division's responsibility is the removal and/or trimming of trees located in the public rightof-ways and Village park properties. The Division provides services including grass cutting, brush removal, leaf pickup and general turf maintenance along roadways and other public properties. In winter season, the Division assists with snow and ice removal at the Village complex. The Division supplements its own forces with private contractors for tree removal and grounds maintenance and landscaping efforts.

### PARKS, GROUNDS AND FORESTRY

#### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Village of Glendale Heights maintains approximately 13,000 park and parkway trees. The Emerald Ash Borer (EAB) was first discovered in Glendale Heights in 2007. EAB normally attack and kill Ash trees that are weakened by stresses such as drought, disease, and mechanical injury. In FY 2015, the Village dedicated \$576,100 towards fully eradicating the EAB problem. Going forward, the Village has pledged to allocate resources as they are available to plant new trees.

FISCAL YEAR 2024/25

### **BUILDING MAINTENANCE**

#### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Building Maintenance Division provides repairs, remodeling and preventive maintenance for all buildings, equipment, and furnishings. The buildings consist of the following: Civic Center, Police Station, Vehicle Maintenance Garage, WWTP, Facilities, Public Works Building, Sports Hub, Senior Center, Swimming Pool, Golf Course, and other department properties for a total of 24 buildings.

The maintenance consists of (but is not limited to) the repair/replacement of the following; heating and air conditioning equipment, overhead garage doors, vehicle exhaust systems, painting, carpentry, plumbing, electrical, fire tools, designing and building training props.

The Building Maintenance Division is also responsible for the purchasing of hazardous material supplies, purchasing and maintenance of all physical fitness equipment, ordering and distribution of all custodial supplies, along with all invoices and payments associated with the operations of building maintenance.

### LEISURE SERVICES FUND

#### MISSION STATEMENT

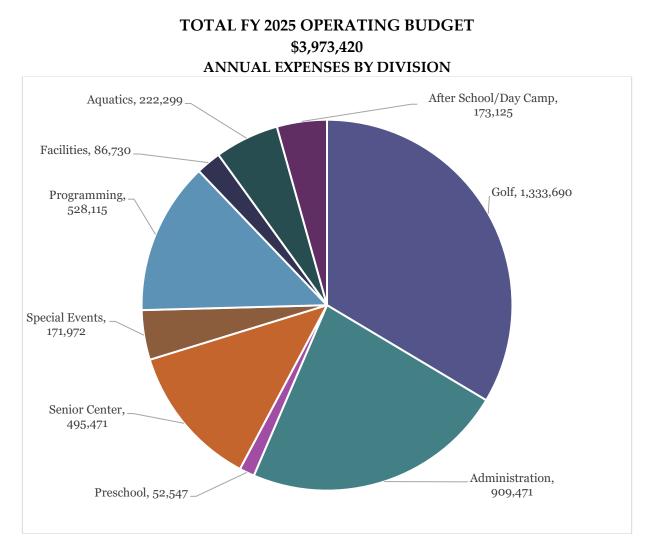

The mission of the Glendale Heights Leisure Services Department is to build on current strengths by preserving open space and providing quality recreational and leisure services and facilities for the residents of the Village of Glendale Heights. With our variety of parks, facilities, and Aquatic Center, we work day in and day out to accomplish the goals set within our statement and beyond.

#### FUND DESCRIPTION

The Parks, Recreation and Facilities Department has been re-branded to the Leisure Services Department to better encompass all recreational activities under one Department. Meanwhile, the Facilities Division will now report directly to the Administration Department of the Village. The Center for Senior Citizens and Glendale Lakes Golf Club both fall under the Leisure Services Department. Although this doesn't directly affect the residents of Glendale Heights, it does give more resources amongst Divisions to provide even more programming and special events.

The Fund is divided into the following nine (9) divisions; Golf, Senior Center, Special Events, Administration, Programming, Preschool, Aquatics, After School/Day Camp, and Facilities. The Leisure Services Fund provides for all municipally supported recreation opportunities for the residents of the Village, and its Mission Statement is to enrich the quality of life of the community by 1) identifying community needs, 2) mobilizing resources for community action, 3) facilitating growth and recreational opportunity, and 4) providing necessary services which fills the community's needs.

#### 2023/2024 ACCOMPLISHMENTS LEISURE SERVICES

#### Leisure Services Division

The Recreation Division offers a wide variety of programs for all age groups from tiny tots to adults. The Department strives to provide activities, programs and events that are affordable, fun and engaging in a safe environment. Program and event information can be found at www.ghrec.org and in the Activity Guide that is mailed in May, August and December.

The PATH Summer Camp program had 688 enrollments over the summer. Campers enjoyed arts & crafts, movie days, athletic activities, games, swimming at GH2O and weekly field trips. In 2023, we offered our first End of Summer Family Pool Party for campers and their families. The event included snacks, music, raffles and games. Planning for the 2024 summer season is underway and we hope to see all campers back in 2024.

Throughout 2023, youth athletic programs continued to see an increase in participation. Youth leagues experienced an overall growth of 48% with over 1,085 participants. We are excited to offer new youth athletic programs in 2024 which include Track & Field, Beginning Golf, Flag Football Fueled by USA Football and My First T-ball.

In 2023, the Recreation Division added Movies and Concerts in the Park to the special event offerings. Our Summer Concert Series was a huge success with a variety of music offered all summer long. We look forward to bringing back our Concert in the Park series in 2024.

The gym floor at the Sports Hub was refinished in the fall of 2023. Included with the refinishing were the addition of lines for both basketball and pickleball. The Hub offers pickleball on weekdays from 9:00 am to 1:00 pm.

The Center for Senior Citizens was renamed in September to honor the late Village President, Linda Jackson. The newly named Linda Jackson Center for Senior Citizens took her vision to build a space to allow senior residents a place to thrive in the community. The Center received over 8,000 member visits in 2023 while exploring multiple new programs in fitness, travel opportunities, educational seminars, arts & crafts and more.

The Center also broke ground on an expansion project partially funded by a DCEO Grant in 2023. The much-needed

Pickleball is one of several new programs offered in 2023.

space will be used to expand the Medical Lending Closet program, office space and safer areas to store various Center equipment. We look forward to this project completion in the Spring of 2024.

The 2023 National Council on Aging Senior Center Month theme was: Discover Yours. We celebrated with a variety of pop-up events to encourage senior residents to try something new. The Center hosted a conference with the Association of Illinois Senior Centers in September.

We shared our accomplishments throughout 2023 and collaborated on the best ways to serve the senior population in our communities. With over 45 Senior Center Managers in attendance, we gained valuable knowledge and successful programming ideas to share with the senior residents of Glendale Heights.

In the fall of 2023, the turf field project began at Camera Park. This field change will convert the Camera lighted soccer field to artificial turf. This field will assure that recreation participants and public members can have a field that is playable in all weather conditions with minimal wear. This project is expected to be completed in the spring of 2024.

New baseball/softball fields were completed at Nazos Park which included regrading of the infield and outfields.

In addition to the turf soccer field, infield work was completed at both the Nazos Park baseball diamonds. Regrading, replacing material and improving the fence areas of each of these ball diamonds should offer players at Nazos Park quality baseball diamonds for many years to come.

Golf continues to thrive at the Glendale Lakes Golf Club with over 25,000 rounds of golf in 2023. The Glendale Heights Charity Golf Classic was held on Friday, August 25th and raised \$18,000 for six worthwhile charities. The charities

included the Northern Illinois Food Bank, Family in Faith Food Pantry, the Glendale Heights Christmas Sharing Program, the FOP Lodge # 52 Community Enrichment Fund, the Glendale Heights Chamber of Commerce Scholarship Fund and the Glendale Heights Foundation. Please contact the Glendale Lakes Golf Club to find out how you can get involved in the 2024 Glendale Heights Charity Classic which will be held on August 28, 2024.

Several projects and purchases were completed in 2023 at the Glendale Lakes Golf Club. A new fleet of 77 golf carts arrived in May with new energy efficient batteries. Bunker work was also continued on the golf course at two large fairway bunkers. The large fairway bunker at Hole #1 and Hole #9 was completed, as well as the large fairway bunkers on Hole #11 were converted from sand to grass. Work on these was completed in the fall with both being ready for grass seed in the spring.

#### 2024/2025 GOALS & OBJECTIVES RECREATION DIVISION

#### Golf and Parks Division

#### Goal # 1: Implement technologies to improve daily operations

- Work with Finance to implement journal entry export function of G1 Golf Software.
- Learn and Implement Paycom Software to manage payroll and HR functions

#### Goal #2: Enhance communication among all managers at the golf course

- Implement regular staff meeting schedule
- Encourage managers to communicate by texting, emailing and entering in Food and Beverage Software when information needs to be shared quickly and to everyone in a timely manner.

#### **Golf Operations**

#### Goal #1: Increase junior and youth golf programs

- Work with local high school coaches to promote the Junior Golf program
- Market Junior Golf programs to schools that feed the high schools of Glendale Heights and surrounding communities
- ✤ Use SNAG Golf (<u>S</u>tarting <u>N</u>ew <u>At</u> <u>G</u>olf) golf instruction equipment to introduce basic golf skills at community events in Glendale Heights
- ◆ Use SNAG Golf to expose summer PATH program participants to golf
- Offer SNAG Golf component to local schools to help introduce the game.

#### Goal #2: Increase rounds of golf

- Work on marketing specials to fill open times on the tee sheet
- ◆ Work with the maintenance division to improve golf course playability for golfers
- Promote to golf outing participants a come back and play offer that focuses on slower times
- Promote golf outing packages to local businesses

#### Food & Beverage

#### Goal #1: Increase sales of food before, during and after golf rounds

- Offer an improved bar menu.
- ✤ Advertise on the golf carts new menus
- Improve efficiency skills of bartenders and staff in back kitchen

• Work on beautification and detail work in parks to make them more attractive

#### Village Response

- Funding to improve Millennium Park
- Funding to replace Siems Park walking path and parking lots
- Design work for Simons Property, and application for OSLAD grant funding

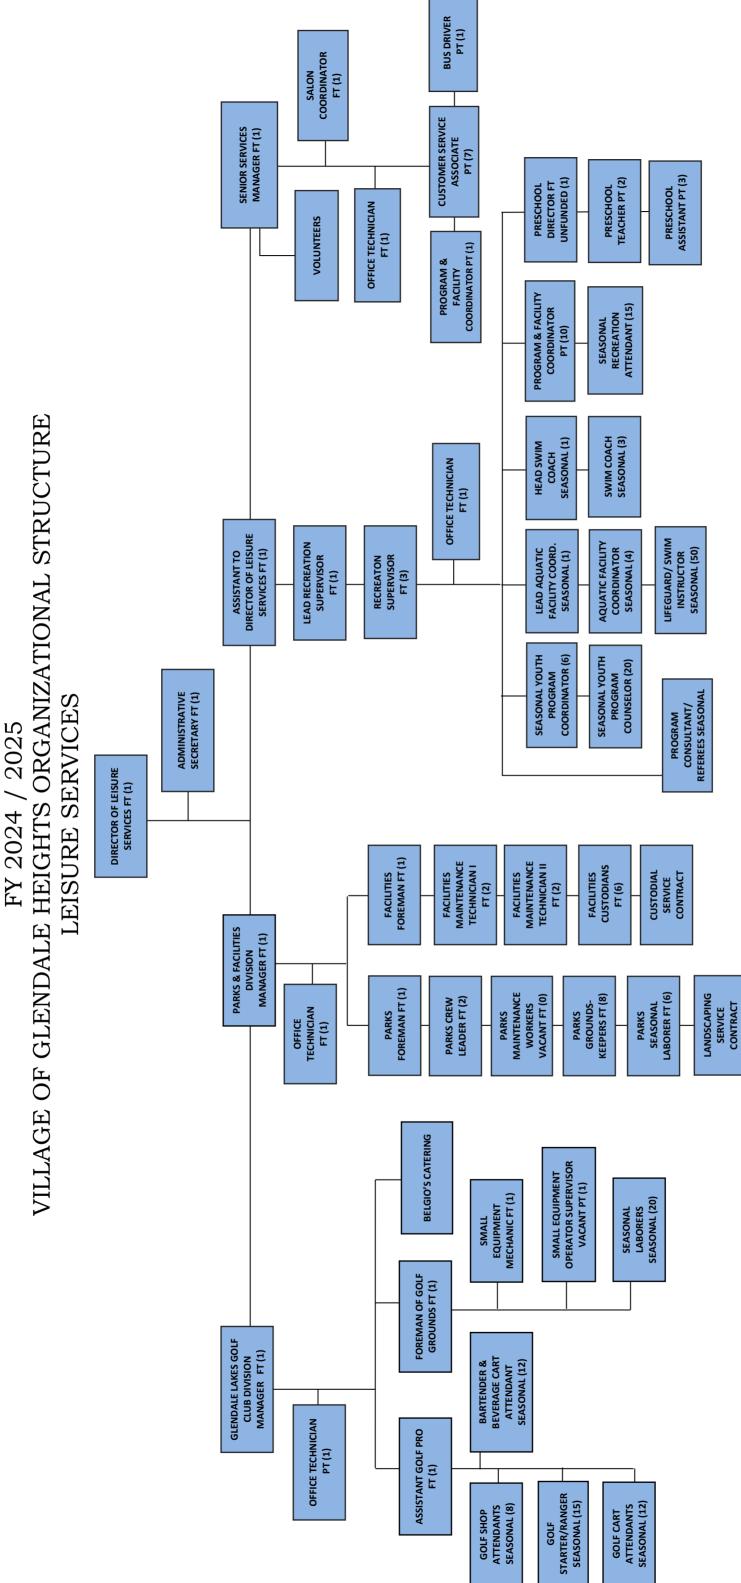

## Leisure Services Strategic Goals and Strategies

#### Citizen Survey-NIU Workshop

- More family activities
- More special events and community gatherings

#### Village Response

- Funding added for a Summer Concert Series
- Promote more cultural events

 $_{n}$ The Leisure Services Department provides quality recreational and leisure services and facilities for the residents of the Village of Glendale Heights. Glendale Lakes Golf Club features an 18-hole championship promote their well-being, support their independence, and overall quality of life. Total number of employees authorized: 39 Full-Time, 1 Full-Time Unfunded, 25 Part-Time, 1 Part-Time Vacant, and 173 banquet facility can accommodate groups up to 250 people. The Center for Senior Citizens provides services and programs for older adults designed to design golf course with a full-service Pro-Shop. The Seasonal.

### LEISURE SERVICES FUND: REVENUE

The mission of the Glendale Heights Leisure Services Fund is to build on current strengths by preserving open space and providing quality recreational and leisure services and facilities for the residents of the Village of Glendale Heights. With our variety of parks, facilities, and Aquatic Center, we work day in and day out to accomplish the goals set within our statement and beyond.

Revenues are categorized into three major segments; Transfers In, Charges for Services, and Other Revenues.

#### TRANSFERS

Transfers from the General Fund replace Tax Levy for Recreation starting in FY 2023/2024. The Levy for Recreation will now be reflected in the General Fund. Transfers In represent approximately 34% of total Leisure Services Fund revenues.

#### CHARGES FOR SERVICES

#### **Recreation Programming**

Recreation receives a variety of revenue from participation by the residents of Glendale Heights and surrounding communities and by many programs the Village offers. Programs include, but are not limited to; adult athletics, soccer leagues, GHYBS (baseball & softball), open gym, gymnastics, youth programs, martial arts & fencing, ice skating, NEDSRA (Northeast DuPage Special Recreation Association), tot programs, day camps, many popular special events and use of the Fitness Center and Sports Hub Facilities.

#### Recreation Division

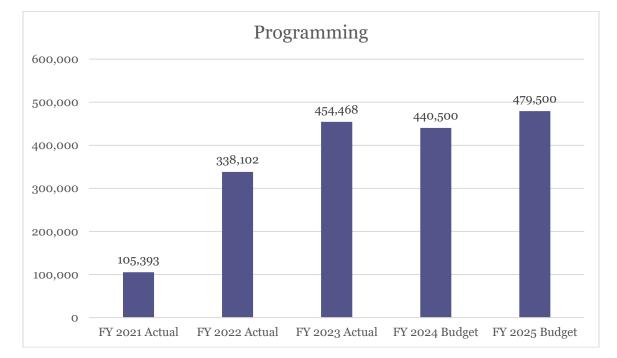

Each year, the Recreation Division offers a wide variety of programs for all age groups from tiny tots to adults. The division strives to provide activities and programs that are affordable, fun and engaging in a safe environment.

The following bar graph shows the historical revenue trends in programming over the last 5 years, including this budget's revenue projection.

#### **Programming Revenue** Five (5) Year History

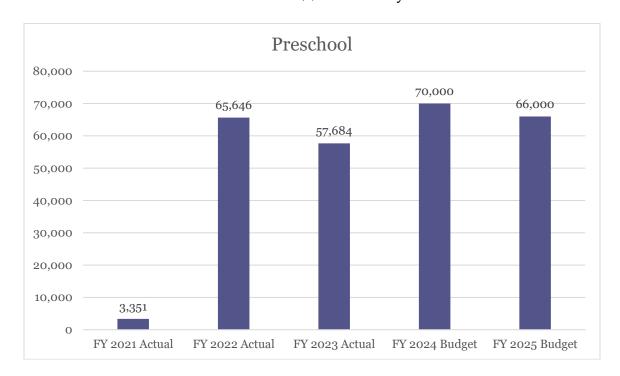

#### Preschool

The Glendale Heights Preschool Program prepares children for kindergarten by providing a nurturing, caring environment taught by experienced early childhood teachers.

The Village is estimating that revenue will stabilize in Fiscal Year 2024/25, despite less expensive, similar services to be provided by School Districts within the Village. The following bar graph shows the historical revenue trends in preschool over the last 5 years, including this budget's revenue projection.

#### **Preschool Revenue** Five (5) Year History

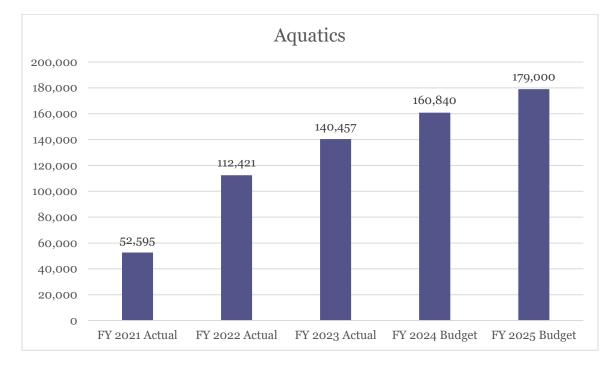

#### Aquatics

The Aquatic Center, built in 1997 offers a zero-depth entry pool, sloping to maximum depth of five feet, a six lane competitive lap swimming area, two water slides, and a water spray play area and volleyball courts, sand play area, sundeck and concession area are also available.

On July 4, 2012, the Aquatic Center celebrated its Grand Re-Opening. The Village experienced an increase in attendance at the Glendale Heights Aquatic Center (GH<sub>2</sub>O). The Aquatic Center has been updated to include a FlowRider (simulated surfing ride), a deep well with diving boards, and a new drop slide.

The Village is estimating that revenue will be improved from Fiscal Year 2023/24 due to the lingering impact of the pandemic. The following bar graph shows the historical revenue trends in aquatics over the last 5 years, including this budget's revenue projection.

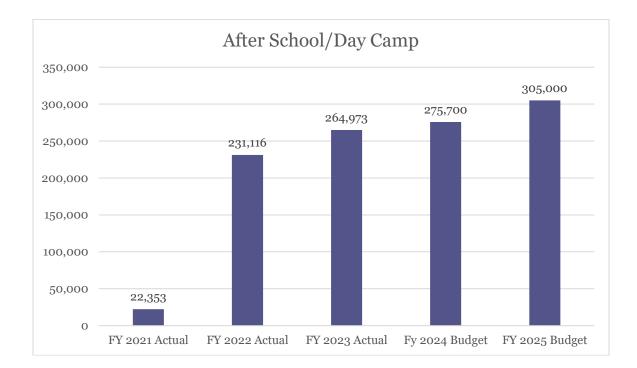

#### Aquatic Revenue Five (5) Year History

#### After School/Day Camp

The Village invites all area residents and community children to participate in youth recreation in the Village's after school, summer camp, and day off programs. The Village works closely with area schools to provide programs that complement schedules and curricula while providing participants with a nurturing, yet engaging, place to play.

The Village is estimating that revenue will increase in Fiscal Year 2024/25, primarily due to a renewed interest in the program, and further loosening of pandemic restrictions. The following bar graph shows the historical revenue trends in afterschool/day camp over the last 5 years, including this budget's revenue projection.

#### After School/Day Camp Revenue Five (5) Year History

## SENIOR CENTER AND SPECIAL EVENT REVENUES

Senior Fitness Room equipped with state-of-art

Life Fitness Equipment designed to help improve the mental and physical health of older adults.

#### SENIOR CENTER REVENUES

#### SPECIAL EVENT REVENUES

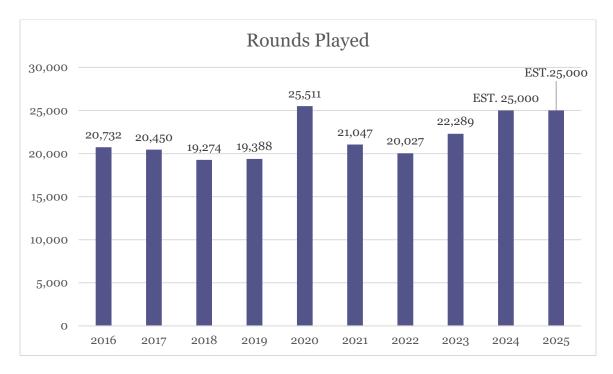

### **GOLF REVENUE**

The Golf Course Revenues are categorized into three categories; Golf and Pro Shop, Restaurant/Banquets, and Charity Classic Event.

In a typical year, approximately 19,000 rounds of golf are played on the course. Since 2021, however, Golf has been anything but typical, and Glendale Lakes generated just under 26,000 rounds of golf in calendar year 2021, and continues to exceed the previous baseline of 19,000 rounds.

### Golf Rounds Played Last 10 Years

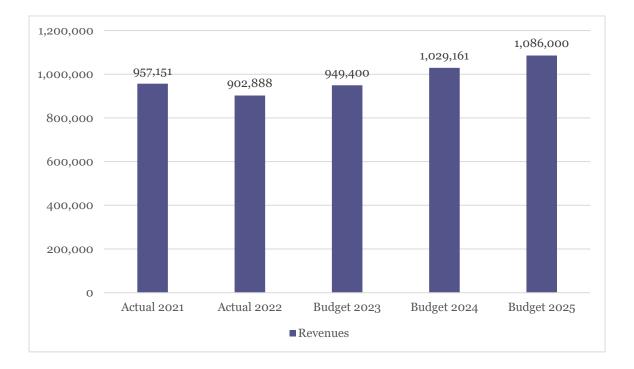

#### **Pro Shop**

The Glendale Lakes Golf Course is open year-round weather permitting. Each year's revenue is very dependent upon a healthy economy and favorable golfing conditions. The Village is predicting steady revenues compared to last year's budget.

The Pro Shop revenue category encompasses all cash flows received from sales of daily rounds of golf, annual memberships, cart and equipment rental, and Pro Shop sales.

The Pro Shop offers a variety of items for sale, including clubs, clothing, golf balls, and many golf accessories. The GLGC competitively prices its merchandise in order to have profitable sales year-round.

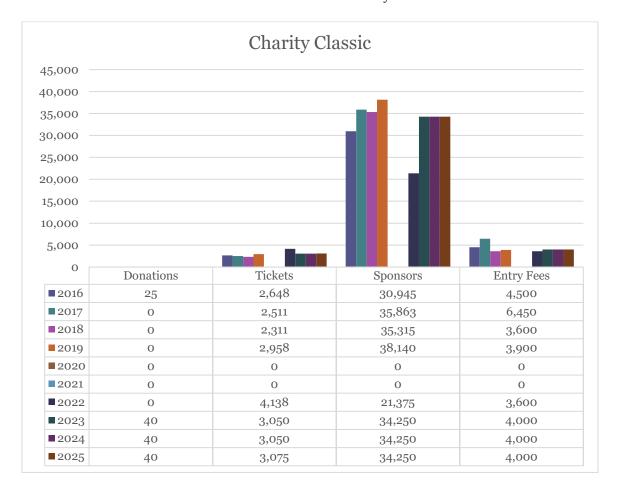

### **Pro Shop Revenue Including Greens Fees and Cart Fees**

#### **Charity Golf Classic**

The Charity Golf Classic is held annually at the Glendale Lakes Golf Course. Since its inception, the Charity Golf Classic has raised over \$500,000 to support local organizations. In past years, money raised by the Charity Golf Classic has gone toward local scholarships, residents in financial need, as well as aiding in the fight against juvenile diabetes, breast cancer and heart disease. Due to the pandemic, the Charity Golf Classic did not take place in 2020 or 2021.

#### Charity Golf Classic Revenue Ten Year History

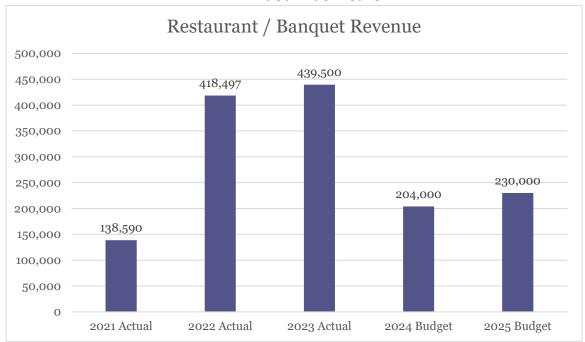

## **GOLF RESTAURANT AND BANQUETS**

The Glendale Lakes Golf Club can accommodate up to 250 people for special events including wedding receptions, family reunions, business meetings, and many more.

The Restaurant and Banquet Division is responsible for the servicing of all customers that visit the restaurant or attend one of the many banquets held throughout the year. This division is also responsible for the ordering, preparing, and serving of all food and beverages ordered at any of its events or restaurant facilities. As of May 1st 2023, the Village of Glendale Heights and Belgio's catering have formed a partnership for all banquets at Glendale Lakes Golf Club. Belgio's catering will be booking, cooking and executing all of the banquets at Glendale Lakes Golf Club. Over 95% of all event evaluations in 2021/2022 rated Glendale Lakes Golf Club above average or better.

Golfers are also able to purchase from a grill menu at the clubhouse which golfers visit before and after their rounds as well as before teeing off on the 10<sup>th</sup> hole. The Golf Course also offers up to two beverage carts that service golfers during play from the months of April through October.

# LEISURE SERVICES FUND GOLF ADMINISTRATION

## GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Administration division provides essential support to internal operations as well as a broad range of services to the residents and golfing community in general. The Administration is responsible for the oversight of the daily operations and maintenance of the golf course. The Administration Division strives to;

- Provide high-quality, service-oriented and challenging golf experiences for all levels of players.
- Provide quality lesson programs, tournaments, golf shop, and a restaurant and banquet facility.
- Maintain the Glendale Lakes Golf Course at the highest level, using the natural features of the property to enhance the beauty and golf experience of the course.
- Actively market the golf course to promote play, use of the banquet facilities, and assist in meeting revenue targets.

GLEN

A PROUD & PROGRESSIVE VILLAGE FOR ALL PEOPLE

# GOLF / PRO SHOP

## GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Pro Shop services its customers by providing rounds of golf, purchases of annual memberships, cart and equipment rental, and offering a variety of items for sale. The Pro Shop offers for sale golf clubs, clothing, golf balls, and many more golf accessories. The GLGC competitively prices its merchandise in order to have profitable sales year-round.

The Glendale Lakes Golf Course is open year-round and has 77 carts and walk behind carts available for rent. Residents and visitors are offered competitive pricing for daily green fees as well as annual memberships.

The Pro Shop division is responsible for hiring the best customer service representatives to work with our patrons, the buying and selling of the Pro Shop items, the management of annual memberships, and the daily interactions with the numerous guests that visit the Golf Course.

# GOLF RESTAURANT/BANQUETS: FOOD & BEVERAGE

## GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Glendale Lakes Golf Club can accommodate up to 250 people for special events including wedding receptions, family reunions, business meetings, and many more.

The Restaurant and Banquet Division is responsible for the servicing of all customers that visit the restaurant or attend one of the many banquets held throughout the year. This division is also responsible for the ordering, preparing, and serving of all food and beverages ordered at any of its events or restaurant facilities. As of May 1st 2023, the Village of Glendale Heights and Belgio's catering have formed a partnership for all banquets at Glendale Lakes Golf Club. Belgio's catering will be booking, cooking and executing all of the banquets at Glendale Lakes Golf Club. Over 95% of all event evaluations in 2021/2022 rated Glendale Lakes Golf Club above average or better.

Golfers are also able to purchase from a grill menu at the clubhouse which golfers visit before and after their rounds as well as before teeing off on the 10<sup>th</sup> hole. The Golf Course also offers up to two beverage carts that service golfers during play from the months of April through October.

# **GOLF GROUNDS & MAINTENANCE**

### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Grounds Maintenance Division is responsible for the repairs and maintenance of the Glendale Lakes Golf Course. The division provides services including grass cutting, brush removal, leaf pickup and general lawn maintenance to all tee boxes, fairways, sand traps, putting greens, golf club and patio areas, and all other public spaces. The Division also supplements its own forces with private contractors when necessary.

# **CHARITY GOLF CLASSIC**

### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Charity Golf Classic is held annually at the Glendale Lakes Golf Club. This division is responsible for capturing all of the costs of the event, as well as, the payment of the Charity Golf Classic proceeds to its respective recipients. The event was cancelled in 2020 and 2021 due to the pandemic. In Fiscal Year 2024/25, the Golf Fund is estimating a community contribution of \$25,000.

# LEISURE SERVICES FUND: ADMINISTRATION

## GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Administration division provides essential support to internal operations as well as a broad range of services to the residents and other Village Departments. Administration is responsible for the oversight of the daily operations and maintenance of all operations run under the Parks, and Recreation, Senior Center and Golf Course Departments.

The mission of the Glendale Heights Recreation Department is to build on current strengths by preserving open space and providing quality recreational and leisure services and facilities for the residents of the Village of Glendale Heights. With the Village's variety of parks, facilities and Aquatic Park, this department works day in and day out to accomplish the goals set within our statement and beyond.

# LEISURE SERVICES FUND: RECREATION PROGRAMMING

## GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Sports Hub facility offers indoor recreation programs for all age groups. The facility also offers four preschool classrooms, three gymnasiums that hold activities such as basketball, volleyball and gymnastics, an indoor soccer gymnasium, one racquetball court, one dance studio, indoor playground, and state of the art fitness room.

This division provides a variety of programs to the Glendale Heights and surrounding communities. Programs include, but not are limited to; adult athletics, soccer leagues, GHYBS (baseball & softball), open gym, gymnastics, youth programs, martial arts & fencing, ice skating, NEDSRA (Northeast DuPage Special Recreation Association), tot programs, golf camps, many popular annual special events and access to the Fitness Center and Sports Hub.

# LEISURE SERVICES FUND: PRESCHOOL

## GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

Most medical professionals, as well as educators, agree that the ages three through five are

crucial periods in a child's education and development. Enrolling your child in a preschool program will help to lay the foundation for academics, social interaction skills, as well as build self-confidence in a child.

Our preschool program curriculum reflects the guidelines of the state of Illinois learning standards. We are proud to be licensed by the Illinois Department of Children & Family

Services (D.C.F.S.). Prepare your child for kindergarten and beyond through fun learning experiences and activities at the Glendale Heights Preschool!

### Preschool Rompers (Ages 2.5-4)

This class is perfect for children that are not quite ready for the full preschool experience. Help your child become comfortable with separation through this fun playtime experience. Preschool staff provides opportunities to share, socialize, and cooperate through open-ended creative activities. The perfect introduction to the preschool program!

### Pre-K Enrichment Program (Ages 4-5)

This class is an extension and enhancement for Pre-K Adventurers. Focus on science, math, letters, colors, and socialization to really get ready for Kindergarten. By supplementing these 2 additional days, your child can participate in 5 continuous days of school.

### Preschool Explorers (Ages 3-4)

This class gives children the opportunity to explore, discover, problem solve and build selfesteem. Children will be introduced to colors, numbers and shapes through developmentally appropriate activities with emphasis on social and emotional growth.

All students are required to pay a \$30 registration fee and \$30 supply fee which must be paid at the time of registration. Registration begins 6/1.

A monthly payment plan is offered to assist parents with the financial responsibilities of the preschool program. To keep the monthly payments consistent, the total program fee is spread out evenly over 9 payments. The first payment is due at the time of registration. Payment dates are: October 1, November 1, December 1, January 1, February 1, March 1, April 1 and May 1.

Specific teachers are not guaranteed. The Leisure Services Department reserves the right to assign teachers as best fits the operations of the Department.

#### Pre-K Adventurers (Ages 4-5)

This pre-kindergarten class is recommended for children who will start kindergarten in the Fall of 2025. The alphabet, numbers, shapes, color recognition, socialization and name writing are some of the areas of emphasis for a smooth transition into kindergarten.

# LEISURE SERVICES FUND: AQUATICS

## GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Aquatic Center, built in 1997 offers a zero depth entry pool, sloping to maximum depth of five feet, a six lane competitive lap swimming area, two water slides and a water play area. Sand volleyball courts, sand play area, sundeck and concession area are also available.

On July 4, 2012, the Aquatic Center celebrated its Grand Re-Opening. The project goal for the Aquatic Center was to create an aquatic experience with multiple attractions that would add thrills that hold the attention of young and the young at heart. The new features include a high dive, low dive, drop slide and the FlowRider® (a surf simulator.)

Residents can purchase an annual membership that provides them with priority entrance to the GH<sub>2</sub>O (Aquatic Center), discount on swim lessons and swim team registration, participation in the Surf Club which is available to members only, discounts on pool rentals for birthday parties, and discounts on summer camps.

The division is responsible for daily operations and maintenance of the Aquatic Center by providing its patrons; daily access to the Aquatic Center and all of its attractions, life guards, a concession stand, swim and dive lessons, flow rider lessons, GH Dolphins Swim Team, aquatic center birthday parties, private rentals, and daily events throughout the aquatic season.

#### **Glendale Heights Swim Team**

The recreational, semi-competitive, Glendale Heights Dolphins Swim Team is a great program that stresses not only sportsmanship, but also fun! This program does not require previous competitive experience and the season runs from the second week of June through the first week of August. The team practices five times a week and the practice times are determined by the coach depending on swimmers' level. Meets are on Wednesday evenings and Saturday mornings. This program is a great way for our community's youth to make friends that will last a lifetime! An annual registration meeting is held in May.

# LEISURE SERVICES FUND: AFTER SCHOOL/DAY CAMP

## GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

This division is responsible for the planning, preparation, and execution of all scheduled After School Care and Day Camp programs.

PATH stands for **Play at the Hub**. The Village invites all area residents and community children to participate in youth recreation designed to foster knowledge, creativity, physical stamina, and character in the Village's after school, summer camp, and day off programs. The Village works closely with area schools to provide programs that complement schedules and curricula while providing participants with a nurturing, yet engaging, place to play.

When school is out, the PATH counselors will take Day Off Camp participants on exciting day trips! The Village's experienced counselors maintain a safe, fun, and caring environment while sharing new experiences with campers. Campers do not have to be in PATH to participate. Each day offers a variety of structured activities including physical, artistic and academically enriching activities.

### School Days Off

When Queen Bee District 16 and Marquardt District 15 are out of school, students can check out all of the available PATH Days Off Trips. Each year the group enjoy several exciting and educational trips.

### Spring Break Camp

PATH counselors get the opportunity to engage with PATH Spring Break Camp Participants visiting places like the Aquarium, Conservatory, National Museum of Mexican Art, Space Center, and the zoos throughout the Chicagoland area.

## Summer Camps

The Village offers several summer camps to residents and local community children from the ages of 4 to 16. The Village kicks off the summer break with weekly field trips.

# LEISURE SERVICES FUND: FACILITIES

## GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Village is served by the Parks and Recreation Department, as opposed to a separate Park District. The Village owns and maintains 22 parks, playgrounds, and open space totaling 271 acres, including a 64-acre central community park, which has an extensive bike and walking path system, various lighted athletic fields, handicap accessible playground, skate park, gazebo, and concession stand.

The Facilities Division provides repairs, remodeling and preventive maintenance for all buildings, equipment, and furnishings located at several points throughout the Village. The maintenance consists of (but is not limited to) the repair/replacement of the following; heating and air conditioning equipment, overhead garage doors, vehicle exhaust systems, painting, carpentry, plumbing, electrical, fire tools, designing and building training props.

## PROPOSED BUDGET WITH ACTUAL HISTORY

# EMERGENCY SERVICES AND DISASTER AGENCY FUND

## GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

This program's responsibilities are associated with emergency procedures including planning for emergencies that surpass the normal capabilities of operating departments and coordination of local and outside resources in an emergency such as tornadoes, flooding, power outages and other natural or man-made disasters. Funding is provided by a property tax levy. The unit is comprised of a paid part-time coordinator and volunteer members.

Our unit in Glendale Heights is managed as a part of the Glendale Heights Police Department. The Glendale Heights Emergency Services and Disaster Agency (ESDA) Unit assists other emergency response agencies in Glendale Heights when requested for service. This assistance may be in traffic control operations for the annual Glendale Heights Fest, an emergency situation where roads must be closed due to gas leaks, downed wires, or debris following a severe storm.

In addition, we operate basic scene lighting units that can be used to assist the Police or Fire departments after dark while they conduct investigations or provide emergency work related to an incident.

Once trained, our members also serve as weather spotters and may be deployed to observe and report on storm activity approaching Glendale Heights.

The Glendale Heights ESDA unit is also part of a mutual-aid agreement among other ESDA units in DuPage County, and may be called upon to assist with emergency situations or planned events in other surrounding communities in DuPage and Cook Counties.

# HANDICAP RECREATION FUND

### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The fund is used to pay the Village's proportional share in the Northeast DuPage Special Recreational Association (NEDSRA). NEDSRA provides recreational programs for those children and adults not able to participate in conventional recreation programs and activities due to physical reasons.

NEDSRA has been offering award-winning programs since 1977. They respond to the expressed and observed needs of community members with disabilities and provide quality recreational **choices** that enhance the physical, social, mental, and emotional development of the very special people they serve.

 ${f N}$  ew friends and role models

- **E** motional support and confidence
- **D** iverse social and community outings
- **S** pecial Olympics or Adaptive Sports
- **R** ecreation choices and Inclusion
- **A** rt therapy and cultural arts

### NEDSRA PROMISE

"Putting People First" is more than just our slogan; it is their approach to everything they do!

Northeast DuPage Special Recreation Association (**NEDSRA**) improves the quality of life for thousands of people with disabilities each year, by providing them with a variety of recreational

and social programs. The programs are offered in partnership with eight park districts and three Village recreation departments.

#### NEDSRA VISION

An agency of excellence, demonstrated by member partners working cooperatively with Board, staff and the community, to enhance the quality of life for each individual.

#### NEDSRA MISSION

To serve as an integral partner with our member park districts and Villages to positively impact individuals with disabilities through diverse recreational opportunities and community services.

#### NEDSRA CORE VALUES

- Service with Compassion
- Excellence and Quality
- Integrity
- Commitment
- Fun

# MOTOR FUEL TAX FUND

## GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Motor Fuel Tax (MFT) Fund accounts for resources received from the MFT allotments the Village receives monthly from the Illinois Department of Transportation. This fund is established to account for the maintenance, improvement and replacement of the Village's streets and roadways. Financing is provided by the Village's share of state gasoline taxes and other shared taxes. The state law requires these gasoline taxes be used for the maintenance of streets and roadways. The Village of Glendale Heights has established a policy which limits the use of these funds to the purchase of commodities and contractual services to facilitate an ongoing Road Improvement Program.

#### 2024/25 BUDGET HIGHLIGHTS

#### **REVENUE:**

#### Intergovernmental

- The Fiscal Year 2024/25 MFT Allocation is budgeted based on the State of Illinois per capita formula of \$23.37 for the general allocation, and another \$19.12 for the more recently enacted Transportation Renewal Fund allocation, which is then multiplied by the Village's 2020 U.S. Census population count of 33,176.
- Interest Income has been estimated at \$40,000.

#### **EXPENDITURES:**

# FOUNDERS' DAY FUND

## GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

This fund was established to account for revenues and expenditures for the Village's annual summer festival activities. It is coordinated by the Founders' Day Committee.

The Glendale Heights Fest activities include four days of celebration to correspond with the Village's incorporation anniversary of July 13, 1959. Each day the Festival draws crowds by offering live entertainment at the main stage, food booths, carnival rides, and carnival games. The Festival provides a firework show, during the grand finale on Sunday evening. Glendale Heights Festival is well known in DuPage County for the entertainment it brings to its residents and its surrounding communities.

# PARK DEVELOPMENT FUND

## GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

To account for Developers' contributions and other revenues dedicated for future Parks and Recreation Improvements.

#### 2024/25 BUDGET HIGHLIGHTS

The Village receives a lease payment for the cellular tower that is in Camera Park and an annual contribution as part of a Redevelopment Agreement for property located south of North Avenue and east of Western Avenue. A Community Contribution from Eligo Energy received the last two years has been earmarked for a Community Garden project. All of these funds are designated for Park Improvements.

# ILLINOIS MUNICIPAL RETIREMENT (I.M.R.F.) FUND

### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The IMRF Fund was established to maintain segregated accounts for the recording of transactions related to levied and IMRF funds. Beginning in FY 2024, the IMRF fund was blended into the General Fund.

IMRF is established under statutes adopted by the Illinois General Assembly. It is governed by a Board of eight trustees who must also be participating members and one trustee who must be receiving an IMRF annuity.

Four trustees are elected by employers, three are elected by participating members, and one annuitant trustee is elected by IMRF annuitants (individuals receiving IMRF retirement benefits). Trustees receive no compensation, only reimbursement for expenses. The Board appoints an Executive Director who is responsible for all administrative functions and supervision of staff employees. The

Board also appoints medical and investment consultants, an actuary and an independent auditor. To learn more about IMRF, visit <u>www.imrf.org</u>.

# **INFRASTRUCTURE FUND**

### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

This fund was created in FY 2011/12 to account for revenues and expenditures that are designated specifically for Village-wide infrastructure improvements. The Infrastructure Fund is funded by the Road and Bridge Property tax, Local Gas Tax and also receives a portion of the Home Rule Sales Tax by way of a General Fund transfer.

In FY 2009/10, the Home Rule Sales Tax was increased to raise funds to pay back the bonds issued to fund the Village's accelerated road improvement program. The Village took into consideration the current cost, as well as the future costs of major road improvements, and deemed it necessary to take advantage of the Build America Bond Subsidy (BAB) offered by the Federal Government. As part of the federal government's attempt to stimulate the economy from the economic downturn in 2007, the government offered subsidies to local governments that were in need of major capital improvements. The Village's BAB's were sold in anticipation of receiving an interest subsidy from the Federal Government to help repay the interest on the issued debt, thereby, greatly reducing the realized interest rate. In combination of the BAB subsidy, as well as the acceleration of the road improvement program, the Village has greatly reduced the residents' financial burden to improve the Village's Roads in upcoming years. The majority of the funds received from the Home Rule Sales Tax are dedicated to repay the bonds used in 2008/09 to accelerate the Village's Road Improvement Program.

In addition to paying down the debt, this fund also provides infrastructure, road, and other necessary capital improvements throughout the Village. This fund also helps to supply the Village's snow and ice control stock that helps to keep the roads safe throughout the winter. Lastly, this fund in the past supported SSA's #2 and SSA's #3 bond payment portion of the work completed within these districts.

Prior to FY 2011/12, these funds were comingled with the Motor Fuel Tax Fund. Due to the statutory limits of the funds expendable per the state legislature, the Village along with IDOT, declared it necessary to separate the funds. After the completion of a multiple year MFT audit, the beginning balances of both the MFT Fund and the Infrastructure Fund were determined. In FY 2013, the beginning fund balance for the Infrastructure Fund was transferred from the Motor Fuel Tax Fund to formally account for the Infrastructure Fund balance of the prior years' revenues and infrastructure expenditures.

### FISCAL YEAR 2024/25

## GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

Special tax regulations permit the designation of tax receipts to be utilized for the benefit of improvement and rejuvenation of the district, utilizing incentives to investors, construction of infrastructure and other tools that reinvest in the district.

T.I.F. #1 was created in April of 1997 to account for the project costs and resources related to the Glen Ellyn Road and North Avenue Tax Increment Financing (TIF) District. TIF expenditures are funded by incremental property taxes that result from improving this portion of the Village. The T.I.F. officially expired December 31, 2021.

TIF #1 includes all four corners of Glen Ellyn Road and North Avenue, but is mostly west of Glen Ellyn Road. It encompasses the shopping center south of North Avenue that has been redeveloped with a Menards store, and area to the west that has been developed with a Dodge dealership. The shopping center north of North Avenue has had facade upgrades and includes Bolero (Bowling Alley).

In FY 2012/13, the Village used TIF funds to purchase land that was located on the south side of North Avenue and west of Main Street. The purchase of this land enabled the Village to work with the new Dodge Dealership to clear trees that were blocking visibility of the new business. With this land acquisition, the Village was also able to realign Western Avenue, and create green space and a future park for nearby residents.

In FY 2015/16, the Village completed the Western Avenue road realignment project, finalized the engineering associated with addressing the flooding issue at North Avenue & Glen Ellyn Road, and substantially completed improvements to the Menards Lift Station.

In FY 2017/18, the Village completed the first phase of stormwater flood mitigation work at North Avenue & Glen Ellyn Road, using a combination of Federal and State grants, leveraged with Property Tax Increment revenues.

# TAX INCREMENT FINANCING (T.I.F.) #2 FUND Second Place

## GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

Special tax regulations permit the designation of tax receipts to be utilized for the benefit of improvement and rejuvenation of the district, utilizing incentives to investors, construction of infrastructure and other tools that reinvest in the district.

T.I.F. #2 was created in October of 2002 to account for the project costs and resources related to the road rights of way and one single family house Tax Increment Financing (TIF) District. TIF expenditures are funded by incremental property taxes that result from improving this portion of the Village.

In FY 2011, the Village used T.I.F. funds to complete construction along Second Place Road. Since then, there has been very little activity with this T.I.F. District.

### 2<sup>nd</sup> PLACE ROADWAY EXTENSION – Completed in 2011

# TAX INCREMENT FINANCING (T.I.F.) #3 FUND North Avenue/Bloomingdale Road

### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

Special tax regulations permit the designation of tax receipts to be utilized for the benefit of improvement and rejuvenation of the district, utilizing incentives to investors, construction of infrastructure and other tools that reinvest in the district.

T.I.F. #3 was created in February of 2004 to account for the project costs and resources related to the Bloomingdale Road and North Avenue Tax Increment Financing (TIF) District. TIF expenditures are funded by incremental property taxes that result from improving this portion of the Village.

T.I.F. #3 includes the shopping center at the southwest corner of Bloomingdale Road and North Avenue which has been revitalized with facade upgrades and new tenants including Toni's Grocery, Northern Tool, Taco Bell, and Good Tequilas, and more recently, a Burger King and Popeye's Louisiana Chicken restaurant.

particular project.

The Village has a standing agreement with Concorde Green Shopping Center to pay the interest

expense for the redevelopment costs of the shopping center. The Village uses the T.I.F. funds as well as an allocation of Municipal Sales Tax generated from the business located in that shopping center to pay this agreement's expense. This agreement will end when the T.I.F. expires in 2027.

Anthony Place, an 81 unit senior apartment project was completed in December, 2013 on the east side of Bloomingdale Road. The Village also executed a Redevelopment Agreement in conjunction with that

# TAX INCREMENT FINANCING (T.I.F.) #4 FUND Glen Ellyn Road/Petersen Avenue

## GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

Special tax regulations permit the designation of tax receipts to be utilized for the benefit of improvement and rejuvenation of the district, utilizing incentives to investors, construction of infrastructure and other tools that reinvest in the district.

T.I.F. #4 was created in February of 2010 to account for the project costs and resources related to the Glen Ellyn Road and Petersen Avenue Tax Increment Financing (TIF) District. TIF

expenditures are funded by incremental property taxes that result from improving this portion of the Village.

TIF #4 includes property northeast of North Avenue and Glen Ellyn Road.

In FY 2016, T.I.F. funds were pledged to facilitate the redevelopment of land containing an abandoned and deteriorated restaurant into what is now a Casey's gas station, convenience store and car wash.

## SPECIAL SERVICE AREA #1 (S.S.A.) FUND Glendale Lakes Business Park

### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Village of Glendale Heights Special Service Area (SSA) No. 1 is located in the Glendale Lakes Business Park and was established in 1999 to provide special municipal services in addition to services that were already being provided by the Village. This SSA was formed to provide the necessary funding to complete roadway reconstruction for roads that are located within the SSA No. 1.

The Special Service Area No. 1 was also created so that annual taxes may be levied for the purposes provided for on property located within the SSA No.1 in addition to all other Village taxes. The special annual tax shall be limited so that the total of the SSA No. 1 tax does not exceed 0.1964% (or \$0.1964 per \$100.00) of the assessed value, as equalized, of the taxable personal property.

The Village of Glendale Heights Special Service Area No. 1 (Glendale Lakes Business Park) was established pursuant the provisions of Article VII, Section 6, of the Constitution of the State of Illinois, pursuant to the Special Service Area Tax Law, as amended [65 ILCS 200/27-5 et seq. (1996 State Bar Ed.)] and pursuant to the Revenue Act of 1939, as amended.

## SPECIAL SERVICE AREA #2 (S.S.A.) FUND Glendale Industrial Park

### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Village of Glendale Heights Special Service Area (SSA) No. 2 is located in the Glendale Industrial Park and was established in 1999 to provide special municipal services in addition to services that were already being provided by the Village. This SSA was formed to provide the necessary funding to complete roadway reconstruction for roads that are located within the SSA No. 2.

The Special Service Area No. 2 was also created so that annual taxes may be levied for the purposes provided for on property located within the SSA No. 2 in addition to all other Village taxes. The special annual tax shall be limited so that the total of the SSA No. 2 tax does not exceed 0.332% (or \$0.332 per \$100.00) of the assessed value, as equalized, of the taxable personal property.

The Village of Glendale Heights Special Service Area No. 2 (Glendale Industrial Park) was established pursuant the provisions of Article VII, Section 6, of the Constitution of the State of Illinois, pursuant to the Special Service Area Tax Law, as amended [65 ILCS 200/27-5 et seq. (1996 State Bar Ed.)] and pursuant to the Revenue Act of 1939, as amended.

# SPECIAL SERVICE AREA #3 (S.S.A.) FUND High Grove East Industrial Park

## GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Village of Glendale Heights Special Service Area (SSA) No. 3 is located in the High Grove East Industrial Park and was established in 1999 to provide special municipal services in addition to services that were already being provided by the Village. This SSA was formed to provide the necessary funding to complete roadway reconstruction for roads that are located within the SSA No. 3.

The Special Service Area No. 3 was also created so that annual taxes may be levied for the purposes provided for on property located within the SSA No. 3 in addition to all other Village taxes. The special annual tax shall be limited so that the total of the SSA No. 3 tax does not

exceed 0.2185% (or \$0.2185 per \$100.00) of the assessed value, as equalized, of the taxable personal property.

The Village of Glendale Heights Special Service Area No. 3 (High Grove East Industrial Park) was established pursuant the provisions of Article VII, Section 6, of the Constitution of the State of Illinois, pursuant to the Special Service Area Tax Law, as amended [65 ILCS 200/27-5 et seq. (1996 State Bar Ed.)] and pursuant to the Revenue Act of 1939, as amended.

### **COMPUTER REPLACEMENT FUND**

### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Computer Replacement Fund is a Capital Reserve Fund and as such is designed to build a reserve of funds for the future purchase of higher value hardware and software licenses by all Village departments. Revenues in this fund come from transfers from all departments with computers. Expenses in this fund are the actual purchase of hardware and software by the Village.

Examples of assets in the Computer Replacement Fund include computers, software licenses, servers, and network equipment. Each asset's replacement cost and useful life is evaluated and contributions to this fund are determined during the annual budget process. This fund was closed at the end of FY24 and the remaining fund balance was transferred and reserved in the General Fund.

### **DEBT SERVICE FUND**

#### FUND DESCRIPTION

Debt Service Funds are established to account for the accumulation of resources for, and the payment of, long-term principal, interest and related costs. These obligations represent the Village's annual installment payments of principal and interest for previous capital projects or acquisitions funded through debt financing. The Village currently has just one outstanding bond issue:

2019 General Obligation Bonds

Financing is provided by an annual Property Tax Levy and operating transfers from other funds.

#### LEGAL DEBT LIMIT

Under the 1970 Illinois Constitution, there is no legal debt limit for home rule municipalities except as set by the General Assembly. To date, the Illinois General Assembly has set no limits for home rule municipalities. The Village is a home rule municipality.

### **ENVIRONMENTAL SERVICES**

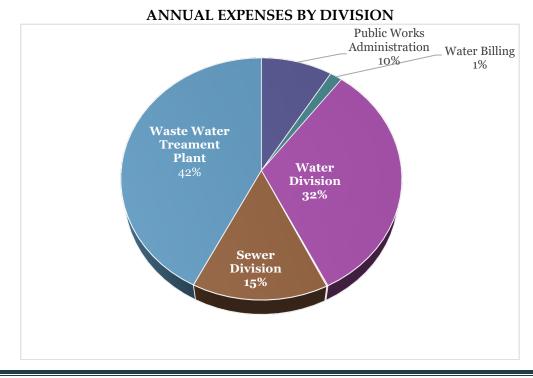

### MISSION STATEMENT-UTILITIES DIVISION

Mission Statement To provide top quality municipal water service to customers by operating and maintaining water supply facilities in accordance with local, state, and federal requirements to ensure the availability of a plentiful and reliable water supply. To provide outstanding municipal wastewater collection service to customers by developing, operating, and maintaining wastewater pumping stations, gravity sewers, service lines, and force mains in accordance with local, state, and federal requirements.

#### FUND DESCRIPTION

The Village of Glendale Heights Environmental Services Fund was established to manage the provision of Water, Sewer and Treatment Services to the residents of the Village of Glendale Heights. All activities necessary to provide such services are accounted for in this fund including, but not limited to, Administration, Operations and Maintenance, Financing and related Debt Service, Billing and Collection.

### TOTAL EXPENDITURE BUDGET \$26,397,340

### SIGNIFICANT ACCOMPLISHMENTS IN FY 2023/2024 PUBLIC WORKS UTILITIES DEPARTMENT

The Village's Wastewater Treatment Plant (WWTP) processed over 1 billion gallons of wastewater this year within IEPA guidelines and regulations. This total discharge is similar to last year's 1.2 billion gallons the plant processed.

The WWTP was successful in passing the annual Discharge Monitoring Report Quality Assurance Testing (DMRQA) as required by the IEPA. This annual testing ensures the Village's in-house laboratory procedures and methods meet or exceed the standards set forth by the Environmental Protection Agency (EPA).

Capital improvements continue at the Wastewater Treatment Plant with the second phase of projects for the removal of phosphorus from the wastewater. Due to IEPA mandates, beginning October 1, 2026, the WWTP must meet a 1.0 mg/L discharge limit as required by the

Village's IEPA Permit. The first phase included Rehabilitating Digester #2, which began in August of 2021, and was completed in 2023. The second phase includes modifications to the existing aeration basins by adding separate zones needed for the biological removal of phosphorus. This project also includes the rehabilitation of Digester #1, to help optimize the Plant's sludge processing.

Through its membership in the DuPage River Salt Creek Workgroup (DRSCW), the Village participates in the implementation of a chloride reduction program to improve local stream water quality. Additionally, the DRSCW is finalizing a Nutrient Implementation Plan for the Village and other municipal members, which will determine future phosphorus limits needed to meet applicable dissolved oxygen criteria. This is also a requirement of the Village's IEPA Permit, and will assist the IEPA in determining future discharge limits that will be achievable for treatment facilities.

The WWTP has three IEPA certified Class 1 Wastewater Operators. This is the highest-level wastewater certification recognized by the IEPA. Additionally, all staff receive ongoing technical training to stay current with the latest advancements in wastewater treatment.

The Village continued its commitment to improving water and sewer infrastructure in 2023 with the replacement of approximately 4,000 feet of water main, rehabilitation to the Village's oldest water pumping station, rehabilitation of the West Burdette elevated water tower, retrofit Mill Pond Lift Station and sanitary sewer repairs in the North Avenue Catchment Area. These projects totaled \$8,500,000.

The East Schubert Avenue and Norton Avenue Water Main Replacement Project costing \$1,500,000 was partially funded through a \$600,000 DuPage County Community Development Block Grant (CDBG) and American Rescue Plan Act (ARPA) funds. Also completed was the West Fullerton Avenue Water Main Replacement Project costing \$1,500,000 which was funded using ARPA as well. The Water Supply Facilities Rehabilitation Project costing \$2,800,000 is being funded by securing an IEPA low interest loan.

This year, the fifth water distribution storage tank was placed on an annual maintenance program with Utility Service Group (USG). This company provides annual inspections and maintenance repairs to the water storage tanks.

The Mill Pond Lift Station Retrofit Project costing \$1,800,000 and funded with ARPA proceeds, began this fall and is scheduled to be completed in spring 2024. This rehabilitation will eliminate the need for confined space entry, new equipment and use energy efficient pumps to reduce electrical usage at this station. Additionally, the North Avenue Catchment Area I&I Repairs Project – Phase II included the sealing and spray lining of 105 manholes with approximately 1,000 feet of sewer main replaced or scheduled to be lined as part of the project. This will significantly decrease groundwater entering into the sanitary sewer system and cut down on the cost of water treatment at the Village's WWTP.

Utilities Division staff continued to perform maintenance to the public water infrastructure system by responding to 33 water main breaks, seven fire hydrant replacements, 34 fire

hydrant repairs, 42 b-box repairs, and 12 main line valve repair/ replacements. Additionally, Illinois Environmental Protection Agency (IEPA) mandated water sampling was completed and I

Numerous capital improvements projects were completed at the Wastewater Treatment Plant as required by the Illinois am pleased to report that all 616 IEPA samples resulted in no violations or water quality issues. Additionally, 30 lead and copper samples were completed with no lead detected over 15ppb.

### UTILITIES DIVISION GOALS & OBJECTIVES FY 2024/2025

Goal #1: Improve safety for residents and employees alike, in all Public Works Service Areas.

- ◆ Identify and repair structural defects to the Village's sanitary sewer system by:
  - o Begin to undertake lining of North Avenue sanitary sewers FY25
  - o Televised sewer videos from remaining Gravity catchment area to be linked to new GIS
  - Mill Pond catchment will be budgeted in FY25 for an I&I study to determine areas of infiltration and needed repairs
- Identify and repair structural defects to the Village's water distribution system by:
  - o Replacement and upsize of water main on Cambridge Ln. and Westchester DR. with CDBG/Village funds FY25
  - Replacement of water main crossings through intersections of 2024 Road Program

### Goal #2: Improve service delivery across all areas of Utilities Division Operations.

- Implement new regulations as required by the USEPA and IEPA regarding new Unregulated Contaminant Monitoring Rule (UCMR 5) sampling by:
  - o Continue all UCMR 5 sampling and submit data to the USEPA CDX website
- Minimize interruptions and improve services to customers by:
  - o Ensure monthly IEPA sampling is undertaken and submitted
  - Communicate with Fire Departments to ensure adequate flows for local businesses
  - o Replace old system fire hydrants in FY25 to improve firefighting operations
- Proactively address ad-hoc services throughout the Village pertaining to

water and sewer infrastructure by:

- Continue to undertake in FY25 additional main line water valve installations in order to reduce customer water outages during water infrastructure **repairs**
- The Utilities locator staff member and as well as intern will identify defective system ancillaries for repair and record GIS verifications of both the water and sanitary system

# Goal #3: Develop Policies and Procedures to improve fiscal responsibility in all areas of Utilities Division.

 Review and implement recommendations from the Water & Sewer Rate Study in FY 24 by passing revised Ordinance and implement new rate structure

### WWTP DIVISION Goals and Objectives FY 2024/2025

### Goal #1: Improve safety for residents and employees alike, in all Public Works Service Areas

- Provide efficient wastewater services in a manner which protects the public's health, safety and welfare by:
  - Work with Wastewater Engineer to conduct electrical study on Plant infrastructure.
  - o Update Plant Facility Plan to determine capital projects
  - Phosphorus Removal Project construction to improve WWTP Nutrient removal performance.
  - Design of Primary Clarifiers Rehabilitation and primary sludge pumps
  - Design of UV disinfection to eliminate gas chlorine.

#### Goal # 2: Improve Service Delivery across all Areas of Public Works Operations

- Reduce odors emanating from the Treatment Plant by:
  - Patrol the area for odors on a daily basis.
  - Analyze the operations of both digesters and plant process daily, and make adjustments as necessary to prevent upsets
  - Ensure reliable supplies of odor reducing chemicals are in stock or available for use.
- Ensure all Equipment is correctly maintained and serviced in a timely manner by:

- Equipment maintenance schedules, parts inventory, and contact information for procurement to be entered into Allmax database.
- Daily work orders to be issued to staff to undertake maintenance/repairs.

# Goal #3: Develop Policies and Procedures to Improve Financial Responsibility in all Areas of Public Works

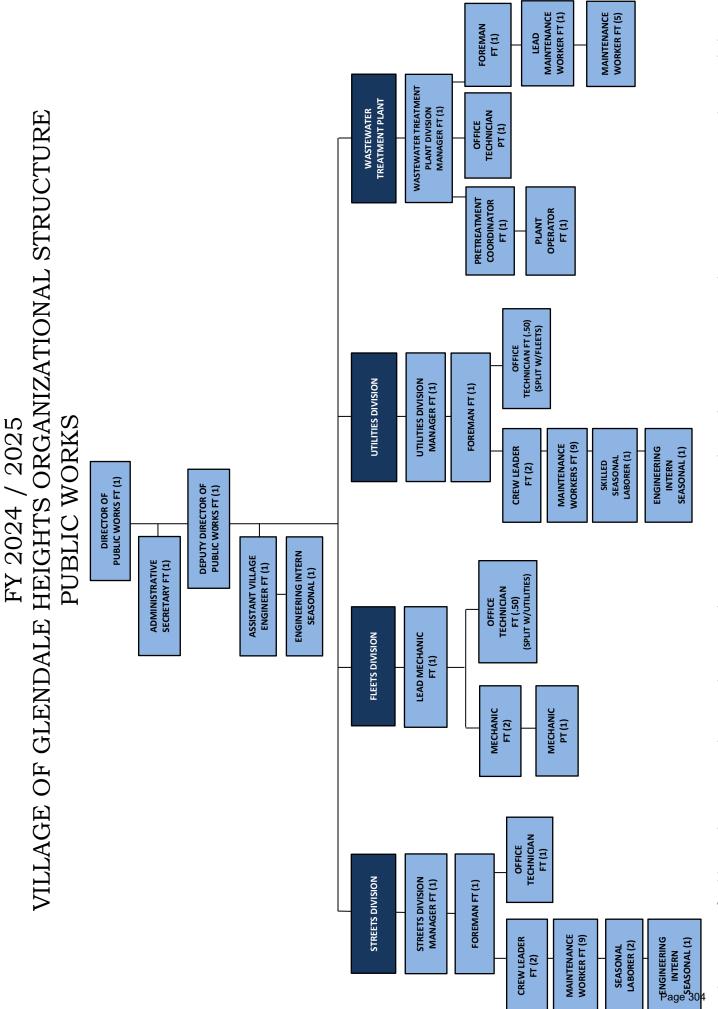

- Investigate potential programs for funding by:
  - Phosphorus Removal Project funded by low interest IEPA Loan.
  - UV Disinfection Project and Primary Clarifier Rehabilitation Project added to the IEPA Project Planning List.
- Reduce the environmental impact of the Village's wastewater system upon land and water resources by:
  - Work towards improving sludge quality for additional opportunities in land application by efficiently operating both digesters.
  - Undertake Biological Process Optimization Study with wastewater engineer
  - Meet the Phosphorus limits set forth in the NPDES Permit.

# Goal #4: Compliance with all State and Federal Regulations operating the Villages Treatment Plant

- Compliance with the Special Conditions in the Villages Discharge Permit:
  - Reduce or eliminate the limit for zinc as a result of the Metals Translator Study Findings.
  - Undertake Operator 10 database improvements for efficiently reporting to IEPA.

### Compliance of Permitted Industrial Users

- Monitor permitted users and discharge reports for compliance
- Conduct facility inspections of permitted users and new businesses
- Expand pretreatment program monitoring and enforcement with the addition of a Pretreatment Coordinator Position after Board approval in May 2025.

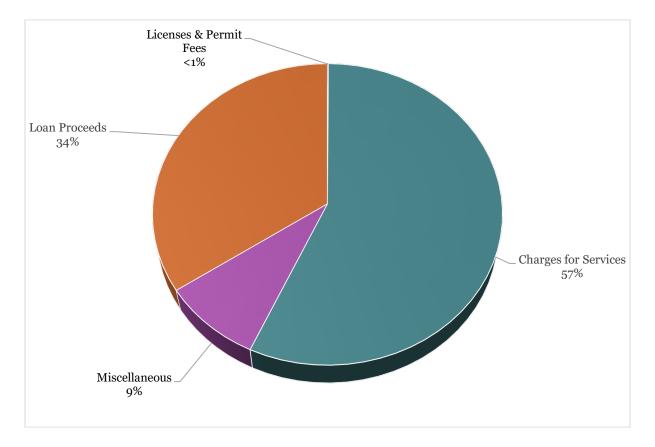

The department of Public Works is organized into six divisions: Administration, Street, Utilities, Fleets, Engineering and Wastewater Treatment Plant. Each division is under the direct supervision of the Director of Public Works who is accountable for the sound management of the department and for the effectiveness of each operational element and for the administrative support of each function within the department. Total number of employees authorized: 45 Full-Time, 2 Part-Time, and 6 Seasonal

### ENVIRONMENTAL SERVICE FUND: REVENUE

### PERCENTAGES OF OPERATING REVENUES

### **CHARGES FOR SERVICES**

Charges for Services is the primary source of revenue for the Environmental Services Fund, accounting for 57% of its share. The revenue generated by Charges for Services is 100% tied to the water used by the Village's Residents and Commercial accounts. The Village has an agreement to purchase all of the Village's water source from the DuPage Water Commission.

Prior to May 1, 2022, the last rate analysis for water use was back in 2019. Rate increase were a direct result of the actual cost of water purchased by the Village from the DuPage Water Commission that is passed through. Prior increases to the Village by the DuPage Water Commission are as follows:

January 1, 2014 – .65¢ per thousand gallons January 1, 2015 – .71¢ per thousand gallons May 1, 2014 – .19¢ per thousand gallons

May 1, 2015 – .82¢ per thousand gallons May 1, 2016 – (.05¢) per thousand gallons May 1, 2017 - .08¢ per thousand gallons May 1, 2018 - .06¢ per thousand gallons May 1, 2019 - .03¢ per thousand gallons May 1, 2020 – no increase May 1, 2021 – no increase May 1, 2022 - .21¢ per thousand gallons May 1, 2023 - .21¢ per thousand gallons May 1, 2024 - .19¢ per thousand gallons

| <b>RESIDENTIAL WA</b>  | <b>TER RATES</b>    |
|------------------------|---------------------|
| Effective May          | v <b>1, 202</b> 4   |
| (P/TH GALI             | LONS)               |
| Cost Allocation        | Rate (Per Month)    |
| Water                  | \$5.58              |
| Local Water Delivery   | \$3.78              |
| Sewer                  | \$6.64              |
| Debt Charge            | \$11.00 (Flat Rate) |
| Capital Infrastructure |                     |
| Charge                 | \$16.00 (Flat Rate) |
| TOTAL AVG. COST OF     |                     |
| WATER BILL AT 6 TG     | \$123.00            |

The Water Rates are set in order to cover the cost to purchase the water supplied to the Village's Residents and Commercial properties, the operational demands of running a water, sewer, and waste water treatment facility, as well as, provide funding for ongoing and unforeseen capital costs needed to sustain and provide high levels of sanitation to the water, sewer, and waste water treatment infrastructure.

#### LICENSES & PERMIT FEES

Whenever a new resident or business wishes to tap onto our water and sewer system, the Village charges a permit fee.

The RPZ Fee (Reduce Pressure Zone) is a charge to all customers that have a backflow prevention device installed on a private water service and requires annual testing and permitting.

#### LOAN PROCEEDS

The Village has submitted three loan applications from the Illinois Environmental Protection Agency (IEPA). for continued Phosphorous Removal Upgrade improvements at the Waste Water Treatment Plant (WWTP), and a Water Supply Facilities Rehabilitation Project.

### MISCELLANEOUS REVENUE

Penalties are charges to accounts that are paid late and are categorized as miscellaneous revenue. The Village bills monthly, aiming to lessen the burden of the water utility. In order to influence prompt payment, the Village has a strict payment policy and implements a late payment fee for all bills paid late. Each month, if the account continues to be delinquent, the Village increases its leverage in collecting on the past due account by shutting off the water flow to the residence or commercial property. Though the Village receives revenue from late payment accounts, the Village strives to offer its residents the best and latest technology for payment to encourage timely payments. This revenue is based off of the number of accounts that are delinquent, the amount of debt outstanding, and the current water rates.

# ENVIRONMENTAL SERVICE FUND: ADMINISTRATION

### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Public Works Department provides services to 33,176 residents, eight industrial parks, and various commercial enterprises in six political districts. Policy leadership is provided by the Village President with the advice and consent of six Village Board Members. The office of the Village Administrator oversees that the Public Works Department is effectively translating the policy into programs and services. The Public Works staff performs service and projects that many times are vital life sustaining necessities. Although the majority of services are by design and subtly delivered, they form the foundation for many of the basic needs that improve the quality of life for all Village residents.

**Vision:** We want our customers to call us because they know we will provide efficient timely service.

**Mission:** Our mission is to enhance our customers' lives by providing them services that often surpass their basic needs.

#### **Essential Functions**

*Administration* - Facilitates leadership, direction, and coordination of services as the executive management partner.

*Engineering* – Providing engineering services to consultants, contractors, and other departments in the Village.

*Utilities* - Potable water distribution, sanitary sewer collection, and transmission for over 8,800 customers.

*Fleet Maintenance* - Provides the Utilities and WPCF divisions with safe vehicles and equipment; appropriate for their use that are economical, dependable, and environmentally sound to operate.

*Waste Water Treatment Plant (WWTP) -* Provide the final collection and treatment of a daily average of 3.5 Million Gallons per Day (MGD) of wastewater, reaching peaks of 32 MGD in rainstorm conditions.

#### Service Standards

The Public Works team takes pride in its track record of quality first service. Acquiring customer feedback, using self-assessments and other benchmarking tools, the department maintains a clear picture of business advantages, private sector competition, and a comparison

of service levels with neighboring communities. In recent years, the department is recognized for its exemplary Snow & Ice Control Program, an unparalleled Sanitary Sewer Line Repair Program, surpassing waste water discharge standards, and modernizing and standardizing its municipal fleet, while annually completing millions of dollars in capital projects.

### PROPOSED BUDGET BY CLASS WITH ACTUAL HISTORY

## ENVIRONMENTAL SERVICE FUND: ENGINEERING

### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Engineering Division will provide quality engineering services to both internal departments and external parties, such as contractors, developers, DuPage County, and other engineering bodies. The division is also instrumental in ensuring the Village's Illinois Environmental Protection Agency (IEPA) Storm water National Pollutant Discharge Elimination System (NPDES) MS4 Permit remains in compliance. Effective with the approval of the FY2025 budget, the allocation of engineering salary expenses was discontinued.

## ENVIRONMENTAL SERVICE FUND: WATER SERVICES

### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

This Water Services division is responsible for the operation and maintenance of the water distribution system, which involves all storage tanks, pumping stations and standby well supplies. Lake Michigan water is supplied to 33,176 residents through 76 miles of water mains. While pumping an average of 2.7 million gallons of water daily, the system has the capacity to pump 6.2 million gallons daily.

This division proudly provides top quality municipal water service to customers by operating and maintaining water supply facilities in accordance with local, state, and federal requirements to ensure the availability of a plentiful and reliable water supply.

### ENVIRONMENTAL SERVICE FUND: SEWER SERVICES

### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Sewer Services division is responsible for the maintenance of 83 miles of sanitary sewer collection and eight lift stations. This division aims to provide outstanding municipal wastewater collection service to customers by developing, operating, and maintaining wastewater pumping stations, gravity sewers, service lines, and force mains in accordance with local, state, and federal requirements.

### ENVIRONMENTAL SERVICE FUND: WASTE WATER TREATMENT PLANT (WWTP)

### MISSION STATEMENT

Goal To provide municipal waste water treatment services to the citizens of the Village of Glendale Heights. To develop, operate, and maintain the waste water treatment facility in a reliable and cost effective manner. Our ongoing mission is to constantly endeavor to improve operating procedures and system performance, to ensure a cleaner environment and to do so with the utmost in efficiency

### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Waste Water Treatment Services division is responsible for the operation and maintenance of the Village's Waste Water Treatment Plant (WWTP). Though not as visible as other public services, the waste water treatment process is one of the most fundamental daily responsibilities. The facility normally processes 3.5 Million Gallons per Day (MGD) of wastewater, but is designed to process an average daily flow of 5.26 MGD and maximum daily flow of 10.52 MGD. The facility is also designed to process an additional 21 MGD of Excess Flow during wet weather/rain conditions. The Illinois Environmental Protection Agency (IEPA) permits the facility to discharge treated wastewater to the East Branch of the DuPage River. The treated wastewater is actually cleaner than the receiving stream water! Bio-solids or sludge produced by the facility is land applied on farm fields as fertilizer, to aid in preserving a clean environment. The staff team works very diligently to keep the plant at peak performance and be a good neighbor. Odor control is always a top priority and part of all operation and maintenance decisions.

The Illinois Association of Water Pollution Control has been presenting awards to deserving facilities for 65 years. Nominees are presented to the Association by the Illinois Environmental Protection Agency. Facilities that provide exceptional service to their community as well as the wastewater community are recognized for their efforts with a nomination for Plant of the Year Award. In 2013, the Glendale Heights Treatment Facility was nominated along with 4 other Group 1 Facilities for Plant of the Year. This is a Statewide Award and encompasses over 200 Group 1 Facilities. On April 17, 2013 at the Annual IAWPCO banquet in Springfield Illinois, Glendale Heights was selected as the Plant of the Year. This is the first time WWTP has won such an Award.

# ENVIRONMENTAL SERVICE FUND: FLEETS

### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Fleets Division is committed to providing municipal fleet repair and maintenance to Village-owned vehicles and equipment to ensure the availability of a long-lasting, reliable, and cost effective fleet, emphasizing on minimizing effects on the environment.

This division provides these services on approximately 300 Village owned vehicles and equipment, of which roughly 25 are clean air units. The services provided to our respective divisions include preventive maintenance, repair services, fabrication services, new vehicle specification, purchasing, salvage, product support and training.

The Fleets Division employs highly trained technicians that have the experience and expertise to provide all of these services. The fleets' garage has seven working service bays, and five lifts.

The Fleets division is committed to investigating future options in transportation, alternative fuels and cleaner running vehicles. Effective with the approval of the FY2025 budget, the allocation of fleets salary expenses was discontinued.

### PROPOSED BUDGET BY CLASS WITH ACTUAL HISTORY

# ENVIRONMENTAL SERVICE FUND: FACILITIES

### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Facilities Division provides custodial services, repairs, remodeling and preventive maintenance for all buildings, equipment, and furnishings. The buildings consist of the following; WWTP, Facilities, Public Works Building, and other department properties for a total of 24 buildings.

The maintenance consists of (but is not limited to) the repair/replacement of the following; heating and air conditioning equipment, overhead garage doors, vehicle exhaust systems, painting, carpentry, plumbing, electrical, fire tools, designing and building training props.

Building Facilities is also responsible for the purchasing of Hazardous Material supplies, purchasing and maintenance of all physical fitness equipment, ordering and distribution of all custodial supplies, along with all invoices and payments associated with the operations of building maintenance. Effective with the approval of the FY2025 budget, the allocation of facilities expenses was discontinued.

### PROPOSED BUDGET BY CLASS WITH ACTUAL HISTORY

## ENVIRONMENTAL SERVICE FUND: INFORMATION SERVICES

### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Information Services (I.S.) Division of the Administration Department consists of two personnel and a contracted I.S. technology consulting firm providing support to over 260 computers and nearly 200 users. They currently manage and maintain several primary servers and virtual servers running across 3 host physical servers, and a cloud based host of our financial package and municipal software.

The role of the I.S. Division continually expands with technological advancements and needs of our internal Departments. Advancements include support to the primary telephone systems of a Voice Over IP data driven communication, expansion of smart phones, mobile computers, and iPads which are a few examples of changing technology that are also supported under this division.

Effective with the approval of the FY2025 budget, the allocation of information services salary expenses was discontinued.

## ENVIRONMENTAL SERVICE FUND: WATER BILLING DIVISION

### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Water Billing Division is responsible for issuing timely and accurate water, sewer, and waste water treatment bills to Glendale Heights residents and businesses, collecting customer accounts efficiently and effectively, and responding to customer inquiries in a professional manner.

The Water Billing Division, which is a subset of the Finance Department, includes 2 full-time budgeted employees that are responsible for the water billing for the Village. The Water Billing Division maintains nearly 9,000 water accounts and takes care of all the billing and collections on a monthly basis.

### PROPOSED BUDGET BY CLASS WITH ACTUAL HISTORY

### ENVIRONMENTAL SERVICE FUND: GENERAL BUSINESS SERVICES

### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

For the purposes of budget presentation, personnel services for Village Administration, Human Resources, Public Relations, Finance, and Central Services have been combined and reflected together as General Business Services. Each of these departments designate a percentage of qualified staff positions to the Environmental Services Fund in order to fairly represent the associated cost of personnel services dedicated to this fund. Central Services records the cost of IMRF and medical insurance benefits for any employee that is paid from the Environmental Services Fund. Effective with the approval of the FY2025 budget, the allocation of administrative salary expenses was discontinued.

The explanation, goals & objectives, and all other relative information can be found in their respective budget pages of this document. Please refer to the Table of Contents to find the relevant pages for the respective budget.

#### PROPOSED BUDGET BY CLASS WITH ACTUAL HISTORY

### PENSION TRUST FUNDS

Pension Trust funds are used to account for assets held by the Village as trustee or agent for individuals, private organizations or other governmental units. The Village's Police Pension Funds provide pension benefits for all retired Police personnel.

The Village's Police Pension System (PPS) participants are obligated to fund all PPS costs, respectively, based upon actuarial valuations. The State of Illinois is authorized to establish benefit levels and the Village is authorized to approve the actuarial assumptions used in the determination of contribution levels. The PPS are reported as pension trust funds because of the Village's fiduciary responsibility.

### POLICE PENSION FUND

### GENERAL DESCRIPTION AND MAJOR AREAS OF RESPONSIBILITY

The Police Pension Plan is a single-employer defined benefit pension that covers all sworn police personnel. Although this is a single-employer pension plan, the defined benefits and employee and employer contribution levels are governed by the Illinois State Statutes and may be amended only by the Illinois legislature. The Village accounts for the plan as a pension trust fund. A Pension Trust Fund is used to account for assets of defined pension plans, defined contribution plans, other post-employment benefit plans or other benefit plans held by a government in a trustee capacity.

### CAPITAL IMPROVEMENT PROGRAM

### What is a Capital Improvement Program?

A Capital Improvement Program (CIP) is a major public infrastructure and planning tool for municipalities. The CIP is a statement of the Village's policies and financial abilities to manage the physical development of the community. The development of a five-year CIP provides a systematic plan for providing infrastructure improvements within a prioritized framework.

The CIP sets the general schedule within which public improvements are proposed to be undertaken. The five-year schedule represents estimated future capital needs that may be funded given projected revenue estimates. The CIP is reviewed and revised annually. Capital expenditures that are expected to have matching favorable revenues are included in the Annual Operating Budget that is presented to the Village Board as part of the annual budget process.

There are several benefits for developing and adopting a Capital Improvement Program. Not only does the CIP become a management tool for the Village Board and Executive staff, a CIP also provides valuable information to the citizens, developers and businesses who are interested in the development of the community. The CIP document also assists in leveraging available resources through improved timing of projects, and coordinating Village projects with those of other public or private entities.

Despite the many benefits of capital improvement programming, it is important to highlight the fact that this is a fluid document and guide. Changes can occur for many reasons. Revenues can fluctuate as a result of changing economic conditions or shifts in public policy. Private economic decisions can also affect the timing, scale and location of capital projects. Finally, community objectives are difficult to set and may be altered during the budget process when priorities are often revised.

In summary, a CIP should reflect community assets, community needs and community goals. A CIP should also provide guidelines for growth and development. Currently, the Village of Glendale Heights does not have a formalized CIP in place. Although the Village has not officially adopted a CIP, major capital expenditures are carefully identified, planned for, and budgeted assuming resources will become available.

The schedules which follow, summarize the Village's capital expenditures. Other attachments provide a greater level of detail for the anticipated operations and maintenance and capital expenditures respectively. The Enterprise Fund, which is comprised of the Water, Sewer, and Waste Water Treatment Plant Facility is also summarized.

### VILLAGE PROPERTY AND FUNDING SOURCES

The Village has responsibility for maintaining the following facilities and equipment:

#### **Public Facilities**

The Village is responsible for maintaining the following municipal buildings:

- Civic Center Campus
- GH<sub>2</sub>O Aquatic Center
- Sports Hub
- Linda Jackson Center for Senior Services
- Glendale Lakes Golf Club
- Historical House
- Public Works Facilities
- Parks and Fleets Facilities
- Waste Water Treatment Plant

#### **Public Parking Lots**

The Village is responsible for maintaining the following parking lots:

- Aquatic Center Parking Lot
- Sports Hub Parking Lot
- Civic Center Campus Parking Lot
- Camera Park Parking Lot
- Public Works Parking Lot
- Waste Water Treatment Plant Parking Lot
- Glendale Lakes Golf Club Lot
- 22 Public Park Parking Lots

#### Village Parks

The Village Facilities Department is responsible for maintaining the following building/properties:

- Americana Park
- Camera Park
- Circle Park
- College Park
- Gilberto Park
- Gladstone Park
- Glen Hill Park
- Greenbriar Park

- Heritage Park
- Millennium Park
- Mill Pond Park
- Nazos Park
- Ollman Park
- Pheasant Ridge
  Park
- Reskin Park

- Ringneck Park
- Shorewood Park
- Sidney Park
- Siems Park
- Safety Town
- Veterans Memorial Park

### Funding:

### Streets

The Village of Glendale Heights street system consists of 76 miles of asphalt and concrete streets. The streets are monitored on an annual basis, rated, and are given a projected date for resurfacing.

### Funding:

The funding for street resurfacing is provided mainly by the Motor Fuel Tax Fund and supplemented by the Infrastructure Fund.

### Infrastructure

The Village of Glendale Heights infrastructure system consists of 76 miles of water mains, 83 miles of sanitary sewers, 840 street lights, 4 water towers and 1,303 fire hydrants. The water mains and sanity sewers are monitored on an annual basis, rated, and are given a projected date for replacement.

### Funding:

The funding for all infrastructure improvements is provided mainly by the Environmental Fund and supplemented by the Motor Fuel Tax Fund, Infrastructure Fund, bonds and grants.

### Vehicles and Equipment

The Village maintains 121 vehicles and over 250 pieces of equipment for use by Village staff in the performance of their duties.

### Funding:

Every year during the budget process the schedule of vehicles and equipment for replacement is updated to ensure that accurate vehicle lives and replacement costs are included in the replacement schedule. Each department then submits their requests for replacement for the upcoming year and collectively the Vehicle Replacement committee approves the requests for replacement. The need to replace a vehicle is based on the vehicle's actual condition, number of miles/hours of use, maintenance history and projected future maintenance costs as well as an analysis of the type of vehicle replacement that is needed, and if other options exist for not replacing the vehicle.

Equipment items are budgeted when needed to be replaced and are paid for by the department and fund making the request. The approval of equipment is made by the Village Board at the time of approving the annual budget. At the beginning of 2021, the Village made a major shift in the procurement of vehicles, electing to pivot to lease/purchase financing instead of outright purchasing. This decision has proven to be a win-win for the Village. Not only has there been a significant cash flow advantage, but the vendor chosen to facilitate acquisition of vehicles has

been very successful in obtaining vehicles; despite the major challenges associated with supplychain delays.

### **Computer Equipment**

The Village maintains several hundred pieces of computer type equipment items such as desktops, laptops, printers, network infrastructure equipment, tablets, and smart phones that are for use by Village staff in the performance of their duties.

#### Funding:

The Computer Replacement Fund is a Capital Reserve Fund and as such is designed to build a reserve of funds for the future purchase of hardware and software licenses by all Village departments. Up until FY 2024, revenues in this fund came from transfers from all departments with computers. Expenses in this fund are the actual purchase of hardware and software by the Village. The fund was closed at the conclusion of FY 2024, and the remaining fund balance was transferred and reserved within the General Fund.

# **ADMINISTRATIVE POLICY**

### MONITORING OF POSTINGS AND/OR CODINGS TO THE BUDGET

All departments are required to review Accounts Payable, Journal Entries, Encumbrances, etc. and all transactions on their respective budget statements on a monthly basis. If there are any incorrect general ledger accounts(s) used and/or mis-posting within their respective departments, they are to be corrected via Journal Entry Re-class form within 10 working days of receipt of the Budget Statement. A Journal Entry Re-class form will be completed by the department and submitted to the Finance Department. Forms should have supporting detail attached.

If the Journal Entry Re-class form is charging the budget of another Department, staff are required to advise that Department in writing of their action. Departments should not be charged without their approval.

If staff are processing a voucher and charging another department part or all of the expense, they must get that department manager's approval on the voucher prior to sending it to Accounts Payable for payment processing. This is not applicable to a monthly recurring charge such as payroll, insurance, legal expense, DuPage Water Commission and similar regular monthly transactions.

After the Six Month Review is prepared, NO Journal Entry Re-class forms are to be submitted affecting a transaction posted to the General Ledger prior to October 31st.

### VILLAGE EXCEED BUDGET APPROVAL (VEBA)

It is the policy of the Village of Glendale to adopt a zero base, line item budget each fiscal year. It is the responsibility of each Department Manager to carry out public services and business operations in their respective departments within the appropriated amount of funds provided in each line item (including sub-line items) in the fiscal year budget.

The Village Exceed Budget Approval (VEBA) is designed to recognize that all situations and conditions cannot be anticipated in the budget process. Unforeseen situations arise during the course of the fiscal year that require the expenditure of funds that exceed the funding in a particular line item or sub-line item, or that were not budgeted for at all. Some examples include, a higher than expected increase of insurance rates, the breakdown and needed repair of an essential piece of equipment, a natural disaster that resulted in higher than average overtime wages, a new or expanded public service initiated by the Village Board, or a recreation program with higher than anticipated participants resulting in the higher expenses.

In an effort to control and reduce the number of VEBA forms that are submitted and the associated financial impact, the following VEBA policy is established:

### VEBA FORM SUBMITTAL & AUTHORIZATION

- 1. All Department Managers are responsible for reviewing and analyzing ALL of their budget account numbers and line items on a monthly basis to monitor spending during the course of the fiscal year, and to identify and correct errors in account number expenses or allocated charges within 30 days. When one department has expenses that need to be charged to another department's account, the department head responsible for the account must give approval PRIOR to the charge being processed. The Purchasing Agent is responsible for all accounts in the General Fund Central Services accounts.
- 2. Department Managers must submit a VEBA form and secure authorization from the Village Administrator to shift funds between sub-line items in any single account even when such shifting of funds may not result in an overall need for more funding in the account.
- 3. Department Managers must submit a VEBA form and secure written authorization from the Village Administrator PRIOR to committing to any expense that is either over the line item budgeted funds or was not specifically budgeted. A complete and accurate explanation together with a copy of the computer system print out of the specified account must be attached.
- 4. A calculation must be provided for any request for an expense increase that is substantiated by an associated revenue increase. For example, if a recreation program has a greater number of participants than anticipated, therefore the expenses to run the program are also greater, an explanation of the original revenue/expense calculation compared to the actual revenue/expense calculation must be provided on the VEBA form.
- 5. Department Managers are responsible to maintain their own records of all VEBA authorizations for shifting funds between sub-line items and for additional funding authorizations. All additional fund authorizations during the first six months of the fiscal year must be entered into the six-month review system and clearly stated as pre-approved.

# **BUDGET MANAGEMENT POLICY**

### BACKGROUND

Each year, the Village Board approves an annual budget and subsequently approves an Appropriations Ordinance which grants spending authority to Village staff. Great care is taken by Staff and Board members to anticipate the necessary expenditures for the upcoming fiscal year, with priority given to the protection of human health, the preservation of private and public assets and sustaining and / or enhancing the quality of life within the community. The intent of this policy is to provide direction to Staff on how to best manage the approved budget while incurring the necessary expenses to provide quality services.

### LEGAL LEVEL OF BUDGETARY CONTROL:

Department level, or where no departmental segregation of a fund exists, the fund level.

### **EXPENDITURES WITHIN BUDGET**

Certain expenditures are essential to providing public services such as salaries, commodities and capital outlay. These expenditures have been budgeted based on the best information available during the budget process. Staff prepares a detailed budget document listing each expected item for the fiscal year. Once approved by the Village Board, Staff is charged with managing the expenditures of their departments as close to the approved budget as possible. Staff is responsible for ensuring all expenditures are considered necessary, competitive whenever possible and procured through the purchasing policy of the Village.

In the event a budgeted item is no longer necessary, staff may substitute alternate purchases as long as the expenditure is again necessary as well as appropriate. However, when possible staff is strongly encouraged to allow any surplus for the year to accrue as maintaining the fiscal health of the Village funds is vital to financial stability. Staff will not purchase any non-necessary items with the justification of having budget funds available.

### EXPENDITURES OUTSIDE OF THE BUDGET

The actual costs of providing Village services will on occasion vary from the approved Village budget due to extraordinary circumstances, acts of nature, unforeseen changes to the market and various other causes. When Staff encounters situations requiring expenditures either in excess of the approved amount or unbudgeted altogether, Staff will evaluate options for remedying the over-budget situation in the following order:

- 1. Determine if other items budgeted within the same account will not be necessary during the fiscal year sufficient to cover the unplanned item(s). If so, no other action is necessary at this point.
- 2. Identify any possible budget transfer. Budget transfers will be submitted first to the department director responsible for the account(s) in question and then to the Village

Administrator for review, approval and application. Allowable budget transfers will meet all of the following criteria:

- a) Within the same fund
- b) Within the same department
- c) Within the same object class (i.e. commodity to commodity, capital to capital, etc.)
- d) Sufficient funds exist in the account being transferred from in order to cover not only the transfer, but also any item(s) to be purchased from that account during the remainder of the fiscal year.
- 3. For over-budget situations that will be significant, a formal amendment will need Village board approval. These amendments will be brought to the board at the sixmonth budget review, or sooner if deemed necessary by the Village Administrator or designee. Any budget amendments that increase the total budgeted expenditures in a fund must be approved by the Village Board. To be considered, amendments will need to be submitted with all required details as follows:
  - b) Department director approval (or designee)
  - c) Village Administrator approval (or designee)
  - d) Purchasing Agent approval (or designee)
- 4. For over-budget situations that will be minor compared to the total budget of the account, the account will be allowed to go over budget for the fiscal year with the requirement that sufficient budget funds exist within that fund AND department to absorb the deficit for the fiscal year. The Village Administrator and the Purchasing Agent, will determine if the amount of deficit is minor or material.

### **REVIEW AND REPORTING**

Department directors will be responsible for managing their approved budgets at the department level. They will be held accountable for all items charged to their accounts. Directors will need to monitor their accounts as any discrepancies from what is expected by a director should be reported to Finance for further detail.

Finance department staff will review the expense report closely each month to identify any material variances from budget. Department directors will be required to provide sufficient explanation as requested as to the cause of the material variances. The Finance Department will produce a monthly department report which will not only discuss important items of note but also provide useful and concise financial information for Village Board review. This report will be distributed to the Board no more than forty-five (45) days after each month end. Reports will be issued sooner where possible, allowing time for bank reconciliations and end-of-month accounting entries as well as report preparation and review.

# **CREDIT CARD POLICY**

The Village of Glendale Heights shall upon the authorization of the Village Administrator issue credit cards to specified individuals and or a department for use on transactions of the Village of Glendale Heights. Use of the issued card is specific as authorized only for the use of a legal Village transaction.

The individual or department head is responsible to maintain security of the card to assure proper use. Further, the individual or department is responsible that payments of charges made on the card are promptly paid on time to avoid any late payment fees and interest charges. Note that on occasion the card may be delegated for use to a department not holding a credit card, when it is appropriate and convenient or necessary to have a Village credit card used. If that department has not paid the charge on time they are responsible for the late or interest fees.

The individual or department are responsible to reconcile the monthly statement received from the card company to assure transactions charged are correct and any unpaid balance is correct and that a voucher for payment has been processed.

The card may be used only for approved budget items and in accordance with established purchasing policies. The card may not be used for a personal, non-work transaction.

When payment vouchers are processed, copies of the receipt of payment should be attached. Each such receipt or document should have an explanation of the purpose of the use of the card. Restaurant receipts should have listed the names of all persons included in the meal charges.

When credit cards are utilized for travel, advance deposits, reservations etc. an expense report needs to be promptly filed. The charges incurred on the credit card should be listed and designated on the expense report.

Upon transfer to another department or termination of employment the credit card needs to be returned to the Village of Glendale Heights and a written receipt of return secured.

The Village will also have credit cards issued by vendors such as Costco, Target, etc. These cards will be maintained by the Purchasing Department. They will be issued for use upon request and must be returned to the Purchasing Department immediately after the designated use.

# FUND BALANCE POLICY

The Government Finance Officers Association (GFOA) recommends that governments establish a formal policy on the level of unrestricted fund balance that should be maintained in the General

Fund. Such a guideline should be set by the appropriate policy body and should provide both a temporal framework and specific plans for increasing or decreasing the level of unrestricted fund balance, if it is inconsistent with that policy.

The adequacy of unrestricted fund balance in the General Fund should be assessed based upon a government's own specific circumstances. Nevertheless, GFOA recommends, at a minimum, that general-purpose governments, regardless of size, maintain unrestricted fund balance in their General Fund of no less than two months of regular General Fund operating revenues or regular General Fund operating expenditures.

The Village Board of Trustees, acknowledge and embrace the need to ensure the financial security and solvency of the Village, to preserve and enhance the Village's investment grade credit ratings and to ensure the availability of funds for use in addressing expenses related to extreme situations, such as unforeseen emergencies, unanticipated expenditures and revenue shortfalls.

The Village Board of Trustees fords that maintaining a minimum unrestricted fund balance in the General Fund Reserve in an amount equal to no less than thirty-three and one-third (33.33%) percent (four (4) months) of the Village's budgeted General Fund operating expenditures shall suffice to ensure the satisfaction of the policy goals established in Resolution No. 2013 – R 76.

The Reserve established shall be maintained at an amount equal to no less than 33.33% (four months) of the General Fund's annually budgeted operating expenditures. The Reserve is established to pay for expenses caused by unforeseen emergencies or for shortfalls caused by revenue declines.

The Reserve Policy shall be reviewed by the Board of Trustees annually in conjunction with the adoption of the Budget.

# **INVESTMENT POLICY**

### SCOPE OF INVESTMENT POLICY

This investment policy applies to the Village of Glendale Heights except for the Police Pension Fund. It is inclusive of all other funds that that may be created from time to time during the budgeting process.

Moneys for the Police Pension Fund will be administered by the persons designated by the Board of Trustees for the Police Pension Fund or their appointed person.

#### PRUDENT PERSON POLICY

Investments shall be made with judgment and care, under circumstances then prevailing, which persons of prudence, discretion and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital as well as the possible income to be derived.

#### **OBJECTIVES OF INVESTMENT POLICY**

The purpose of this policy is to establish guidelines and parameters for the management of cash assets of the Village of Glendale Heights. These guidelines are for Village officials charged with the responsibility for the stewardship of funds.

#### **OBJECTIVES INCLUDE**

- 1. Safety of principal is a foremost objective. Each investment transaction shall reasonably seek to ensure that capital losses are avoided.
- 2. The Village shall diversify investments to avoid incurring unreasonable risks. This shall include investment types and/or investment firms and institutions.
- 3. The Village investment portfolio shall remain sufficiently liquid to enable the Village to meet operating requirements which may be reasonably anticipated A guideline for this amount would be to have 90 days liquid assets to cover operating expenses Based upon reasonable investment decisions it may be more than 90 days.

#### **RESPONSIBILITY FOR INVESTMENT PROGRAM**

The establishment of investment policies is the responsibility of the Village Board, Village Administrator and the Village Treasurer. Management and administrative accountability shall be delegated to the Director of Finance under the direction of the Village Administrator. The Director of Finance shall be authorized to conduct transactions of investment and/or reinvestment of funds in accordance with this investment policy.

The responsibility for investment activities of the Police Pension Fund rests with the Board of Trustees of the Police Pension Fund.

#### CASH MANAGEMENT

#### Receipts

All monies due the Village shall be collected as promptly as possible. Monies that are received shall be deposited in an approved financial institution no later than two business days after receipt by the Village. Exception to this time may be applicable under extenuating circumstances. Amounts that remain uncollected after a reasonable length of time shall be subject to any legal means of collection and may include penalties and/or cost of collection including but not limited to administrative and legal cost incurred.

All financial institutions (banks, savings or building loan and credit union) are required to submit the complete "Call Report" required by their regulatory authority each annual quarter within 30 days of the date their regulatory authority requested same (commonly March, June, September, & December of each year).

### Disbursements

Any disbursement due suppliers of goods and/or services or to employees for salaries and wages shall be contingent upon an available budget appropriation. Disbursements are made in accordance with Village policy.

#### **Pooling of Cash**

Except where otherwise provided by the Board of Trustees, the Village Purchasing Agent will be authorized to pool the cash of various funds to enhance investment earnings where in his/her opinion it is advantageous and prudent to do so. Investment income will be allocated to the various funds based upon their respective participation.

#### Accounting

The Village of Glendale Heights maintains its accounting records on the basis of fund accounting. Each fund is considered a separate accounting entity. All investment transactions shall be stated at fair value in accordance with GASB Statement 31.

#### **Financial Institutions**

The Village of Glendale Heights shall select financial institutions on the following basis:

**Security:** Selected financial institutions shall be a member of the FDIC or the FSLIC systems. The institution shall be required to post required collateral for funds in excess of the FDIC or FSLIC insurable limits. The Village will not maintain deposits in any financial institution in which Village funds on deposit will exceed Seventy-Five (75%) percent of the institutions' capital stock and surplus. Reasonable fees and charges for services rendered by the institution are normal, anticipated and acceptable. Fees are inclusive of a reasonable cost factor for collateralization when required and applicable.

**Location:** When possible the Village will utilize financial institutions within the Village of Glendale Heights and not precluded by other standard of this policy. However other qualified depositories may be used regardless of location.

**Statement of Condition:** The Village will maintain for public and management, current statements of condition for each financial institution named as a depository. The refusal

of any said institution to provide such data upon request may serve as sufficient cause for withdrawal of funds.

**Investment Selection:** The Village may invest in any type of security allowed in the Illinois Statutes except that it should specifically avoid any purchase of financial forwards or futures, any leveraged investments, lending securities or derivatives. Investments shall be selected to provide asset growth and to accomplish the goals of the Village.

### **COMMERCIAL PAPER**

A Standard & Poor's commercial paper rating is a current assessment of the likelihood of timely payment of debt considered short-term in the relevant market. Ratings are graded into several categories ranging from "A-1" for the highest quality obligations to "D" for the lowest. These categories are as follows:

- A-1 This highest category indicates that the degree of safety regarding timely payment is strong. Those issues determined to possess extremely strong safety characteristics are denoted with a plus sign (+) designation.
- A-2 Capacity for timely payment on issues with this designation is satisfactory. However, the relative degree of safety is not as high as for issues designated "A-1".
- A-3 Issues carrying this designation have adequate capacity for timely payment. They are, however, more vulnerable to the adverse effects of changes in circumstances than obligations carrying the higher, designations.

The Village shall invest primarily in A-1 Rated Paper. Due to availability and a higher return on Investment, A-2 may be utilized but not to exceed Fifteen (15%) percent of total investments. A-3 not to exceed Five (5%) percent of total investment. However, the total investment of A-2 and A-3 combined shall not exceed Fifteen (15%) percent.

#### **CERTIFICATES OF DEPOSIT**

Investments shall be made in transaction amounts not to exceed FDIC limits in financial institutions with FDIC coverage.

#### DIVERSIFICATION AND MATURITIES

In order to reduce the risk of default, the investment portfolio of the Village shall not exceed the following limits unless specifically authorized by the Board of Trustees.

No financial institution shall hold more than Fifty (50%) percent of the Village investment portfolio, exclusive of U.S. Treasury securities.

Commercial paper shall not exceed Twenty (20%) percent of the Village's investment portfolio.

Illinois Funds shall not exceed Fifty (50%) percent of the Village's investment portfolio.

Up to Twenty (20%) percent of the Village's investment portfolio may be invested for a maximum period of Three (3) years.

Certificates of deposit shall not exceed FDIC limits. The Village may invest in more than one certificate of deposit at an individual banking institution provided that the total value of the certificates of deposit at said institution shall not exceed FDIC limits. Brokered certificates of deposit shall not exceed Fifty (50%) of the Village's investment portfolio.

Maturities of invested funds shall be determined by the Director of Finance. They shall be determined by the cash operating requirements, return on investment opportunity and any pertinent reasonable judgment. Except as provided herein General Fund and Special Revenue Funds shall be limited to a maximum of thirty-six (36) months from the date of purchase. Other funds shall have a guideline of thirty-six (36) month maximum, but may be purchased with a longer maturity to match future project or liability requirements.

#### COLLATERAL

It is the policy of the Village to require that funds on deposit in excess of FDIC or FSLIC limits be secured by some form of collateral. The applicable institution must submit that list of collateral for approval by the Village. The following are acceptable assets as collateral.

- 1. United States Government Securities
- 2. Obligations of Federal Agencies
- 3. Obligations of Federal Instrumentalities
- 4. Obligations of the State of Illinois

The amount of collateral provided will not be less than One Hundred Ten (110%) percent of the fair market value of the net amount of public funds secured, the ratio of fair market value of collateral to the amount of funds secured will be reviewed quarterly, and additional collateral will be requested when the ratio declines below the required level. Collateral agreements will preclude the release of pledged assets without the authorized signature from the Village of Glendale Heights.

#### **INTERNAL CONTROLS**

The Director of Finance shall establish a system of internal controls complying with accepted accounting principles. These controls may be revised or vary from time to time to comply with General Ledger systems and improved methods and/or procedure. The internal controls shall be reviewed for approval in conjunction with the annual examination of the financial statements and

procedures of the Village. The controls shall be designed to prevent loss of public funds arising from fraud, employee error, misrepresentation of third parties or imprudent actions by employees and officers of the Village. The general ledger accounts will be reconciled monthly to institution or investment statements.

### REPORTING

The Director of Finance shall submit monthly investments or supplemental reports or statements that provide the following information:

- 1. Principal type of investment and where invested by fund
- 2. Earnings for the current month and year to date

Reports and statements are not limited and may contain additional informative data.

The reports shall be provided to the Village President Board of Trustees and other Village managers as deemed appropriate.

#### AMENDMENT

This policy shall be reviewed periodically and any changes will be presented to the Board of Trustees for their approval.

### PURCHASING POLICY

(Village Code – Title 3, Chapter 1)

#### PURPOSE; SCOPE; EXEMPTIONS:

#### **Purpose:**

The purpose of this chapter is to provide for the fair and equitable treatment of all persons involved in public purchasing by the village, to maximize the purchasing value of public funds in procurement, and to provide safeguards for maintaining a procurement system of quality and integrity.

#### Scope:

This chapter applies to contracts for the procurement of equipment, supplies, services and construction of public improvements entered into by the village. It shall apply to the expenditure of public funds by the Village for public purchasing. When the procurement involves any expenditure regulated by federal or Illinois law or by federal or Illinois regulations, the procurement shall be conducted in accordance with any mandatory applicable laws and regulations. (Ord. 2007-100, 10-18-2007)

#### **Exemptions:**

The provisions of this chapter shall not apply to the selection of the Village attorney who shall be appointed by the Village president pursuant to section <u>1-7-3</u> of this code or other special legal counsel retained by the village. (Ord. 2009-62, 11-19-2009)

The provisions of this chapter shall not apply to the purchases made by the Village director of golf course operations pursuant to section <u>1-7E-1</u> of this code. (Prior ord.)

### **PURCHASING AGENT:**

### **Purchasing Agent Serve As**

Except as otherwise provided herein, the Purchasing Agent shall serve as the principal public purchasing official for the Village and shall be responsible for the procurement of equipment, supplies, contractual services and construction of public improvements in accordance with this chapter, as well as the management and disposal of supplies. In the event of a vacancy in the office of the Purchasing Agent, the Village administrator shall act as the Purchasing Agent until such time as the office is no longer vacant.

#### Duties

In accordance with this chapter and subject to the supervision of the Village administrator, the Purchasing Agent shall:

- 1. Procure or supervise the procurement of equipment, supplies, contractual services, and construction of public improvements needed by the village;
- 2. Exercise general supervision over all inventories of equipment and supplies belonging to the village;
- 3. Sell, trade, or otherwise dispose of surplus equipment or supplies belonging to the village; and establish and maintain programs for specifications development, contract administration, inspection and acceptance, in cooperation with the departments using procured equipment, supplies, and contractual services, in construction of public improvements.

#### **Delegation of Purchasing Duties**

With the approval of the Village president, Village administrator and board of trustees, the Purchasing Agent may delegate authority to other Village officials to purchase certain equipment, supplies, contractual services, or construction of public improvements items if such delegation is deemed necessary for the effective procurement of those items. (Ord. 2007-100, 10-18-2007)

#### **COMPETITIVE SEALED BIDDING**

All contracts of the Village for the purchase of equipment, supplies, contractual services or construction of public improvements exceeding ten thousand dollars (\$10,000.00) shall be awarded by competitive sealed bidding, except as otherwise provided.

The Purchasing Agent shall issue an invitation for bids which shall include specifications and all contractual terms and conditions applicable to the procurement.

Adequate public notice of the invitation for bids shall be given not less than ten (10) calendar days prior to the date set forth therein for the opening of bids. Such notice may include publication in a newspaper of general circulation within the community in a reasonable time prior to bid opening. The public notice shall state the place, date, and time of bid opening.

Bids shall be opened publicly in the presence of one or more witnesses at the time and place designated in the invitation for bids.

Bids shall be evaluated based on the requirements set forth in the invitation for bids, which may include criteria to determine acceptability such as inspections, testing, quality, workmanship, delivery, and suitability for particular purposes. Those criteria that will affect the bid price and be considered in evaluation for award shall be objectively measurable such as discounts, transportation costs, and total or life cycle costs. The invitation for bids shall set forth the evaluation criteria to be used.

Correction or withdrawal of inadvertently erroneous bids before or after bid opening, or cancellation of awards or contracts based on such bid mistakes, may be permitted where appropriate. If mistakes are discovered before bid opening, the bid may be withdrawn by written notice received in the office designated in the invitation for bids prior to the time set for bid opening. Any modification prior to the bid opening must be submitted in a sealed envelope prior to the scheduled opening of the bid. After bid opening, no changes in bid prices or other provision of bids prejudicial to the interest of the Village or fair competition shall be permitted.

In lieu of the bid correction, a low bidder alleging a material mistake of fact may be permitted to withdraw its bid if, in the sole judgment of the board of trustees:

- 1. The mistake is clearly evident on the face of the bid document but the intended correct bid is not similarly evident; or
- 2. The bidder submits evidence which clearly and convincingly demonstrates that a mistake was made.

All requests to permit the correction or withdrawal of bids or to cancel awards or contracts based on bid mistakes shall be supported by a written request to the Purchasing Agent indicating the reason for the request.

Unless all bids are rejected by the board of trustees, the contract shall be awarded with reasonable promptness by appropriate written notice to the lowest responsible and responsive bidder whose bid meets the requirements and criteria set forth in the invitation for bids. In the event the low responsive and responsible bid for a construction of public improvements project exceeds

available funds, the Purchasing Agent is authorized, when time or economic considerations preclude re-solicitation of work of a reduced scope, to negotiate an adjustment of the bid price with the low responsive and responsible bidder, in order to bring the bid within the amount of available funds.

When it is considered impractical to prepare initially a purchase description to support an award based on price, an invitation for bids may be issued requesting the submission of un-priced offers to be followed by an invitation for bids limited to those bidders whose offers have been determined to be technically acceptable under the criteria set forth in the first solicitation. (Ord. 2007-100, 10-18-2007)

### COMPETITIVE SEALED PROPOSALS

When the board of trustees determines that the use of competitive sealed bidding is either not practicable or not advantageous to the village, a contract may be entered into by use of the competitive sealed proposals method.

Proposals shall be solicited through a request for proposals.

Adequate public notice of the request for proposals shall be given in the same manner as provided in subsection <u>3-1-3</u>C of this chapter, provided the minimum time shall be twenty (20) calendar days. (Prior ord.)

No proposals shall be handled so as to permit disclosure of the identity of any offerer or the contents of any proposal to competing offerers prior to the time at which the proposals are due. A register of proposals shall be prepared containing the name of each offerer, the number of modifications received, if any, and a description sufficient to identify the item offered. The register of proposals shall be open for public inspection only after the time at which proposals have been formally awarded. (Ord. 2007-100, 10-18-2007)

The request for proposals shall state the relative importance of price and other evaluation factors.

As provided in the request for proposals, discussions may be conducted with responsible offerers who submit proposals determined to be reasonably susceptible of being selected for award for the purpose of clarification to assure full understanding of, and conformance to, the solicitation requirements. Offerers shall be afforded fair and equal treatment with respect to any opportunity for discussion and revision of proposals, and such revisions may be permitted after submissions and prior to award for the purpose of obtaining best and final offers.

The award shall be made by the board of trustees to the responsible offerer whose proposal is determined to be the most advantageous to the village, taking into consideration price and the evaluation factors set forth in the request for proposals. (Prior ord.)

### AUTHORIZATION OF AWARD AND FORMAL BID WAIVERS

The Village administrator shall have the authority to provide approval authorization of recommendations for all formal bid waivers, award of formal sealed competitive bids, and award of request for proposals with monetary values not to exceed twenty thousand dollars (\$20,000.00). The Village president and board of trustees shall provide authorization for values exceeding twenty thousand dollars (\$20,000.00), or values below twenty thousand dollars (\$20,000.00) as requested by the Village administrator, of the award of formal sealed competitive bids and award of request for proposals. The board of trustees, by a vote of two-thirds ( $^{2}/_{3}$ ) of all trustees elected, may waive any and all requirements of section <u>3-1-3</u> or <u>3-1-4</u> of this chapter. (Ord. 2007-100, 10-18-2007; amd. 2011 Code)

#### **SMALL PURCHASES**

Any purchase not exceeding ten thousand dollars (\$10,000.00) may be made in accordance with the small purchase procedures authorized in this section. Contract requirements shall not be artificially divided so as to constitute a small purchase under this section. (Ord. 2007-100, 10-18-2007)

Insofar as is practical for small purchases in excess of one thousand dollars (\$1,000.00), no less than three (3) businesses shall be solicited to submit quotations. The award shall be made to the business offering the lowest acceptable quotation and in the best interest of the village. The names of the businesses submitting quotations and the date and amount of each quotation shall be recorded and maintained as part of the purchase record. (Prior ord.)

The Purchasing Agent shall adopt operational procedures for making small purchases of one thousand dollars (\$1,000.00) or less. Such operational procedures shall provide for obtaining adequate and reasonable competition for the supply, service, or construction of public improvements being purchased. (Ord. 2007-100, 10-18-2007)

### SOLE SOURCE PROCUREMENT

A contract may be awarded without competition when the Purchasing Agent determines, in writing, after conducting a good faith review of available sources, that there is only one source for the required equipment, supply, service, or construction item. A record of sole source procurement shall be maintained as a public record and shall list each contractor's name, the amount and type of each contract, a listing of the item(s) procured under each contract, and the identification number of each contract file. For contracts with values of ten thousand dollars (\$10,000.00) to twenty thousand dollars (\$20,000.00), the Purchasing Agent must obtain prior authorization from the Village administrator, and contracts with values exceeding twenty

thousand dollars (\$20,000.00) must be authorized by the Village president and board of trustees. (Ord. 2007-100, 10-18-2007; amd. 2011 Code)

#### **EMERGENCY PROCUREMENT**

Notwithstanding any other provisions of this chapter, the Village administrator may make or authorize the Purchasing Agent and others to make emergency procurement of equipment, supplies, contractual services, or construction items when there exists a threat to the public health, welfare, or safety; provided, that such emergency procurement shall be made with such competition as is practicable under the circumstances. A written determination of the basis for the emergency and for the selection of the particular contractor shall be included in the contract file. As soon as practicable, a record of each emergency procurement shall be made and shall set forth the contractor's name, the amount and type of the contract, a listing of the item(s) procured under the contract, and the identification number of the contract file. (Ord. 2007-100, 10-18-2007)

#### CANCELLATION OF INVITATIONS FOR BIDS OR REQUESTS FOR PROPOSALS

An invitation for bids, a request for proposals or other solicitation may be canceled. Any or all bids or proposals may be rejected in whole or in part when it is in the best interests of the village. Each solicitation issued by the Village shall state that the solicitation may be canceled and that any bid or proposal may be rejected in whole or in part when it is in the best interests of the village. Notice of cancellation shall be sent to all businesses solicited. (Prior ord.)

### **RESPONSIBILITY OF BIDDERS AND OFFERERS**

If a bidder or offerer who otherwise would have been awarded a contract exceeding ten thousand dollars (\$10,000.00) is found non-responsible, a determination of non-responsibility shall be made by the board of trustees. The unreasonable failure of a bidder or offerer to supply promptly information in connection with an inquiry with respect to responsibility may be grounds for a determination of non-responsibility with respect to such bidder or offerer. The Purchasing Agent shall notify the non-responsible bidder or offerer of the determination. The determination shall be made part of the contract file and be made a public record. (Ord. 2007-100, 10-18-2007)

### **BID AND PERFORMANCE BONDS**

Bid and performance bonds or other security may be requested for supply contracts or service contracts as the Purchasing Agent or head of a using department deems advisable to protect the Village interest and shall be required for all contracts for the construction of public improvements. Any such bonding requirements shall be set forth in the solicitation. The bid or performance bond shall not be used as a substitute for a determination of a bidder's or offerer's responsibility. (Ord. 2007-100, 10-18-2007)

### TYPES OF CONTRACTS

### Authorized Contracts

The Village may use any type of contract which is appropriate to the procurement and which will promote the best interests of the village.

### **Multi-term Contracts**

- 1. Subject to the limitations imposed by law, a contract for supplies or services may be entered into for any period of time deemed to be in the best interests of the village, provided the term of the contract and conditions of renewal or extension, if any, are included in the solicitation, and funds are available for the first fiscal period at the time of contracting. The contract shall provide that the payment and performance obligations for succeeding fiscal periods shall be subject to cancellation and termination without penalty dependent upon the availability and appropriation of funds therefore.
- 2. Prior to the utilization of a multi-term contract, it shall be determined in writing:
  - a. That the estimated requirements cover the period of the contract and are reasonably firm and continuing.
  - b. That such a contract will serve the best interests of the Village by encouraging effective competition or otherwise promoting economies in Village procurement.
- 3. When funds are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal period, the contract shall be canceled.

### **Restrictions on Awarding Contracts**

Multiple source awards shall not be made when a single award will meet the Village needs without sacrifice of economy or service. Awards shall not be made for the purpose of dividing the business, making available product or supplier selection to allow for user preference unrelated to utility or economy, or avoiding the resolution of tie bids. Any such awards shall be limited to the least number of suppliers to meet the valid requirements. (Prior ord.)

#### CONTRACT ADMINISTRATION SYSTEM

A contract administration system designed to ensure that a contractor is performing in accordance with the solicitation under which the contract was awarded and the terms and conditions of the contract shall be maintained. (Prior ord.)

### **RIGHT TO INSPECT FACILITIES**

As a condition to the submission of any bid, proposal or quotation by a prospective vendor or contractor, the prospective vendor or contractor grants to the Village the permission, at reasonable times upon adequate notice, to inspect the plant of the vendor, place of business, or work site of a contractor or subcontractor at any tier which is pertinent to the performance of any contract awarded or to be awarded by the village. (Prior ord.)

#### **REPORT ANTICOMPETITIVE PRACTICES**

When, for any reason, collusion or other anticompetitive practices are suspected among any bidders or offerers, a notice of the relevant facts shall be transmitted to the Village attorney or the appropriate legal officer having jurisdiction. (Prior ord.)

#### VILLAGE PROCUREMENT RECORDS

All determinations and other written records pertaining to the solicitation, award, or performance of a contract shall be maintained for the Village in a contract file by the Purchasing Agent. (Ord. 2007-100, 10-18-2007)

All procurement records shall be retained and disposed of by the Village in accordance with records retention guidelines and schedules approved by the state of Illinois. (Prior ord.)

### MAXIMUM PRACTICABLE COMPETITION

All specifications shall be drafted so as to promote overall economy for the purposes intended and encourage competition in satisfying the Village needs, and shall not be unduly restrictive. The policy enunciated in this section applies to all specifications including, but not limited to, those prepared for the Village by architects, engineers, designers, and draftsmen. (Prior ord.)

#### BRAND NAME OR EQUAL SPECIFICATION

Brand name or equal specifications may be used when the Purchasing Agent determines in writing that:

- 1. No other design or performance specification or qualified products list is available;
- 2. Time does not permit the preparation of another form of purchase description not including a brand name specification;
- 3. The nature of the product or the nature of the Village requirements makes use of a brand name or equal specification suitable for the procurement; or
- 4. Use of a brand name or equal specification is in the best interests of the village. (Ord. 2007-100, 10-18-2007)

Brand name or equal specifications shall seek to designate three (3), or as many different brands as are practicable, as "or equal" references and shall further state that substantially equivalent products to those designated will be considered for award. (Prior ord.)

Unless the Purchasing Agent determines that the essential characteristics of the brand names included in the specifications are commonly known in the industry or trade, brand name or equal specifications shall include a description of the particular design, function, or performance characteristics which are required. (Ord. 2007-100, 10-18-2007)

Where a brand name or equal specification is used in a solicitation, the solicitation shall contain explanatory language that the use of a brand name is for the purpose of describing the standard of quality, performance, and characteristics desired and is not intended to limit or restrict competition. (Prior ord.)

#### **BRAND NAME SPECIFICATION**

The use of a brand name specification may be used when the Purchasing Agent makes a written determination that only the identified brand name item or items will satisfy the Village needs.

The Purchasing Agent shall seek to identify sources from which the designated brand name item or items can be obtained and shall solicit such sources to achieve whatever degree of price competition is practicable. If only one source can supply the requirement, the procurement shall be made under section <u>3-1-7</u> of this chapter. (Ord. 2007-100, 10-18-2007)

# RESPONSIBILITY FOR SELECTION OF METHODS OF CONSTRUCTION CONTRACTING MANAGEMENT

The Purchasing Agent, with direction from the Village administrator, shall have discretion to recommend to the board of trustees the appropriate method of construction contracting management for a particular project. In determining which method to use, the Purchasing Agent shall consider the Village requirements, its resources, and the potential contractor capabilities. The Purchasing Agent shall include in the recommendation a written statement setting forth the facts which led to the recommendation of a particular method of construction contracting management for each project.

It is recognized that the following methods are currently being used for control and coordination of construction of public improvements projects:

- 1. A single prime contractor (including a turnkey or design build contractor); and
- 2. Multiple prime contractors managed by:
  - a. A designated general contractor;
  - b. A construction manager; or (Ord. 2007-100, 10-18-2007)
  - c. An Purchasing Agent, public services director or a project manager. (Ord. 2007-100, 10-18-2007; amd. 2011 Code)

#### **BID SECURITY**

Bid security shall be required for all competitive sealed bidding for construction contracts when the price is estimated by the Purchasing Agent to exceed ten thousand dollars (\$10,000.00). Bid security shall be a bond provided by a surety company authorized to do business in the state, or the equivalent in cash, or otherwise supplied in a form satisfactory to the village. Nothing herein shall prevent the requirement of such bonds in service or commodity contracts when the circumstances warrant.

The bid security shall be in an amount equal to at least ten percent (10%) of the amount bid.

When the invitation for bids requires security, the failure to provide bid security will result in the bid being rejected unless it is determined that the bid fails to comply only in a nonsubstantial manner with the security requirements.

If a bidder is permitted to withdraw its bid before award as provided in subsection <u>3-1-3</u>F of this chapter, no action shall be had against the bidder or the bid security. (Ord. 2007-100, 10-18-2007)

### CONTRACT PERFORMANCE AND PAYMENT BONDS

When a contract for the construction of a public improvement is awarded in excess of ten thousand dollars (\$10,000.00), the following bonds or security shall be delivered to the Village and shall become binding on the parties upon the execution of the contract:

- 1. A performance bond satisfactory to the village, executed by a surety company authorized to do business in the state or otherwise secured in a manner satisfactory to the village, in an amount equal to one hundred percent (100%) of the price specified in the contract.
- 2. A payment bond satisfactory to the village, executed by a surety company authorized to do business in the state or otherwise secured in a manner satisfactory to the village, for the protection of all persons supplying labor and materials to the contractor or its subcontractors for the performance of the work provided in the contract. The bond shall be in an amount equal to one hundred percent (100%) of the price specified in the contract.

Nothing in this section shall be construed to limit the authority of the Village to require a performance bond or other security in addition to those bonds or in circumstances other than specified in subsection A of this section. (Prior ord.)

### **CONTRACT CHANGES**

Every contract modification, change order or contract price adjustment in excess of ten thousand dollars (\$10,000.00) and every contract modification, change order or contract adjustment extending the contract completion time under a contract for the construction of a public improvement with the Village shall be subject to prior approval by the board of trustees after receiving a report from the project manager as to the effect of the contract modification, change

order, or contract price adjustment on the total project budget or the total contract budget. (Prior ord.)

#### ARCHITECTURAL, ENGINEERING AND LAND SURVEYING SERVICES

The provisions of this chapter shall not apply to the selection of the Village engineer who shall be appointed by the Village president, with the advice and consent of the board of trustees, pursuant to section <u>1-7-3</u> of this code.

If it is necessary to solicit proposals for professional architectural, engineering or land surveying services, the Village shall, unless it has a satisfactory relationship with one or more firms, announce publicly all requirements for the architectural, engineering or land surveying services. In the procurement of architectural, engineering and land surveying services, the Purchasing Agent shall request firms to submit a statement of qualifications and performance data. The Purchasing Agent shall mail a notice requesting a statement of interest and in the specific project for which services are sought to all firms who have a current statement of qualifications and performance data on file with the Purchasing Agent. The Purchasing Agent shall place an advertisement in a newspaper or periodical of general circulation requesting statements of qualifications and performance data from those firms which do not have such a statement on file with the Purchasing Agent. The advertisement shall state the day, hour and place that the statement of interest and the statements of qualifications and performance data shall be due.

The Village shall negotiate contracts for professional architectural, engineering or land surveying services on the basis of demonstrated competence and qualifications at fair and reasonable prices. Unless the Village has a satisfactory relationship with one or more firms, a selection committee appointed by the Village president, with the advice and consent of the board of trustees, or in the absence of such an appointment, a selection committee composed of three (3) members, including the Purchasing Agent, the director of public works or another officer with appropriate professional qualifications and the project manager or head of the department in need of the architectural, engineering or land surveying services shall evaluate the firms submitting statements of interest taking into account qualifications, ability of professional personnel, past record and experience, performance data on file, willingness and ability to meet time and budget requirements, location, workload of the firm and such other factors as the selection committee may determine are applicable. The selection committee shall conduct discussions with no less than two (2) firms regarding the proposed contract and the relative utility of alternative methods of approach for furnishing the required services and any required public presentations by firms deemed to be the most qualified regarding their qualifications, approach to the project and ability to furnish the required services. If fewer than three (3) firms submit statements of interest and the selection committee determines that one or both of those firms are qualified, the selection

committee may proceed to negotiate a contract as set forth below with the firm or firms determined to be qualified.

The Purchasing Agent, in consultation with the selection committee, shall negotiate a contract with the firm considered to be the most qualified for architectural, engineering or land surveying services at compensation which the Purchasing Agent determines in writing to be fair and reasonable to the village. In making this decision, the Purchasing Agent shall take into account the estimated value, the scope, the complexity, and the professional nature of the services to be rendered. Should the Purchasing Agent, in consultation with the selection committee, be unable to negotiate a satisfactory contract with the firm considered to be the most qualified at a price the Purchasing Agent determines to be fair and reasonable to the village, negotiations with that firm shall be formally terminated. The Purchasing Agent shall then undertake negotiations with the second most qualified or further until an agreement is reached. (Ord. 2007-100, 10-18-2007)

### AUTHORITY TO DEBAR OR SUSPEND

After reasonable notice to the person involved and reasonable opportunity for that person to be heard, the Purchasing Agent, after consulting with the Village attorney, is authorized to debar a person for cause from consideration for award of contracts. The debarment shall be for a period of not more than three (3) years. After consultation with the Village attorney, the Purchasing Agent shall recommend to the Village president and board of trustees to suspend a person from consideration for award of contracts if there is probable cause to believe that person has engaged in any activity which might lead to debarment. The suspension shall be for a period not to exceed three (3) months. The causes for debarment include:

Conviction for commission of a criminal offense as an incident to obtaining or attempting to obtain a public or private contract or subcontract, or in the performance of such contract or subcontract;

Conviction under state or federal statutes of embezzlement, theft, forgery, bribery, falsification or destruction of records, receiving stolen property, or any other offense indicating a lack of business integrity or business honesty which currently, seriously, and directly affects responsibility as a Village contractor;

Conviction under state or federal antitrust statutes arising out of the submission of bids or proposals; or

Violation of contract provisions, as set forth below, of a character which is regarded by the Purchasing Agent to be serious as to justify debarment action:

- 1. Deliberate failure, without good cause, to perform in accordance with the specifications or the time limit provided in the contract;
- 2. A recent record of unsatisfactory performance in accordance with the terms of one or more contracts;
- 3. Any other cause the Purchasing Agent determines to be so serious and compelling as to affect responsibility as a Village contractor including debarment by another governmental entity for any cause listed; or
- 4. For violation of the ethical standards set forth in sections <u>3-1-30</u>, 3-1-31, 3-1-32 and <u>3-1-33</u> of this chapter. (Ord. 2007-100, 10-18-2007)

### **BID PROTEST**

A. Any actual or prospective bidder, offerer, or contractor who is aggrieved in connection with the solicitation or award of a contract may protest to the Village administrator. A protest with respect to an invitation for bids or request for proposals shall be submitted in writing prior to the opening of bids or the closing date of proposals, unless the aggrieved person did not know and should not have known of the facts giving rise to such protest. The protest shall then be submitted within ten (10) calendar days after such aggrieved person knows or should have known the facts giving rise thereto. (Prior ord.)

B. In the event of a timely protest under subsection A of this section, the Purchasing Agent shall not proceed further with the solicitation or award of the contract until the Village administrator makes a determination either on the merits of the protest or that the award of a contract without delay is necessary to protect a substantial interest of the village. Protesters shall exhaust their administrative remedy prior to initiating judicial remedies. (Ord. 2007-100, 10-18-2007)

### REMEDIES FOR SOLICITATIONS OR AWARDS IN VIOLATION OF LAW

If, prior to the bid opening or the closing date for receipt of proposals, the Purchasing Agent, after consultation with the Village attorney, determines that a solicitation is in violation of federal, state, or municipal law, then the solicitation shall be canceled or revised to comply with applicable law.

If, after the bid opening or closing date for receipt of proposals, the Purchasing Agent, after consultation with the Village attorney, determines that a solicitation or a proposed award of a contract is in violation of federal, state, or municipal law, then the solicitation or proposed award shall be canceled.

If, after an award, the Purchasing Agent, after consultation with the Village attorney, determines that a solicitation or award of a contract was in violation of applicable law and the person awarded the contract has not acted fraudulently or in bad faith:

- 1. The contract may be ratified and affirmed, provided it is determined that doing so is in the best interests of the village;
- 2. The contract may be terminated and the person awarded the contract shall be compensated for the actual costs reasonably incurred under the contract, plus a reasonable profit, prior to the termination; or
- 3. If the person awarded the contract has acted fraudulently or in bad faith, the contract may be declared null and void, if such action is in the best interests of the village. (Ord. 2007-100, 10-18-2007)

### **COOPERATIVE PURCHASING**

The Village shall utilize joint or cooperative purchasing pursuant to the provisions of <u>article A of</u> <u>this chapter</u> whenever favorable prices are obtained for required goods and contractual services. (Prior ord.)

#### SURPLUS PROPERTY

The Purchasing Agent shall provide a written recommendation to the Village administrator when Village property should be designated as no longer necessary or useful to or in the best interests of the village. The Village administrator may approve or disapprove of the designation made by the Purchasing Agent.

Upon approval of the designation by the Village administrator, the Purchasing Agent is authorized to sell or otherwise dispose of all surplus personal property with a current market value of less than two thousand five hundred dollars (\$2,500.00). A record shall be kept of all dispositions of property made by the Purchasing Agent.

For the disposition of surplus property with a value greater than two thousand five hundred dollars (\$2,500.00), approval of the Village president and board of trustees, including approval of the manner of sale and publication of legal notice, is required. (Ord. 2007-100, 10-18-2007)

#### **CRIMINAL PENALTIES**

To the extent that violations of the ethical standards of conduct set forth in this chapter constitute violations of the Illinois criminal code, they shall be punishable as provided therein. (Ord. 2007-100, 10-18-2007)

#### EMPLOYEE CONFLICT OF INTEREST

It shall be unethical for any Village employee to participate directly or indirectly in a procurement contract when the Village employee knows that:

A. The Village employee or any member of the Village employee's immediate family has a financial interest pertaining to the procurement contract; or

B. Any other person, business, or organization with whom the Village employee or any member of a Village employee's immediate family is negotiating or has an arrangement concerning prospective employment is involved in the procurement contract. (Ord. 2007-100, 10-18-2007)

#### **GRATUITIES AND KICKBACKS**

It shall be unethical for any person to offer, give, or agree to give any Village employee or former Village employee, or for any Village employee or former Village employee to solicit, demand, accept, or agree to accept from another person, a gratuity or an offer of employment in connection with any decision, approval, disapproval, recommendation, or preparation of any part of a program requirement or a purchase request, influencing the content of specification or procurement standard, rendering of advice, investigation, auditing, or in any other advisory capacity in any proceeding or application, request for ruling, determination, claim or controversy, or other particular matter, pertaining to any program requirement or a contract or subcontract, or to any solicitation or proposal thereof.

It shall be unethical for any payment, gratuity, or offer of employment to be made by or on behalf of a subcontractor under a contract to the prime contractor or higher tier subcontractor or any person associated therewith, as an inducement for the award of a subcontract or order. (Ord. 2007-100, 10-18-2007)

#### USE OF CONFIDENTIAL INFORMATION

It shall be unethical for any employee or former employee knowingly to use confidential information for actual or anticipated personal gain, or for the actual or anticipated personal gain of any other person. (Ord. 2007-100, 10-18-2007)

### CONFIDENTIAL REPORTING ADMINISTRATIVE POLICY

#### I. General

The Village of Glendale Heights expects its board members appointed officials department directors officers employees and other representatives to observe high standards of business and personal ethics in the conduct of their duties and responsibilities. As employees and representatives of the Village of Glendale Heights we must practice honesty and integrity in fulfilling our responsibilities and comply with all applicable laws and regulations.

II. Reporting Responsibility

It is the responsibility of all board members appointed officials department directors officers employees and other representatives to report wrongful conduct in accordance with this administration policy procedure.

### III. Wrongful Conduct

Wrongful Conduct is defined in this administrative policy to include a serious violation of Village of Glendale Heights policy such that could result in termination a violation of applicable state and federal law or the use of Village of Glendale Heights property resources or authority for personal gain or other non organization related purpose except as provided under Village of Glendale Heights policy. This definition of Wrongful Conduct is not intended to be an exclusive listing of the illegal or improper activity encompassed by this confidential reporting policy. Rather this policy is intended to serve as a means of reporting all serious improprieties that potentially impact the integrity and effective operation of the Village of Glendale Heights.

### IV. No Retaliation

No board members appointed officials department directors officers employees and other representatives who in good faith report Wrongful Conduct will suffer harassment retaliation or adverse employment consequence. Any director officer or employee who retaliates against anyone who has reported Wrongful Conduct in good faith is subject to discipline up to and including termination of employment. This confidential reporting policy is intended to encourage and enable employees and others to raise serious concerns within the Village of Glendale Heights prior to seeking resolution outside the Village of Glendale Heights.

### V. Reporting Wrongful Conduct

The Village of Glendale Heights encourages its board members appointed officials department directors officers employees and other representatives to share their questions concerns suggestions or complaints with someone who can address them properly such as a direct supervisor or department director. Any board member appointed official department director officer employee or other representative may report Wrongful Conduct to the appropriate department director the Village Administrator or the Village President of the Board of Trustees. If the Wrongful Conduct implicates one or all of the above or if the reporting individual is not comfortable speaking with or not satisfied with the response of the foregoing individuals the issue may be reported to any member of the Village Board of Trustees or the Village's Human Resources Department, The Village Administrator, Village President and any member of the Village Board of Trustees to whom a report of Wrongful Conduct is made is required to

immediately advise the Board of Trustees of such report of Wrongful Conduct.

### VI. Acting in Good Faith

Anyone filing a complaint of Wrongful Conduct must be acting in good faith and have reasonable grounds for believing the information disclosed indicates Wrongful Conduct Any allegations that prove not to be substantiated and which prove to have been made maliciously or knowingly to be false will be viewed as a serious disciplinary offense.

#### VII. Confidentiality

Reports of Wrongful Conduct or suspected Wrongful Conduct may be submitted on a confidential basis by the complainant or may be submitted anonymously Reports of Wrongful Conduct or suspected Wrongful Conduct will be kept confidential to the extent possible consistent with the need to conduct an adequate investigation.

#### VIII. Handling of Reported Wrongful Conduct

When an Administrative Investigation is to be conducted pursuant to an internal review process Department members shall be notified in writing within a reasonable time frame and when it will not reasonably compromise the internal review process of a complaint against them. A representative of Village Administration will notify the sender and acknowledge receipt of the reported Wrongful Conduct or suspected Wrongful Conduct within five business days unless such report was submitted anonymously. All reports will be promptly investigated and appropriate corrective action will be taken if warranted by the investigation.

## AMENDMENT TO POLICE PENSION ACTUARIAL FUNDING POLICY

### RESOLUTION NO. 2019— R - 67 A RESOLUTION TO APPROVE AND ADOPT THE FIRST AMENDMENT TO THE ACTUARIAL FUNDING POLICY STATEMENT FOR THE VILLAGE OF GLENDALE HEIGHTS, ILLINOIS

WHEREAS, the Village of Glendale Heights (the "Village") has established certain Administrative Policies from time to time; and

WHEREAS, the Village adopted Resolution No. 2017- R- 85 entitled "A Resolution Approving and Adopting An Actuarial Funding Policy Statement for the Village of Glendale Heights, Illinois" (the "Policy") on October 19, 2017; and

WHEREAS, the corporate authorities of the Village have determined that it is advisable, necessary and in the public interest to amend the Policy by amending the sections entitled "Goals and Objectives" and " Operation of the Policy".

NOW, THEREFORE, BE IT RESOLVED by the President and Board of Trustees of the Village of Glendale Heights, DuPage County, Illinois, as follows:

Section 1. The corporate authorities of the Village hereby incorporate the foregoing preamble clauses into this resolution.

Section 2. The corporate authorities hereby approve and adopt the following amendments to the Policy:

A. The Policy shall be amended by deleting the section entitled "Goals and Objectives" it in its entirety and substituting the following in its place: Goals and Objectives.

In any given fiscal year in which the General Fund, including the Insurance and Golf Fund, realizes a surplus, to be determined based on the Comprehensive Annual Financial Report for the most recently completed fiscal year, (revenues and other financing sources exceed expenditures and other financing uses), an amount equaling ten (10%) percent of the surplus will be distributed as an additional employer contribution to the Village of Glendale Heights Police Pension Fund. This furthers the key goals and objectives of the policy in that it will:

- Make sure that benefits are secure for fund participants now and in the long term.
- Keep the recommended costs of the plan stable across generations of taxpayers.
- Provide year-to-year contribution stability/ budgeting for the Village.

B. The Policy shall be amended further by deleting the section entitled "Operation of the Policy" it in its entirety and substituting the following in its place:

Operation of the Policy.

The Village will review the policy on an annual basis. The Village retains the right to amend the policy, as necessary, to keep the policy in line with the goals and objectives."

Section 3. That the remainder of the Policy shall remain in full force and effect and unchanged.

Section 4. This resolution shall be in full force and effect upon its passage and approval in accordance with law.

# GLOSSARY

**Accrual Basis of Accounting:** A method of accounting that matches revenues and expenses with the period to which they relate, rather than focusing on actual cash flows. In this method, for example, an asset is depreciated as it is "used up", and the expense is recognized in periodic increments, rather than assuming the asset holds its value until it is actually disposed of

**Appropriation:** an authorization by the Village Board to make expenditures and to incur obligations for a specific purpose

**Assessed Valuation:** a value established for real property for use as a basis in levying property taxes

**Audit:** Prepared by an independent certified public accountant, the primary objective of an audit is to determine if the Village's financial statements fairly represent the Village's financial position and results of operations in conformity with generally accepted accounting principles

**Balanced Budget:** A budget is balanced when planned revenues or existing fund equity equal or exceed planned expenditures, that is, total outlays or disbursements, for a fiscal year

**Bond:** a form of borrowing that reflects a written promise from the Village to repay a sum of money on a specific date at a specified interest rate. Bonds are used to finance large capital projects

**Budget:** a financial plan for a specified period of time that matched projected revenues and planned expenditures to municipal services, goals and objectives. The Village of Glendale Heights uses a budget covering one fiscal year, May 1st thru April 30th

**Budget Message:** provides the Village Board and the public with a general summary of the most important aspects of the budget, changes from previous fiscal years and the views and recommendations of the Village Administrator

**Capital Expenditure:** any expense that results in the acquisition of capital such as department equipment, office furniture and equipment, or building improvements (interchangeable with the term capital outlay)

**Capital Improvement:** a permanent addition to the Village's assets, including the design, construction or purchase of land, buildings or facilities, or major renovations of the same

# GLOSSARY (cont.)

**Capital Outlay:** any expense that result in the acquisition of capital such as department equipment, office furniture and equipment, or building improvements (interchangeable with the term capital expenditure)

**Capital Projects:** the largely one-time cost for acquisition, construction, improvement, or renovation of land, structures and improvements thereon. The cost must be \$25,000 or more in order to be considered a capital project. All vehicle purchases are also considered capital projects, even if the cost is below \$25,000

**Charges for Services:** a revenue category which includes a charge for a specific service. These primarily include water & sewer revenues, recreation and golf course program fees, and other miscellaneous user fees

**Debt Service:** payment of principal and interest on an obligation resulting from the issuance of bonds or notes

**Deficit:** an excess of expenditures over revenues

**Depreciation:** The loss of asset value over time and usage, recorded as an expense under the full accrual method of accounting.

**Equalized Assessed Valuation (EAV):** a value established for real property for use as a basis in levying property taxes within DuPage County, Illinois. The EAV is calculated by taking the Assessed Valuation multiplied by the DuPage County equalization factor, which changes every year

**Expenditure:** the outflow of funds paid or to be paid for an asset or goods and services obtained, regardless of when the expense is actually paid

**Fiscal Year:** a 12-month period of time to which the budget applies; the fiscal year for the Village of Glendale Heights is May 1st thru April 30th

**Full-Time Equivalent:** the decimal equivalent of a part-time position converted to a full-time base (an employee that works a 40-hour work week is 1.0)

**Fund:** an independent fiscal and accounting entity used to record all financial transactions related to the specific purpose for which the fund was created

# GLOSSARY (cont.)

**Fund Balance:** the amount of financial resources available for use; the excess of assets over Liabilities

Generally Accepted Accounting Principles: uniform minimum standards and guidelines for financial accounting and reporting

**Grant:** contribution of cash or other assets from another governmental entity to be used or expended for a specific purpose, activity or facility

**Home Rule:** the power of a local village or county to set up its own system of governing and local ordinances without receiving a charter from the state which comes with certain requirements and limitations

**Interfund Transfers:** monies moved from one fund to another; money is transferred to finance the operations of another fund or to reimburse the fund for expenses

**Modified Accrual Basis of Accounting:** an adaptation of the accrual basis of accounting for governmental fund types - revenues and other financing sources are recognized when they become available to finance expenditures of the current period

**Moody's:** the system of rating securities with the purpose to provide investors with a simple system of gradation by which future relative creditworthiness of securities may be gauged

**Operating Budget:** annual appropriation of funds for ongoing program costs

**Ordinance:** a formal legislative enactment by the Village Board that is the full force and effect of law within the Village boundaries

**Reserve:** an account used to record that a portion of the fund's balance is legally restricted for a specific purpose

**Revenue:** amount received for taxes, fees, permits, licenses, interest and intergovernmental sources during the fiscal year

**User Fees:** payment of a fee or direct receipt of a public service by benefiting from the service for a specific purpose and is, therefore, not available for general appropriation

Village Code: a collaboration of Village Board approved ordinances currently in effect

# **COMMONLY USED ACRONYMS**
